## ACKNOWLEDGEMENT OF COUNTRY

Victoria University (VU) acknowledges, honours, recognises and respects the Ancestors, Elders and families of the Boonwurrung (Bunurong), Woiwurrung (Wurundjeri) and Wadawurrung (Wathaurung) people of the Kulin Nation on our Melbourne campuses, and the Gadigal and Guring-gai people of the Eora Nation on our Sydney Campus. These groups are the custodians of University land and have been for many centuries.

# THE NEW WAY TO DO UNI

When you choose Victoria University (VU), you choose a university that boldly embraces a new way of learning. Here are four reasons to get excited about starting your course at VU.

## VU Block Model: the smarter way to study

Inspired by proven success in universities across Canada, the USA and Sweden, we introduced a smarter, more engaging way to study, that sets you up for success in learning and in your career – the VU Block Model. With the VU Block Model, you focus on one or two subjects at a time. Learning in interactive, workshop-style classes, you get to know your classmates and teacher, apply your knowledge to real-world scenarios, and receive timely feedback.

## Industry-based learning

We have thousands of industry connections and partnerships across teaching and research. Our courses are designed in consultation with industry leaders so that you develop the skills that employers are looking for. There are an exciting range of placement and internship opportunities where you will gain experience and the confidence to set you up for career success. In 2021, VU and VU Polytechnic students participated in more than 19,700 placements, facilitated by our Work Integrated Learning program. We're also bringing industry partners onto campus, so you can deepen your connections with industry as part of your course.

## Our VU community

When you study with us, you will join a diverse, inclusive and connected community. You'll share classes and conversations with students and teachers from a diverse range of cultural backgrounds. On campus and at VU events, you'll meet inspiring people and make lifelong friends and connections. We're here to offer support when you need it, and connect you to services within the University and the broader community. As a VU student you will have the opportunity to get involved in transformative projects in the west of Melbourne and beyond – and contribute to our shared future. And, when you graduate, you will join a community of over 270,000 VU alumni living and working around the world.

## Study your way: pathways between courses

There's more than one way to succeed in your career, and VU provides multiple ways for you to achieve a world-class education. VU is one of only six universities in Australia to offer courses in both TAFE and higher education. From certificates to diplomas, degrees and postgraduate courses, you can begin your studies and pathway between courses to achieve your goals. Completing a TAFE course can help you enter the workforce sooner and provide you opportunities to complete further studies while you are working, earning while you learn.

Choose The New Way To Do Uni – choose VU.

# VU BLOCK MODEL — THE SMARTER WAY TO STUDY

Experience a smarter, more engaging way to study with the VU Block Model, where you focus on one or two subjects at a time. Inspired by similar models across North America and Europe, the award-winning VU Block Model is a proven success with students, educators and employers.

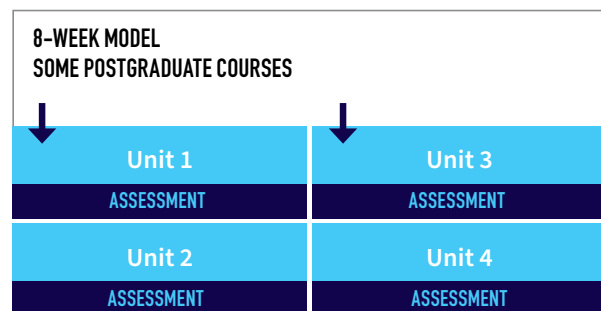

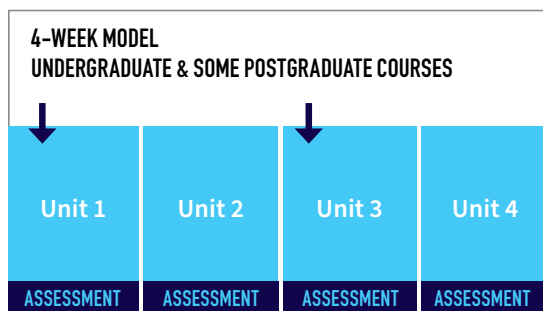

## HOW IT WORKS

Instead of juggling multiple subjects (units) at the same time, at VU you complete one subject at a time over a four week 'block', usually with three, three-hour classes per week. Typically, you finish your block on a Friday and receive your results on the following Monday, meaning you can move into your next block with a sense of achievement. Some postgraduate courses are offered with two subjects studied at a time over an eight-week period, allowing for deep, focused learning,

**3 DAYS  
PER WEEK**

**3-HOUR  
CLASSES**

MAX  
**35 STUDENTS  
PER CLASS**

## WHY IT'S SMARTER

### Interactive, Connected and Collaborative

At VU, we've waved goodbye to lecture theatres. Instead, you'll learn in interactive, workshop-style classes — where teachers know you and you know your classmates. Each class, you'll collaborate, put theory into practice with real-world scenarios, and get timely feedback on your assessments. It's a more connected and engaging way to learn. Students agree — ranking VU number one in Victoria for learning engagement.<sup>^</sup>

### Develop Critical Problem-Solving Skills

The VU Block Model's focus on developing problem-solving skills in real-world applications, and the ability to work collaboratively in teams, better prepares you for the workplace. Australian employers agree — ranking VU graduates number one in Australia for employability skills for a second year.\*

### Focused Timetabling = More Free Time

The focused timetabling of the VU Block Model means you have more time for work, socialising, sport, caring responsibilities, and everything else that's important to you.

### First Year College

VU is the only university in Australia to have a First Year College for undergraduate students. Staffed by specialist subject matter experts and educators, the First Year College is focused on helping you make an easy transition from high school or work into life as a university student, setting you up to succeed and excel in your studies and career.

How does First Year College work? The College is set up as a close-knit, multidisciplinary team of specialist educators who work collaboratively to design and implement coursework that is engaging, authentic and focused on your future success at university. Because they work in a cross-functional College, they get to know you more closely and make sure you have exactly what you need to get where you want to go to reach your aspirations.

For more information and to hear from the Dean of the First Year College, visit [vu.edu.au/about-vu/our-teaching-colleges-schools/first-year-college](https://vu.edu.au/about-vu/our-teaching-colleges-schools/first-year-college)

# PARTNERING WITH INDUSTRY

We have a strong and diverse network of partners and thousands of industry connections to support you in your learning and your future career.

Our industry connections enable you to:

- Develop skills that are in-demand by industry, with courses designed in consultation with industry leaders.
- Gain practical experience and grow your professional networks with our exciting placement and internship opportunities.
- Apply your knowledge to current, problem-based scenarios, working with, and learning from, our on-campus industry partners.
- Get involved locally and contribute to our shared future in the west of Melbourne and beyond, through VU's local partners and our pivotal role in transformative projects, including the new Footscray Hospital and Westgate Tunnel.
- Learn from and connect with individuals in our partner network, including CEOs, industry leaders and other specialist staff, including VU alumni working in industry.
- Gain industry insights through organised tours and on-site events.
- Learn more at [vu.edu.au/partnerships](http://vu.edu.au/partnerships).

# WESTERN BULLDOGS

Our unique association with the Western Bulldogs Football Club began in the 1980s. It has grown to include all four teams (AFL, AFLW, VFL and VFLW), and our innovative VU Whitten Oval campus.

100 VU students undertake placements with the Bulldogs and the Bulldogs Community Foundation each year.

Placement opportunities are available for students completing business, education, psychology, sport and health degrees.

More than 50 Western Bulldogs staff are VU alumni.

Our joint funded sports science team, led by a VU Alumni, supervises students undertaking research in sports science, data analytics, strength and conditioning, and psychology.

VU pre-service teachers help to facilitate the Bulldogs Friendly Schools 'Footy in Schools' program in western Melbourne primary schools.

VU massage therapy students gain hands-on experience treating Bulldogs players and members of the public at our VU Whitten Oval Massage Clinic.

# WESTERN HEALTH

VU and Western Health have joint expertise in health, research and education. The focus of our 2025 Alliance Plan is to optimise this joint expertise to benefit the west of Melbourne.

Crucial to this is providing connections to Western Health's professionals, so that you can learn in the workplace and gain firsthand experience while you study.

Each year, almost 1,000 VU students complete clinical placements at Western Health locations.

In total, VU students complete over 110,000 hours of work-based learning at Western Health every year.

Over 40% of nurses employed at Western Health are VU alumni.

Sunshine Clinical School teaching space at Sunshine Hospital includes simulation spaces for all third- and fourth-year nursing and midwifery dual degree students.

VU staff and students are located within the Sunshine Hospital's Western Centre for Health Research and Education, including the Colleges of Health & Biomedicine, Sport & Exercise Science, and research aligned to the Institute for Health & Sport.

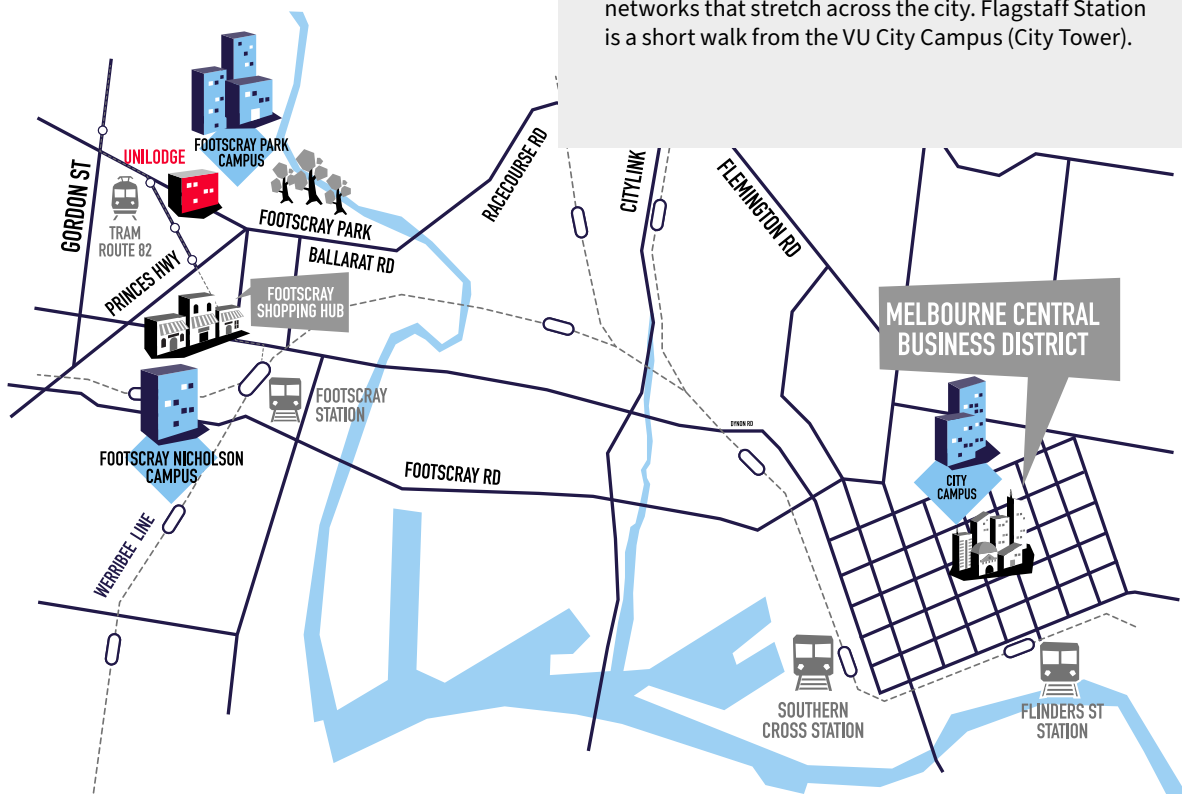

The new Footscray Hospital (to be opened in 2025) will be accessible from our Footscray Park Campus via a footbridge. Students will be able to access VU dedicated education and research facilities at the hospital.

# 5 REASONS TO CHOOSE MELBOURNE

## 1. EXTENSIVE PUBLIC TRANSPORT

Melbourne has an excellent public transport network that makes it safe, easy and affordable for students to travel to campus, work and around the city. All VU campuses are a short walk from public transport and our city campus operates within Melbourne's Free Tram Zone. Melbourne has extensive tram and train networks that stretch across the city. Flagstaff Station is a short walk from the VU City Campus (City Tower).

## 2. AUSTRALIA'S BEST STUDENT CITY

Melbourne is the best student city in Australia and the fifth-best student city in the world, according to the QS Best Student Cities 2023. It is a vibrant, multicultural city and home to one of the world's most diverse student communities. Melbourne is full of the attractions that make the Australian lifestyle so appealing – beautiful beaches, friendly people and a fair proportion of sunny days!

Melbourne is renowned for its great restaurant and café options, and its beautiful parks and boulevards. It is also one of the safest cities in the world (Economist Intelligence Unit *Safe Cities Index* 2021).

### 3. AUSTRALIA'S CULTURAL CAPITAL

Known as the cultural capital of Australia, Melbourne's annual calendar includes theatre, comedy, dance, art, film, fashion and a range of multicultural celebrations. Melbourne has more live music venues per capita than any other city in the world and hosts major international artists and performers. It also has incredible museums and is known as one of the world's leading street art cities, with many of its laneways acting as free open-air galleries.

[visitvictoria.com](http://visitvictoria.com)

### 4. WORLD-CLASS SPORT

Melbourne is one of the world's great sports cities and hosts some of the biggest and best events including the Australian Open (tennis), the Australian Formula 1 Grand Prix, the Melbourne Cup (horse racing), Australian Football League (AFL) and international cricket matches. Our world-class sporting precinct includes the iconic Melbourne Cricket Ground, AAMI Park and Melbourne Park. There are also lots of community sports clubs and public sport facilities, including cycling paths, basketball and tennis courts, and swimming pools.

### 5. FOOD FOR ALL TASTES

Cuisine from almost every part of the world can be found in Melbourne, with options to suit all budgets. Cuisines include Chinese, Indian, Vietnamese, Japanese, Korean, Sri Lankan, Malaysian, Thai, Spanish, Italian, Greek, French, Sudanese, Somali and Mexican. Many delights can be found in our local markets too. Queen Victoria Market is the biggest market of its kind in Australia with shops and stalls and even foodie tours, while Footscray Market offers everything from fresh vegetables and seafood to lotus flowers and cassava root!

# STUDENT SUCCESS STORIES

Home to Australia's most employable graduates, VU is also the third-highest ranked university in Australia for Learner Engagement (2020 QILT Student Experience Survey). This survey demonstrates how satisfied current students are with their experience. Here is a snapshot of our latest student and alumni successes.

## TOOLSIKA – MAURITIUS

Bachelor of Psychology/Bachelor of Criminal Justice

When Toolsika decided to move from Mauritius, she was keen to find a university that would help her adjust to life in Australia. At VU, she found a course that accommodates her two passions, justice and psychology, and a uni that feels like a home away from home.

“I found the Bachelor of Criminal Justice and Psychological Studies at VU, which accommodates my two passions. This course gives me the option to either pursue a career that combines psychology and justice or follow the field that interests me the most. VU focuses on practice as well as theory, which is crucial to me studying human behaviour and psychology; and will best prepare me for my life and career.”

## PIR – INDONESIA

Doctor of Philosophy (Integrated)

Pir's passion to drive sustainable tourism in Indonesia brought him to VU, where he has achieved more than he ever thought possible. Pir chose to study at VU for many reasons, one being that VU's tourism research program is one of the best in the world.

“I am so proud to be a part of one of VU's research teams because it consists of such high-ranking scholars and academics, three of whom are my supervisors.

VU provides a very high-class library which enables me to delve deep into a substantial number of academic journals and articles. Also, there is a dedicated PhD student office that makes the life of doctoral students here so different compared to colleagues in my hometown.”

## TIEN – VIETNAM

Doctor of Philosophy

Tien pivoted from a career in tourism to a Doctor of Philosophy at Victoria University (VU) on cruise tourism in Ho Chi Minh City. Not only has her PhD given Tien a new way to explore her passion for tourism, but it has also provided her with an opportunity to develop the tourism industry in her home country through research.

“I think my PhD course is a special stage in life that is helping me to explore and develop myself. Like other higher degree by research (HDR) students, I have experienced some challenges during my PhD. However, after these challenges, the lesson that I’ve learned is if I fall down seven times, I’ll get up eight.”

## AVERY – MALAYSIA

Master of Sport Business

With a passion for sports and an undergraduate degree in international business from her home country of Malaysia, Avery chose VU for its reputation as a leading sports university in Australia’s sporting capital.

“I decided I wanted to live in Melbourne because it’s one of the best sports cities in the world, and whenever I searched the internet for sports universities in Melbourne, VU kept coming up.

The people they bring in to teach us are leaders in the field and the knowledge they give us is second to none. I don’t think I’d have that opportunity anywhere else in the world, to be honest.”

## ROBIN – KENYA

Master of Engineering

When Robin decided to expand on his engineering expertise, he was drawn to further studies in renewable energy, and to a university with a global reputation.

“Victoria University appealed to me because of its reputation as a top 2% global institution, and when I searched LinkedIn, I was impressed with the careers of VU graduates in my field. VU’s ethos as welcoming and diverse also attracted me.

It is also one of the only universities in Australia to offer the Master of Engineering in Power Engineering, with a focus on renewable energy.”

# VU ENGLISH

We offer a wide range of English Language Intensive Courses for Overseas Students (ELICOS) at our City Campus (City Tower) in the centre of Melbourne.

Our courses improve your English for life, university study and work. They are also a pathway to our academic courses. Our classes are run by experienced and qualified ELICOS teaching staff. As a VU English student, you have the option of attending additional free classes and taking part in a range of social activities to further improve your English language skills.

VU English is home to a Pearson Test Centre. The Pearson Test of English (PTE) Academic is the leading computer-based English test. It assesses listening, reading, speaking and writing in a single three-hour test. Test results are for university, work and migration applications.

## General English (GE)

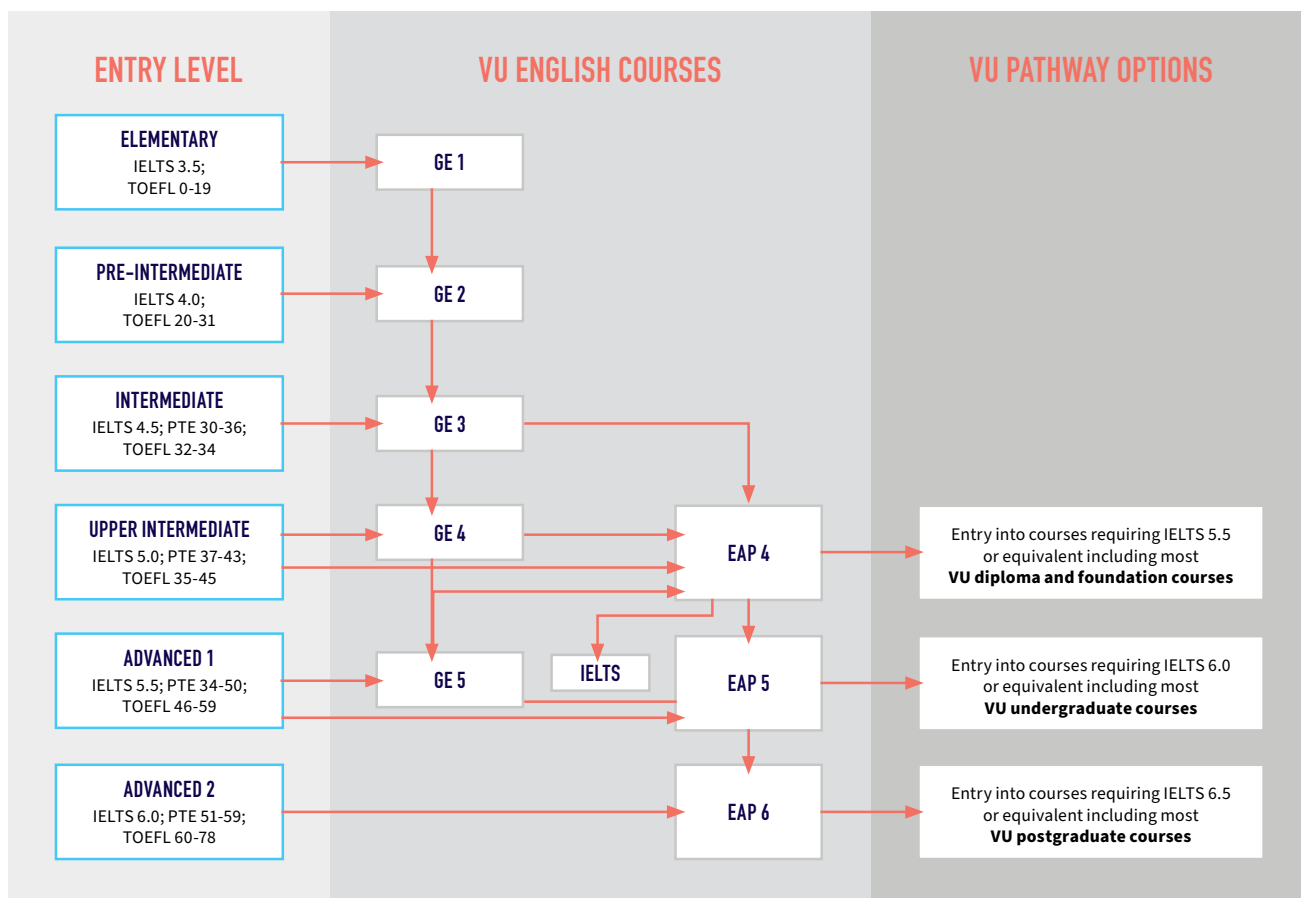

Designed for students with beginner to intermediate levels of English for everyday use, speaking, listening, reading and writing, and for entry into the English for Academic Purposes course.

## English for Academic Purposes (EAP)

Designed for students with upper-intermediate to advanced levels of English who want to study foundation, vocational education (TAFE), Higher Education (HE) diploma, undergraduate or postgraduate courses at VU.

## English for Academic Purposes - IELTS Preparation

A unit designed to help students succeed at the IELTS test.

Some VU courses require higher English language proficiency to gain entry. Please check course requirements at [vu.edu.au/international](http://vu.edu.au/international) or page 88 of this course guide.

## GENERAL ENGLISH

Our General English courses are offered at five levels, from Elementary through to Advanced. Develop your English language skills in speaking, listening, reading and writing.

COURSE LOCATION	LEVELS	COURSE CODE	CRICOS CODE
City Campus (City Tower)	GE 1 (Elementary) GE 2 (Pre-Intermediate) GE 3 (Intermediate) GE 4 (Upper Intermediate) GE 5 (Advanced)	VNENG	059112E
COURSE FEE	ENTRY	DURATION	INTAKES
A\$460 per week (plus A\$200 enrolment fee)	VU English Placement Test	5-10 weeks per level depending on proficiency	January, February, March, May, June, July, August, October, November

## ENGLISH FOR ACADEMIC PURPOSES

Study at three levels, from Upper Intermediate to Advanced. This course is your pathway into academic courses at VU.

COURSE LOCATION	LEVELS	COURSE CODE	CRICOS CODE
City Campus (City Tower)	EAP4 (Upper Intermediate) EAP5 (Advanced 1) EAP6 (Advanced 2)	VNELI	082777E
COURSE FEE	ENTRY	DURATION	INTAKES
A\$460 per week (plus A\$200 enrolment fee)	EAP4: IELTS 5.0, VU English Placement Test or completion of GE3. EAP5: IELTS 5.5 or completion of EAP4. EAP6: IELTS 6.0 or completion of EAP5.	5-10 weeks per level depending on proficiency	EAP4: January, February, March, May, June, July, August, October, November EAP5: January, February, March, May, July, August, October, November EAP6: March, May, July, August, October, November

## ENGLISH FOR ACADEMIC PURPOSES: IELTS PREPARATION

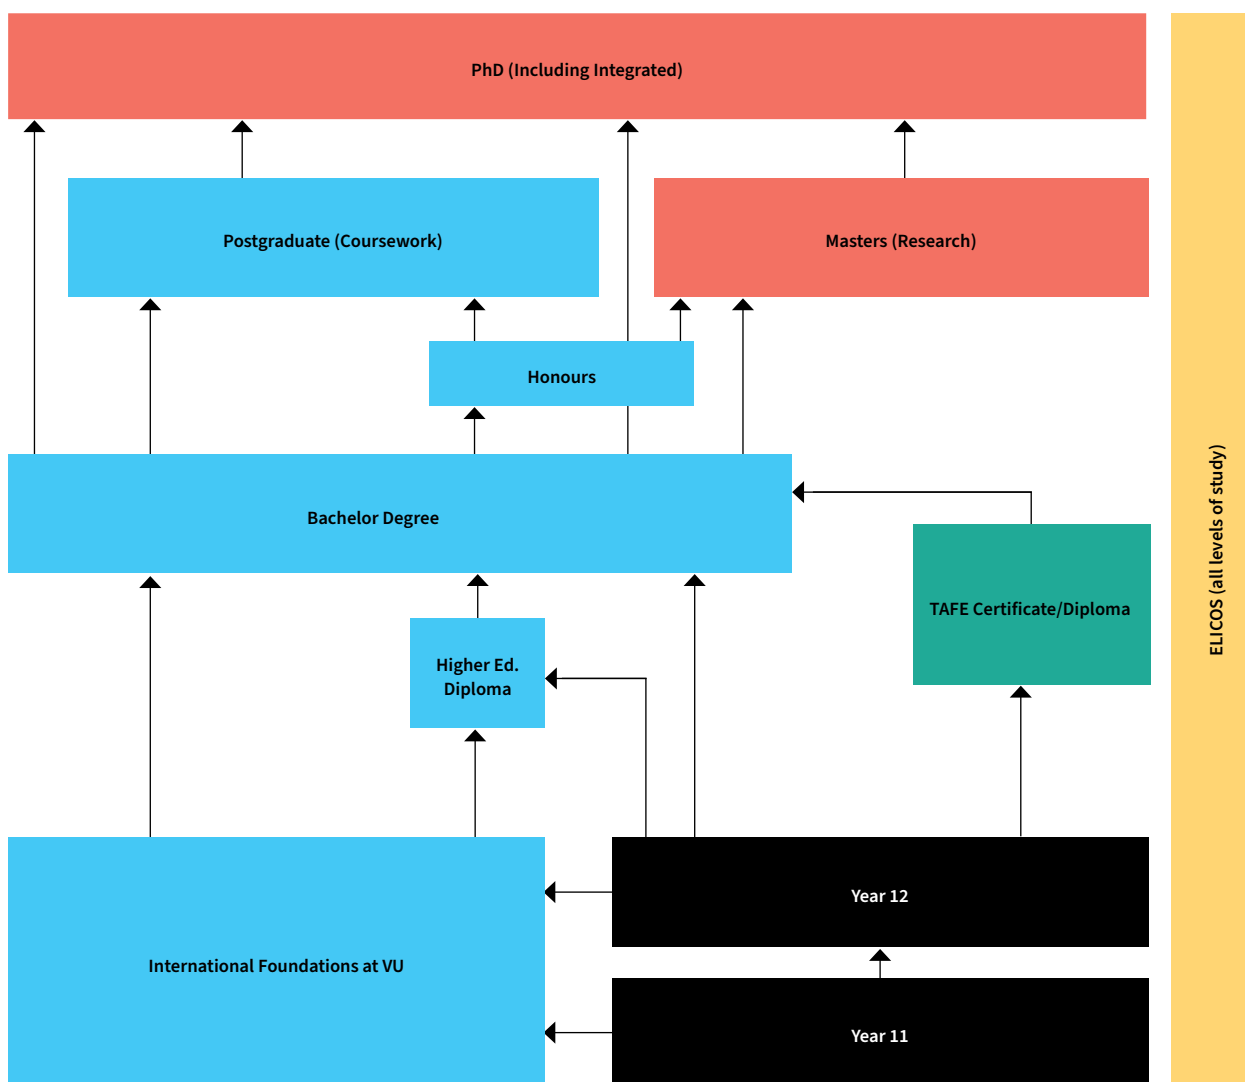

Develop English language skills and test strategies to help you pass the IELTS test. This course is suitable for students with upper-intermediate to advanced levels of English.

COURSE LOCATION	LEVELS	COURSE CODE	CRICOS CODE
City Campus (City Tower)	IELTS 5 (Advanced 1)	VNEAP	082777E
COURSE FEE	ENTRY	DURATION	INTAKES
A\$460 per week (plus A\$200 enrolment fee)	IELTS 5.5, VU English Placement Test or completion of VU English EAP4	5 weeks	January, June, December

# PATHWAYS & CREDIT

There are many ways to start your studies at VU. As one of only six dual-sector universities in Australia, VU offers foundation studies, vocational certificates and diplomas, higher education diplomas and English language courses. Successful completion of a pathway

course provides admission to a higher level course. Our vocational and higher education diplomas even provide you with academic credits, reducing the time it will take to complete your studies.

When you complete a course that is a guaranteed pathway to your chosen higher education course, you will be eligible for an offer into your chosen course, provided you meet any additional admissions requirements.

International students have a range of pathway options - International Foundations, Higher Education (HE) diplomas, and vocational courses offered by VU Polytechnic.

Check the course page for the primary course in which you are interested to see what pathway options exist. International Foundations has pathways into most VU bachelor degrees.

## International Foundations

The International Foundations program is your pathway to degree programs at VU. It is an alternative to completing an Australian Year 12 certificate and provides a supportive learning environment as you adjust to living away from home.

Successful completion is a guaranteed pathway into HE diplomas and the first year of VU degrees.

## INTERNATIONAL FOUNDATIONS AT VU

COURSE NAME	CRICOS CODE	INTAKE AND CAMPUS	FEE (PER TRIMESTER)	DURATION	ENGLISH LANGUAGE REQUIREMENT <sup>^</sup>	ACADEMIC REQUIREMENT	UNITS OF STUDY
Standard (JQAG)	096078F	June and October  City Campus (City Tower)	A\$11,220	26 weeks	IELTS 5.5 (no band less than 5.0)	Equivalent Australian Year 11 or 60%	8 units (8 must be completed including 2 core units)
Extended (JQAH)	096079E	February and June  City Campus (City Tower)	A\$11,220	39 weeks	IELTS 5.0 (minimum of 5.0 in writing)	Equivalent Australian Year 11 or 50%	12 units (12 must be completed including 4 core units)

<sup>^</sup> Please refer to the VU website for country-specific academic requirements.

## Higher Education Diplomas

Our one-year HE diplomas have the same curriculum as the equivalent degree, but with extra English language support. Successful completion of a diploma is a guaranteed pathway into the second year of some VU bachelor degrees (or credits towards these degrees). If you want to study a degree but don't feel fully prepared or lack certain prerequisites, these are good options for you.

VU's HE diplomas are designed to prepare international students for success in the second and third years of undergraduate study.

We offer the following one-year HE diplomas:

- Diploma of Business (Enterprise) – page 21
- Diploma of Education Studies – page 32
- Diploma of Information Technology – page 51

## VU Polytechnic

We offer accredited vocational education certificates and diplomas. Your learning environment features state-of-the-art facilities including an in-hospital simulation laboratory, interactive mannequin technology and three commercial kitchens. You will gain industry experience through work placements and industry projects. Successful completion of an eligible VU certificate or diploma is a pathway to other relevant VU courses. You will also be job-ready to meet employer needs.

SIT30816 Certificate III in Commercial Cookery + SIT40516 Certificate IV in Commercial Cookery + SIT50416 Diploma of Hospitality Management <b>2 years</b>	➤	Bachelor of Business <b>2 years</b>
SIT60316 Advanced Diploma of Hospitality Management <b>1.5 years</b>	➤	Bachelor of Business (Tourism and Hospitality Management major) <b>1.5 years</b>
SIT50416 Diploma of Hospitality Management <b>1 year</b>	➤	Bachelor of Business <b>2 years</b>
SIT60316 Advanced Diploma of Hospitality Management <b>1.5 years</b>	➤	Bachelor of Business (Tourism and Hospitality Management major) <b>1.5 years</b>

## Popular Admissions Pathways to Postgraduate Teaching and Education Degrees

If you have a bachelor degree from any discipline, you may choose to apply to enter the Master of Teaching (Primary or Secondary Education) or the Graduate Diploma in Early Childhood Education.

VU's Bachelor of Education Studies provides a pathway into the Master of Teaching (Primary or Secondary Education), and the Bachelor of Early Childhood Education is a pathway into the Master of Teaching (Primary Education). The Graduate Diploma in Early Childhood Education also offers a pathway into the Master of Education.

## Credit

Credit for prior study reduces the length of your course and allows you to graduate sooner, by recognising your previous learning outcomes and qualifications. Many guaranteed pathways and popular admissions pathways provide credits towards other diplomas and degrees where learning outcomes match.

## How Credit Works

Most units (subjects) equal 12 credit points. Studying full-time, you will complete between 3–4 units per semester. 48 credit points is equivalent to one semester, and 96 credit points is equivalent to a year full-time study. Most bachelor degrees are three to four years of equivalent full-time study.

## Credit Calculator

Use our credit calculator to find out what credits you may be eligible to receive towards completion of your course. Don't worry if your prior studies are not listed in the calculator — apply to have your credit assessed and you might be the first.

# SCHOLARSHIPS

VU is proud to offer a range of university-funded scholarships to support students, as well as to accept recipients of scholarships funded by the Australian Government, Victorian State Government and governments of other countries.

## VU Scholarships

A scholarship provides financial assistance during your study. Some scholarships cover tuition fees and living allowances, while others provide only partial funding towards tuition fees.

All scholarship applicants must meet VU's academic entry requirements, in addition to any eligibility requirements for their scholarship.

[vu.edu.au/international-scholarships](http://vu.edu.au/international-scholarships)

## Australia Awards Scholarships

Australia Awards Scholarships are offered by the Australian Government and administered by the Department of Foreign Affairs and Trade (DFAT). They provide opportunities to citizens of participating countries from Asia, the Pacific, the Middle East and Africa, for full-time undergraduate or postgraduate study at Australian institutions. They contribute to the long-term development needs of Australia's partner countries. The scholarships include tuition fees, flights, a living allowance, Overseas Student Health Cover and academic support.

[dfat.gov.au/australia-awards](http://dfat.gov.au/australia-awards)

## Foreign Government Scholarships

We welcome students with scholarships from their home government or organisations worldwide, including:

- Ministry of Higher Education (Kuwait, Oman, Saudi Arabia)
- East Kalimantan Provincial Government (Indonesia)

VU Polytechnic students preparing lunches for the VU Thank You initiative

# BUSINESS

Globalisation, digitalisation and workplaces have changed the way we do business today. Victoria University Business School will prepare you with the technical and professional skills, networks and confidence you need to adapt to this changing environment and succeed in business.

VU's Bachelor of Business offers 12 majors – you can choose to undertake two majors, a major and a minor course of study, or perhaps a major and a selection of units designed to make you stand out to your dream employer. You can complete a double degree combining a degree in law, psychological studies and sports management with a degree in business.

Explore Business

## WORK INTEGRATED LEARNING

You will complete work integrated learning through an internship, clinic placement or project interaction with industry. It is a compulsory part of the Bachelor of Business degree. In addition, you will complete an industry-based project in your third year that will involve solving real-world business issues in a group environment.

## INDUSTRY INTERACTION

You will have opportunities for industry interaction, in addition to work integrated learning. These opportunities include industry guest speakers or interviews, industry visits, and/or participation in professional body events.

## PERSONALISE YOUR DEGREE

Focus on what you want from your degree and your career with three personal units, and with a personal career plan that focuses on what you want to achieve and study, and which is updated throughout your degree.

“

**ONE OF THE BEST PARTS OF THE COURSE IS THE SIGNIFICANT SAP COMPONENT. I FEEL PRIVILEGED TO HAVE USED IT AND LEARNED FROM TEACHERS WHO ARE SO SKILLED FROM THEIR OWN PROFESSIONAL EXPERIENCE.**

”

**SUMANTH (INDIA)**

Tourism and Hospitality Management  
Aboriginal Yulendj (Knowledge) and Community  
Sport and Active Communities

# BUSINESS MAJORS

## Accounting

Become a financial expert and inform better business decisions for global and Australian companies. Careers include accountant, business analyst, auditor and financial adviser. In this major, you will develop skills in corporate and financial accounting, information systems and auditing.

## Banking & Finance

Understand the complexities of corporate finance and the intricate workings of financial markets and investment management.

## Business Analytics

Gain skills to solve business problems, create new opportunities and run the market. Learn about data science, data visualisation, machine learning and artificial intelligence (AI), and turn these skills into business profit.

## Event Management

Gain the skills to create, manage and market impactful events with this nationally recognised and industry-endorsed major. Launch your career in events and conference coordination, fundraising and sponsorship, exhibitions, marketing and PR, account management and sustainable operations.

## Financial Risk Management

Gain the specialist knowledge and business skills to solve the complex challenges faced by businesses in the financial sector. Launch your career in the fast-paced field of financial planning, banking, stockbroking, superannuation, insurance, investment, risk or funds management.

## Human Resource Management

Learn strategies to successfully manage human resources, professional development, and employee law. Our industry-accredited course will prepare you to meet worldwide standards of excellence, with practical skills relevant to the work environment.

## Information Systems Management

Pursue a global career in business analysis, project management or e-business, while becoming an expert in information systems and modelling digital commerce and management. Careers include systems or business manager, programmer, applications developer and network administrator.

## International Trade

Gain the expertise to inform international trade through an understanding of core economic principles and a focus on strategies to improve trade and investment. Careers include import/export administrator, trade negotiator and international operations manager or marketer.

## Management & Innovation

Whether you're an entrepreneur or pursuing a career within organisations, you'll build your management skills and creativity. Your theoretical and practical skills will build innovative, ethical organisations through the management of creative mobile workforces.

## Marketing

Become a switched-on marketer, connecting brands, products and services with their target markets. Gain expertise in marketing research, consumer behaviour, and international marketing and strategy.

## Supply Chain & Logistics Management

Begin your exciting global career in logistics and supply chain management, and export/import operations. Specialise in importing, procurement, customs, inventory flow and control, shipping, distribution and supply chain analytics.

## Tourism & Hospitality Management

Combine your love of travel, fine dining and events with a career you're passionate about. Gain the skills and knowledge to develop, manage and market sustainable tourism products, experiences, businesses and destinations.

Victoria University's new 32-storey VU City Tower forms the striking centrepiece of a new VU campus in the heart of Melbourne's CBD. It reflects VU's ambitious vision to become a global leader in dual-sector learning and research.

VU City Tower offers a diverse range of higher education (undergraduate and postgraduate) and TAFE courses, and is the home of Victoria University's Business School.

With partnership at its core, the VU City Tower offers students and staff outstanding opportunities to engage and work with leading businesses, industry sectors and legal professionals, both on campus and at its doorstep.

VU's Business School houses Australia's first SAP Next Gen Lab. The lab connects students, and researchers, with SAP customers and partners to develop new technology innovations.

## MASTER OF PROFESSIONAL ACCOUNTING

[vu.edu.au/courses/international/BMAQ](http://vu.edu.au/courses/international/BMAQ)

	<b>COURSE CODE:</b> BMAQ <b>CRICOS:</b> 103254K
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, April, August, October, November
	<b>2023 FEES</b> A\$16,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A degree in any discipline equivalent to an Australian undergraduate degree or higher.
<b>ACCREDITATION:</b> Chartered Accountants Australia & New Zealand, CPA Australia

Business Analytics and Visualisation  
Mobile Computing Application Programming  
Experience Management  
Analytics Project Management

### ELECTIVE UNITS

Internship  
Study Tour  
Predictive Analytics  
Artificial Intelligence and Machine Learning for Business

## MASTER OF FINANCE

[vu.edu.au/courses/international/BMFA](http://vu.edu.au/courses/international/BMFA)

 <b>COURSE CODE:</b> BMFA <b>CRICOS:</b> 103255J	 <b>DURATION</b> 2 years
 <b>2023 INTAKES</b> February, April, August, October, November	 <b>2023 FEES</b> A\$16,400 per semester
 <b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)	 <b>ADMISSIONS CRITERIA</b> A degree in any discipline equivalent to an Australian undergraduate degree or higher.
 <b>LOCATION:</b> City Campus (City Tower)	

### COURSE DESCRIPTION

The Master of Finance prepares you for a financial specialisation to help you become a high performer in the financial services field. It is an effective path towards a senior role in business, or in shaping public policy. You will gain valuable expertise in global financial markets and their operations. You will also benefit from hands-on practice using virtual trading systems and real-world databases to graduate job-ready for work in this competitive sector.

### GRADUATE OUTCOMES

Graduates from the Master of Finance will be able to find work in fields like financial strategy, planning, fund management, securities trading, financial risk management, financial analysis, and corporate treasury management.

## MASTER OF HUMAN RESOURCE MANAGEMENT

[vu.edu.au/courses/international/BMHR](http://vu.edu.au/courses/international/BMHR)

 <b>COURSE CODE:</b> BMHR <b>CRICOS:</b> 103518B	 <b>DURATION</b> 2 years
 <b>2023 INTAKES</b> February, April, August, October, November	 <b>2023 FEES</b> A\$16,400 per semester
 <b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)	 <b>ADMISSIONS CRITERIA</b> A degree in any discipline equivalent to an Australian undergraduate degree or higher.
 <b>LOCATION:</b> City Campus (City Tower)	<b>ACCREDITATION:</b> Australian Human Resources Institute

### COURSE DESCRIPTION

This specialised business course teaches the latest concepts and issues in human resource (HR) management. These are highly sought-after skills that can help you progress into challenging leadership and management roles. You will gain expertise in various topics from our industry-connected and experienced instructors, including in contemporary employment systems, employment law, industrial relations, strategic human resource management, performance management, rewards, and managing workplace conflict.

### GRADUATE OUTCOMES

Graduate with skills that could lead to positions such as human resource executive, employee relations manager, industrial relations manager, union official or representative, project consultants, and industrial relations or employee relations specialists.

## MASTER OF MARKETING

[vu.edu.au/courses/international/BMKT](http://vu.edu.au/courses/international/BMKT)

 <b>2023 INTAKES</b> February, April, August, October, November	 <b>2023 FEES</b> A\$16,400 per semester
 <b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)	 <b>ADMISSIONS CRITERIA</b> A degree in any discipline equivalent to an Australian undergraduate degree or higher.
 <b>LOCATION:</b> City Campus (City Tower)	<b>ACCREDITATION:</b> Australian Marketing Institute

### COURSE DESCRIPTION

This specialised marketing course will equip you with the knowledge and practical skills to advance your career in this exciting sector. Through our industry connections and experienced lecturers, you will learn to create and execute successful marketing strategies for local and global businesses and not-for-profit organisations. You will develop skills to formulate and implement industry projects that address complex marketing problems and inform management decision-making through genuine workplace experiences to put theory into practice in the workplace, delivering genuine marketing recommendations within a business setting.

### GRADUATE OUTCOMES

You will graduate with the knowledge and skills to work in a range of marketing and management roles and industries ranging from large corporations to not-for-profit organisations.

## MASTER OF SUPPLY CHAIN MANAGEMENT

[vu.edu.au/courses/international/BMSU](http://vu.edu.au/courses/international/BMSU)

 <b>COURSE CODE:</b> BMSU <b>CRICOS:</b> 103521G	 <b>DURATION</b> 2 years
 <b>2023 INTAKES</b> February, April, August, October, November	 <b>2023 FEES</b> A\$16,400 per semester
 <b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)	 <b>ADMISSIONS CRITERIA</b> A degree in any discipline equivalent to an Australian undergraduate degree or higher.
 <b>LOCATION:</b> City Campus (City Tower)	<b>ACCREDITATION:</b> Chartered Institute of Procurement & Supply

### COURSE DESCRIPTION

Designed for professionals in the field of operations, procurement, warehousing, global trade and transport, the Master in Supply Chain Management develops your real-world experience through internships and industry visits. During your study, you will have access to SAP-SCM and SAP-PP (production and planning) software, teaching you to plan, source and deliver goods in an optimised way.

### GRADUATE OUTCOMES

On graduation, you will have skills and expertise in complex and current supply chain models, concepts and strategies, specialising global procurement and operations management, and green logistics and supply chain strategies in a global context.

# CREATIVE ARTS & HUMANITIES

Our broad range of creative arts and humanities courses combine a strong theoretical foundation with practical projects and placements with partner organisations. This industry-connected approach means you'll be prepared with skills, connections and the confidence you need to launch an exciting career.

You can contribute to local culture in Melbourne's west on exciting placements spanning the arts, culture and local councils.

Explore Creative Arts & Humanities

## 150+ PROFESSIONAL PARTNERS

VU Creative Arts & Humanities students have undertaken placements and internships at 150+ organisations including the Australian Broadcasting Corporation (ABC), Arts and Industry Festival, Brimbank Writers and Readers Festival, VicScreen, Channel 31, Foxtel, SBS TV and more.

## ABC

Our partnership with the ABC includes embedding journalists in the west of Melbourne, and it will also provide opportunities for VU Screen Media students to take part in industry placements in ABC newsrooms.

## TOP 10 IN THE WORLD FOR PEACE, JUSTICE & STRONG INSTITUTIONS

Studying arts and humanities at VU, you will gain a deeper perspective: we're ranked equal 10th in the world for contributions to the United Nations Sustainable Development Goals for Peace, Justice & Strong Institutions.

“

**VU WAS A GATEWAY TO THE CAREER I WANTED WITH A VERY SPECIALISED MASTERS DEGREE.**

”

“Many units were taught by working professionals who shared their practical experience and offered great networking opportunities.”

**SANDHYA (MAURITIUS)**

## BACHELOR OF MUSIC

[vu.edu.au/courses/international/ABMC](http://vu.edu.au/courses/international/ABMC)

<b>C</b>	<b>COURSE CODE:</b> ABMC <b>CRICOS:</b> 077998A	<b>D</b>	<b>DURATION</b> 3 years
<b>B</b>	<b>2023 INTAKES</b> February, August	<b>\$</b>	<b>2023 FEES</b> A\$13,700 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall score of 6.0 (with no band less than 6.0)	<b>✓</b>	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

This course focuses on popular and contemporary music. You'll develop your music knowledge, technical fluency and creativity. Through practice, cultural analysis and critical listening, you'll discover an inspiring variety of musical styles. Areas of study include music performance, music theory, song writing and arranging, popular music culture and history, and music technology. Considered one of the best live music cities in the world, Melbourne offers a range of performance opportunities. You'll also have access to cutting-edge music technology and our commercial recording facilities at Kindred Studios. All students should be able to read music notation. If you've studied music performance or worked as a musician, you may be eligible for advanced standing and credits towards your degree.

**JEEHOON (SOUTH KOREA)**  
Bachelor of Screen Media

After graduating from VU, Jeehoon Choi worked at SBS in Sydney as a social media videographer – a role he describes as “the best thing that can happen to a media graduate”. He believes saying ‘yes!’ to every opportunity during his studies was the key to his success. “VU truly is a university of opportunity. It’s up to you how you make the most of it.”

# ARTS MAJORS

## Communication Studies

Build practical and analytical skills that are sought-after in a wide variety of communications contexts. Understand the complex relationship between communication and culture, analyse the dominance of mobile communication and its impact, create media narratives that encourage co-creation with audiences and fans, and gain hands-on experience in simulated television and radio production studios.

## Digital Media

With digital media transforming how we work, interrelate and communicate, stand out as a digital media professional with a practical understanding of cybersecurity and trust in online environments, practical skills in SCRUM and agile methodologies and practical skills in user testing. Understand how to design for audiences in a globalised world and build practical skills in digital service design.

## History

Knowledge of the past has always been central to human awareness. For more than a century, the study of history has underpinned the Western liberal tradition. The major of history includes Aboriginal history and political movements (a core subject within the Bachelor of Arts), and studies of the ancient Middle East, medieval and modern Europe, revolutions in France and Great Britain, and the modern history of Russia and the United States.

## Literary Studies

In the Literary Studies major, you will be introduced to different scholarly positions that shape contemporary commentary, and consider the impact of different speaking positions on the field of literary studies. Subjects include: Poetry and Poetics, Romance and Realism, Australian Literature, Children's Literature and Working Class Writing. As part of this major, you will undertake a graduating project.

## Psychology

The accredited Psychology major equips you with a theoretical understanding of a range of psychological topics such as motivation and emotion, biological, cognitive, social, and personality psychology. You will also develop analytical, research and statistical skills, and an understanding of relationships and communication.

## Sociology

Sociologists study a wide variety of topics including education, work and unemployment, the family, health, sex, gender and sexuality, ethnicity and racism, equality, opportunity and inequality, and crime, law and social justice. In the Sociology major, you will gain core sociology knowledge required in a range of public sector, environmental, community sector and service industries, and develop skills in critical thinking, problem-solving and social inquiry.

## Visual Art

Develop your individual art making practises and broaden experience and understanding of fine art history and theory, with the Visual Art major. Conceive, produce and critique artworks incorporating methodologies of painting, drawing, installation, digital art and photography, and develop the capacity to apply these learnings in a variety of contexts.

## Writing

Choose the Writing major to extend your practical and analytical writing skills, and develop your understanding of theoretical concepts in the area of creative and professional writing. Learning and writing in practical workshops, you will develop your writing skills across genres, including in fiction writing, memoir, scriptwriting and journalism.

## BACHELOR OF SCREEN MEDIA

[vu.edu.au/courses/international/ABSN](http://vu.edu.au/courses/international/ABSN)

	<b>COURSE CODE:</b> ABSN <b>CRICOS:</b> 092157F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Develop your passion for storytelling in film, television, radio, online or mobile platforms, while building your understanding of intellectual property rights. You'll learn from teachers who are directly involved in the media industry. You will develop practical skills in media production for online content distribution including streaming sites such as YouTube. We are Australia's first university to achieve Blackmagic Design's DaVinci Resolve Trainer Certification (post-production software).

### GRADUATE OUTCOMES

To ensure you are work-ready when you graduate, you'll complete 80-100 hours of work placement as part of this course. You will be ready to enter and succeed in a range of professional roles that include producer, director, cinematographer, production manager, sound recordist, post-production supervisor, editor, content distributor and cross-platform content creator.

#### YEAR 1

Academic Discourse and Experience

Customer Relationship Management  
Consumer Behaviour  
Digital Marketing  
Business Ethics and Sustainability  
Art and Practice of Leadership  
Managing Innovation and Entrepreneurship

#### YEAR 2

Research Project  
Communicating Research  
72 credit points of Elective studies OR  
Research Thesis (Part 1)  
Research Thesis (Part 2)  
48 credit points of Elective studies

# EDUCATION

Make a difference in the lives of young people and help shape the future by launching your career in education. With an education degree from VU, you can specialise in early childhood, physical education, arts, humanities, social sciences, mathematics, outdoor education, science and more.

An initial teacher education qualification will allow you to register with the Victorian Institute of Teaching and work in a variety of educational settings.

With strong demand for teachers and early childhood educators in Australia and future growth forecasted, now is a great time to begin your studies.

Explore Education

## 1800+ TEACHING PARTNERS

Learn in the workplace while you study, with over 1800 local, national and international placement partners in education and youth work.

## 15 TEACHING MAJORS

Pick from 15 exciting majors in our Bachelor of Education (P-12) and teach your passion at any school level.

## UP TO 621 HOURS IN THE CLASSROOM

Complete up to 621 placement hours in the classroom during your degree. This is well above the hours required for registration as a teacher.

**THE ASSESSMENTS ARE INTERESTING AND CREATIVE. I HAVE BUILT SELF-CONFIDENCE AND FALLEN IN LOVE WITH LEARNING. AND I REALLY APPRECIATE THE BLOCK MODEL. IT MEANS WE HAVE THE TIME TO REVIEW CONTENT, REFLECT AND DO THE ASSESSMENT.**

	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> EBEC: 3 years EBCL: 4 years
	<b>2023 INTAKES</b> EBEC: February, August EBCL: February, August
	<b>2023 FEES</b> EBEC: A\$14,600 per semester EBCL: A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australia Year 12 qualification, including study in mathematics. A Police Records Check and a Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Become an early childhood educator, equipped with the skills and practical experience to teach children from 0-5 years. Our four-year Bachelor of Early Childhood Education and Leadership is a one-year extension of the Bachelor of Early Childhood Education, enabling graduates to register as early childhood teachers in Australian states where a four-year program is required. The course also allows students to top-up their three-year degree with a focus on leadership, ethics and advocacy in their fourth year. Both courses meet the requirements of the Australian Children's Education and Care Quality Authority and include 80 days of supervised teaching experience.

### YEAR 1

Personal and Professional Learning  
Orientation to Education and Human Development  
ICT in Education for the 21st Century  
Healthy, Active Individuals and Communities  
Reconciling Australian Humanities Education  
Educating for STEM  
Numeracy for Education  
Literacy for Education

### GRADUATE OUTCOMES

Thanks to your extensive practical experience in the classroom, you'll be job-ready and qualified to work in Victoria as an early childhood or kindergarten teacher by graduating with the Bachelor of Early Childhood Education. By completing the four-year degree, you'll be eligible to register as an early childhood teacher in other Australian states where a four-year program is required. To be eligible for registration with the Victorian Institute of Teaching, you need to pass the National Literacy and Numeracy Test for Initial Teacher Education.

### YEAR 2

Practice in Partnership 1  
Practice in Partnership 2  
History, Philosophy and Early Childhood Education  
Engaging with Place through Rethinking Childhoods and Development  
Engaging with Place through Play  
Materiality in Early Childhood: Visual and Creative Arts  
Moving with Young Children  
Music, Movement and Dramatic Arts

**The full course structures are on the website.**

## BACHELOR OF EDUCATION (P-12)

[vu.edu.au/courses/international/EBED](http://vu.edu.au/courses/international/EBED)

	<b>COURSE CODE:</b> EBED <b>CRICOS:</b> 071581G
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australia Year 12 certificate, including mathematics. Students need to pass a non-academic attributes assessment, the CASPer test. A Working with Children Check is required for workplace visits, placements and projects.
<b>ACCREDITATION:</b> Victorian Institute of Teaching	

### COURSE DESCRIPTION

VU is one of the few Australian universities to offer a teaching degree that prepares you to work at both primary and secondary level. You will gain extensive hands-on experience, with 80 days of supervised teaching practice and an extended fourth year placement in rural Australian schools, or overseas. Majors include Art, Biology, Environmental Science, Health, Mathematics, Media Studies, Physical Education, Psychology and Outdoor Education.

### YEAR 1

Personal and Professional Learning  
Orientation to Education and Human Development  
ICT in Education for the 21st Century  
Healthy, Active Individuals and Communities  
Reconciling Australian Humanities Education  
Teaching Primary Mathematics 1  
Educating for STEM  
Literacy Across the Continuum 1

### GRADUATE OUTCOMES

You will be eligible for accreditation by the Victorian Institute of Teaching to teach in primary and secondary school settings. Students need to achieve a standard of personal literacy and numeracy skills to register. Completion of the major in Disability Studies provides a qualification to teach in special education settings.

### YEAR 2

Engaging Students: High Expectations for All  
Teaching Primary Mathematics 2  
Teaching Primary Science  
Creativity and the Arts  
24 credit points from major units  
24 credit points from minor or elective units

**The full course structure is on the website.**

### PATHWAYS

## DIPLOMA OF EDUCATION STUDIES

[vu.edu.au/courses/international/EDES](http://vu.edu.au/courses/international/EDES)

	<b>COURSE CODE:</b> EDES <b>CRICOS:</b> 074359A
	<b>LOCATION</b> Footscray Nicholson
	<b>DURATION</b> 1 year
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$12,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australia Year 12 certificate. A Working with Children Check is required before placements.

### COURSE DESCRIPTION

Achieve your dream of becoming a teacher — even if you missed selection for the Bachelor of Education. This education course prepares you to enter the second year of a teaching degree. We help you build the literacy and numeracy skills needed for a career in education. Successful completion may earn you a place in the second year of the Bachelor of Education (P-12), where you'll learn to teach all age groups.

### GRADUATE OUTCOMES

This course may help you find work as a teacher aide, supporting teachers in their work. Once you've completed the Bachelor of Education (P-12), you could find a rewarding career in a public or private primary or secondary school.

### UNITS

Investigating Australian Humanities  
Academic and Professional Learning  
Sociological Orientation to Education  
Investigating STEM Education  
Health, Physical Activity and Wellbeing Education  
ICT in Education and Learning  
Learning Through Literacy  
Learning in and through the Arts

## BACHELOR OF EDUCATION STUDIES

[vu.edu.au/courses/international/EBST](http://vu.edu.au/courses/international/EBST)

	<b>COURSE CODE:</b> EBST <b>CRICOS:</b> 093862F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australia Year 12 certificate. A Working with Children Check is required before placements.

### COURSE DESCRIPTION

The Bachelor of Education Studies offers an alternative path to teaching and focuses on learning programs outside of traditional classrooms. While it does not provide registration to teach in Australia, you may be eligible to transfer to the Bachelor of Education (P-12) after your first year.

### GRADUATE OUTCOMES

This degree prepares you to work in areas where teacher registration is not required including adult education, care facility training and support, community programs, disability work, recreation programs and sporting activities. After graduating, you may be eligible to progress to our Master of Teaching (Secondary Education) or Master of Teaching (Primary Education), allowing you to become a registered teacher upon graduation.

### YEAR 1

Personal and Professional Learning  
Human Development, Sustainability and Wellbeing  
ICT in Education for the 21st Century  
Healthy, Active Individuals and Communities  
Reconciling Australian Humanities Education  
Educating for STEM  
Creativity and the Arts in Education  
Literacy for Education

### YEAR 2

Arts and Performance - Addressing Disability  
Professional Contexts  
Curriculum Development and Implementation  
Making the Conditions for Learning: Ethical and Reflexive Practice  
48 credit points from minor units  
96 credit points from major units

**The full course structure is on the website.**

### PATHWAYS

“

I HAVE BEEN EXPOSED TO A LOT OF INTERESTING AND HELPFUL LEARNING CONTENT, WHICH IS CAREFULLY AND REASONABLY DESIGNED AND ORGANISED BY VU.

”

“I have learned many new and useful teaching methods for children that I will surely apply in my future teaching in Vietnam.”

**THUY (VIETNAM)**  
Graduate Diploma in Early Childhood Education

## GRADUATE DIPLOMA IN EARLY CHILDHOOD EDUCATION

[vu.edu.au/courses/international/EGEC](http://vu.edu.au/courses/international/EGEC)

	<b>COURSE CODE:</b> EGEC <b>CRICOS:</b> 0101340
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 1 year
	<b>2023 INTAKES</b> February, April, August, October
	<b>2023 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
	<b>ADMISSIONS CRITERIA</b> Completion of an Australian undergraduate degree or equivalent.
<b>ACCREDITATION:</b> Australian Children's Education & Care Quality Authority	

### COURSE DESCRIPTION

This one-year course allows graduates of degree programs to become early childhood or kindergarten teachers. Units are focused on children 0-5 years. Study child development, teaching practice, family and community contexts, curriculum studies and ethical professional practice. You'll also complete 60 days of supervised professional experience – an excellent opportunity to consolidate core knowledge.

### GRADUATE OUTCOMES

This course is accredited by the Australian Children's Education & Care Quality Authority. Our graduates find employment in public or private kindergartens (pre-school), long day care centres and early childhood centres in Victoria. You will also be eligible to receive credit into the Master of Education.

### UNITS

Early Childhood Development, Learning and Teaching  
Early Childhood Curriculum and Pedagogy 1: Sciences  
Contemporary Issues, Social Contexts of Learning and Social Justice  
Languages and Literacy in Early Childhood  
Early Childhood Development, Learning and Teaching 2  
Early Childhood Curriculum and Pedagogy 2: Arts  
Professional Issues  
Inclusive Practice in Education

### PATHWAYS

## MASTER OF EDUCATION

[vu.edu.au/courses/international/EMED](http://vu.edu.au/courses/international/EMED)

	<b>COURSE CODE:</b> EMED <b>CRICOS:</b> 083310K
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A degree equivalent to an Australian undergraduate degree or higher. Provide a résumé or and submit a 200-word written statement outlining why you would like to undertake this course. To undertake the minor thesis option, the College of Education requires evidence of aptitude for a comprehensive research project.

### COURSE DESCRIPTION

Learning from experienced educators, you'll gain advanced knowledge about the theory and practice of learning and teaching. You will gain the skills to address educational challenges and opportunities. This course is designed for teachers, principals, community educators, youth workers or any professional whose work has an educational component.

### GRADUATE OUTCOMES

Become an education consultant, trainer, manager or health professional. Increasingly, a Master of Education is seen as a prerequisite for promotion for qualified teachers. Please note this course does not provide you with registration to teach in Australia.

### CORE UNITS

Contemporary Issues in Education and Training  
Education Research Design and Methods  
OPTION A: Capstone Research Investigation  
Plus 24 credit points or one unit from the list below.  
OPTION B: Minor thesis full-time or minor thesis A part-time and minor thesis B part-time.

Select 120 credit points/five units from this list:

Innovation  
Approaches to Learning  
E-Learning  
Positive Education  
Curriculum & Pedagogy  
Enhancing Skills and Knowledge  
Post-Colonial & Indigenous Approaches to Learning & Teaching in the 21st Century

## MASTER OF TEACHING (PRIMARY EDUCATION)

[vu.edu.au/courses/international/EMPE](http://vu.edu.au/courses/international/EMPE)

	<b>COURSE CODE:</b> EMPE <b>CRICOS:</b> 083309C
	<b>LOCATION</b> Footscray Nicholson
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
	<b>ADMISSIONS CRITERIA</b> A degree equivalent to an Australian undergraduate degree or higher. Students need to pass a non-academic attributes assessment, the CASPer test, or VU ANAA interview prior to admission. A Working with Children Check is required before placements. Entry requires a supplementary form.
<b>ACCREDITATION:</b> Victorian Institute of Teaching	

### COURSE DESCRIPTION

Gain practical experience and prepare for a rewarding career as a primary school teacher. This course will prepare you to teach in all areas of the primary curriculum. You will also gain significant workplace experience with 60 days of supervised teaching practice in a primary school.

### GRADUATE OUTCOMES

You will be eligible to apply for primary school teacher positions after you graduate by registering with the Victoria Institute of Teaching and passing the National Literacy and Numeracy Test for Initial Teacher Education. You will also be able to pursue careers in a range of education-related industries and organisations.

### YEAR 1

Epistemologies of Practice  
Language and Literacy in the Primary Years 1  
Teaching and Learning Primary Mathematics 1  
Science in Primary Education  
Curriculum and Multi-modal Learning  
Primary Health and Physical Education  
Humanities in Primary Education  
The Arts and Design in Primary Education

### YEAR 2

Education Research Design and Methods  
Indigenous Perspectives and Standpoints in Education  
Language and Literacy in the Primary Years 2  
Entering the Profession and Becoming Critical  
Teaching and Learning Primary Mathematics 2  
Primary Curriculum Specialisation 1  
Primary Curriculum Specialisation 2

## MASTER OF TEACHING (SECONDARY EDUCATION)

[vu.edu.au/courses/international/EMES](http://vu.edu.au/courses/international/EMES)

	<b>COURSE CODE:</b> EMES <b>CRICOS:</b> 084111J
	<b>LOCATION</b> Footscray Nicholson
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$14,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (6.5 in Reading and Writing, 7.5 in Speaking and Listening)
	<b>ADMISSIONS CRITERIA</b> A degree equivalent to an Australian undergraduate degree or higher that meets the Victorian Institute of Teaching specialisation requirements. Students need to pass a non-academic attributes assessment, the CASPer test, or VU ANAA interview prior to admission. A Working with Children Check is required before placements. Entry requires a supplementary form.
<b>ACCREDITATION:</b> Victorian Institute of Teaching	

### COURSE DESCRIPTION

Prepare for a rewarding career as a secondary school teacher. Through our extensive partnerships, you will undertake 60 days of supervised teaching placements and have access to many professional experiences. Our classes are small, allowing our tutors to tailor the learning experience to our students. As education experts, we understand how students learn. We offer a range of disciplines, so you can become a teacher in the area you love.

### GRADUATE OUTCOMES

Graduates who have passed the National Literacy and Numeracy Test for Initial Teacher Education are eligible for registration as secondary teachers with the Victoria Institute of Teaching. This means you will be eligible for registration to teach across Australia. You'll be ready to teach in your chosen discipline area, including business, computing, health, languages other than English, mathematics, music, outdoor education and technology.

### UNITS

Epistemologies of Practice  
Critical Literacy for Diverse Communities  
Teacher as Practitioner and Researcher  
Curriculum and Multi-modal Learning  
Education Research Design and Methods  
Indigenous Perspectives and Standpoints in Education  
Entering the Profession and Becoming Critical  
Specialisation Curriculum and Pedagogy A & B  
Specialisation Assessment and Reporting  
Specialisation Innovations in Curriculum and Pedagogy

### RESEARCH OPTIONS

Capstone Research Investigation  
24 credit points or one unit chosen from the list below. OR:  
Minor thesis A & B

### ELECTIVE UNITS

Innovation  
Approaches to Learning  
E-Learning  
Positive Education  
Contemporary Issues in Education and Training  
Curriculum & Pedagogy  
Enhancing Skills and Knowledge  
Post-Colonial and Indigenous Approaches to Learning and Teaching in the 21<sup>st</sup> Century

# ENGINEERING, CONSTRUCTION & PROJECT MANAGEMENT

If your dream is to innovate, build or design the future, a VU degree in engineering, built environment, or project management is the perfect way to launch or progress your career.

Our industry connections inform our work-focused engineering and built environment degrees, with an emphasis on analytical techniques and extensive field-based study experience.

Explore Engineering, Construction & Project Management

## PROBLEM-BASED LEARNING

Solve today's problems by addressing real-world challenges brought from industry to the classroom. We're ranked number 1 in Victoria for Overall Quality of Education in Engineering, undergraduate level (GOS 2020).

## CHALLENGE THE STEM GENDER GAP

Our Women in Science & Engineering (WiSE) program supports female students and inspires future generations of women to choose science, technology, engineering and mathematics (STEM) careers.

## TAKE YOUR STUDY ON TOUR

Complete course units and practical placements with our international engineering partners.

“

**AS WELL AS DEVELOPING MY UNDERSTANDING OF THE FUNDAMENTALS OF POWER ENGINEERING, VU TAUGHT ME TO BE RESOURCEFUL AND TO ASK QUESTIONS.**

”

“All of these skills I use on a regular basis, whether it be to design traction power substations for the Level Crossing Removal Program or doing root cause fault analysis.”

**ADNAN (OMAN)**

Bachelor of Engineering (Honours) (Electrical and Electronic Engineering)  
Secondary Systems Engineer, Metro Trains Melbourne

Our key partners include:

# ENGINEERING, CONSTRUCTION & PROJECT MANAGEMENT

## BACHELOR OF BUILDING DESIGN

[vu.edu.au/courses/international/NBBD](http://vu.edu.au/courses/international/NBBD)

	<b>COURSE CODE:</b> NBBD <b>CRICOS:</b> 096484C
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, April, August
	<b>2023 FEES</b> A\$16,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Develop knowledge and skills in architectural design, building legislation and auditing, building codes, sustainability, building services and professional practice. You will conduct site visits and work on real industry briefs, with classes taken alongside students from construction management, building surveying and engineering programs in a studio-based learning environment.

#### YEAR 1

Maths for Builders  
Basic Structural Mechanics  
Structural Principles in Construction  
Fundamentals of Building Construction  
Building Science  
Measurement and Estimating  
Built Environment Communication and Skills  
Building Design Documentation

#### YEAR 2

Architectural History and Analysis  
Building Contract Documentation  
Built Environment 1  
Architectural Design and Theory  
Risk and Safety Management

### GRADUATE OUTCOMES

With a wide range of career options, you can choose to work for architects, contractors, developers, engineers, government bodies, consultancy practices and corporations with large building portfolios, or become a self-employed business owner.

Built Environment 2  
Building Systems and Services  
Building Development and Compliance

#### YEAR 3

Project Management Practice  
Residential Sustainable Design  
Urban Design and Development  
Building Design Studio 1  
Building Services Management  
Complex Construction  
Commercial Sustainable Design  
Building Design Studio 2

## BACHELOR OF CONSTRUCTION MANAGEMENT (HONOURS)

[vu.edu.au/courses/international/NHCM](http://vu.edu.au/courses/international/NHCM)

	<b>COURSE CODE:</b> NHCM <b>CRICOS:</b> 096487M
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, April, August
	<b>2023 FEES</b> A\$16,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

This course gives you the knowledge and skills to manage large-scale residential, commercial and industrial construction projects. You will gain valuable expertise in various areas of building and civil engineering, enabling you to enter roles overseeing the building process, from design to development, and construction to operation. Our industry contacts and focus on real-world experience ensure you will be job-ready when you graduate.

#### YEAR 1

Maths for Builders  
Basic Structural Mechanics  
Structural Principles in Construction  
Fundamentals of Building Construction  
Building Science  
Measurement and Estimating  
Built Environment Communication and Skills  
Building Design Documentation

#### YEAR 2

Building and Construction Studies  
Building Contract Documentation  
24 credit points selected from the Building Compliance Minor  
Building Development and Compliance  
Building Materials  
Risk and Safety Management  
Building Systems and Services

### GRADUATE OUTCOMES

Graduates are qualified to pursue a variety of roles including construction manager, project manager, quantity surveyor, building technician, building surveyor, building contractor, estimator, contract administrator, facilities manager or property developer, working in the private or public sectors for employers such as building proprietors, contractors, developers, government bodies and consultancy practices, or as a self-employed business owner.

#### YEAR 3

Building and Construction Surveying  
High Rise Development and Compliance  
Construction Site Operations  
Project Management Practice  
Professional Estimating  
Construction Economics  
Construction Law  
Research Methods

#### YEAR 4

Procurement Management  
Advanced Construction  
Construction Management  
Research Project 1  
Cost Planning and Control  
Research Project 2  
24 credit points selected from the Building Compliance Minor

## BACHELOR OF ENGINEERING (HONOURS) (ARCHITECTURAL ENGINEERING)

[vu.edu.au/courses/international/NHEA](http://vu.edu.au/courses/international/NHEA)

	<b>COURSE CODE:</b> NHEA <b>CRICOS:</b> 084872A
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, April, August
	<b>2023 FEES</b> A\$18,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics
<b>ACCREDITATION:</b> Engineers Australia	

### COURSE DESCRIPTION

Always had an interest in building design? Learn how to integrate structural systems into architects' plans, while meeting project design, safety and environmental goals. You will study the design processes behind making safe buildings, with an emphasis on sustainable design. This course includes elements of other engineering disciplines, including mechanical, electrical and fire protection. It includes 12 weeks of industry placement.

### GRADUATE OUTCOMES

There are only two accredited architectural engineering programs in Australia, so demand for graduates is high. This course will prepare you for a career as a design engineer, building services engineer, hydraulic engineer, estimator or structural engineer.

#### YEAR 1

Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals  
Algebra and Calculus

Fluid Mechanics 1  
Building HVAC Systems  
Fundamentals of Electrical and Electronic Engineering

#### YEAR 3

Structural Analysis  
Project Management  
Residential Sustainable Design  
Electrical Machines  
Structural Engineering Design 1  
Thermodynamics 1  
Commercial Sustainable Design  
Research Methods

**The full course structure is on the website.**

#### YEAR 2

Architectural Design and Theory  
Building Development and Compliance  
Solid Mechanics  
Engineering Materials & Construction  
Introduction to Structural Engineering Design

## BACHELOR OF ENGINEERING (HONOURS) (CIVIL ENGINEERING)

[vu.edu.au/courses/international/NHEC](http://vu.edu.au/courses/international/NHEC)

	<b>COURSE CODE:</b> NHEC <b>CRICOS:</b> 084873M
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, April, August
	<b>2023 FEES</b> A\$18,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.
<b>ACCREDITATION:</b> Engineers Australia	

### COURSE DESCRIPTION

This course covers the planning, design, construction and management of essential community infrastructure, including commercial and industrial buildings, water supply and wastewater systems, bridges, roads and transport systems, port harbour and airport facilities. You will complete 12 weeks of industry placement to give you the practical experience needed to begin your career.

### GRADUATE OUTCOMES

Upon graduation, pursue a career as a civil infrastructure engineer, civil design engineer, construction engineer, engineering technician, environmental engineer, geotechnical engineer, project engineer, roads and transport engineer, structural engineer, or water engineer. This program is accredited by Engineers Australia. When you complete the course, you'll be eligible to apply for graduate membership.

#### YEAR 1

Algebra and Calculus  
Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals

#### YEAR 3

Structural Analysis  
Geotechnical Engineering  
Hydrology and Water Resources  
Project Management  
Hydraulic Engineering  
Civil Engineering Design 1  
Structural Engineering Design 1  
Research Methods

#### YEAR 2

Solid Mechanics  
Engineering Materials & Construction  
Engineering Surveying  
Fluid Mechanics 1  
Introduction to Structural Engineering Design  
Geomechanics  
Hydraulics  
Highway Engineering

#### YEAR 4

Environmental Engineering 1  
Structural Engineering Design 2  
Research Project 1  
Professional Engineering Practice  
Urban Development and Transportation  
Advanced Engineering Design  
Engineering Applications  
Research Project 2

## BACHELOR OF ENGINEERING (HONOURS) (ELECTRICAL AND ELECTRONIC ENGINEERING)

[vu.edu.au/courses/international/NHEE](http://vu.edu.au/courses/international/NHEE)

	<b>COURSE CODE:</b> NHEE <b>CRICOS:</b> 084874K
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, April, August
	<b>2023 FEES</b> A\$18,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.
<b>ACCREDITATION:</b> Engineers Australia	

### COURSE DESCRIPTION

Launch your career in electronic design, power generation or communication technology, studying one of the largest and most in-demand areas of engineering. Study electricity generation and distribution, smart grid design and renewable energy systems. Learn how to design and develop complex electronic equipment, communications infrastructure and microprocessor-based embedded systems.

### GRADUATE OUTCOMES

This course will prepare you for a career as an electrical engineer, electronic engineer, communications engineer, power engineer, telecommunications engineer or embedded software engineer. Graduates can find employment in a diverse range of industries including robotics, renewable energy, transport, telecommunications, manufacturing and bioengineering.

#### YEAR 1

Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Mathematics for Engineering and Science  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals

#### YEAR 3

Project Management  
Engineering Analysis and Modelling  
Thermodynamics 2  
Stress Analysis  
Research Methods  
Design of Mechanical Systems  
Manufacturing Materials  
Fluid Mechanics 2

#### YEAR 2

Solid Mechanics  
Fluid Mechanics 1  
Mechanical Engineering Design  
Introduction to Engineering Materials  
Fundamentals of Electrical and Electronic Engineering  
Numerical Modelling of Mechanical Systems  
Thermodynamics 1  
Dynamics

#### YEAR 4

Computational Heat and Fluid Flows  
Research Project 1  
Professional Engineering Practice  
Mechanical Vibrations  
Research Project 2  
Sustainable Energy Systems  
Advanced Engineering Design  
Advanced Engineering Analysis

## BACHELOR OF ENGINEERING (HONOURS) (MECHANICAL ENGINEERING)

[vu.edu.au/courses/international/NHEM](http://vu.edu.au/courses/international/NHEM)

	<b>COURSE CODE:</b> NHEM <b>CRICOS:</b> 084875J
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, April, August
	<b>2023 FEES</b> A\$18,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.
<b>ACCREDITATION:</b> Engineers Australia	

### COURSE DESCRIPTION

Get set for an exciting career inventing devices and generating clever solutions to engineering challenges. Recent breakthroughs include 3D printing machines, unmanned vehicles and high-performance prostheses. This degree focuses on the modelling and simulation of components, machines, processes and systems. It includes 12 weeks of industry placement.

### GRADUATE OUTCOMES

Our graduates are known in the industry for their highly sought-after technical and analytical skills. You could find work as a mechanical engineer, design engineer, product engineer, product innovation engineer, development engineer, sales engineer, systems engineer, production manager or engineering manager.

#### YEAR 1

Algebra and Calculus  
Engineering Physics 1  
Engineering and the Community  
Problem Solving for Engineers  
Engineering Mathematics 2  
Engineering Physics 2  
Introduction to Engineering Design  
Engineering Fundamentals

#### YEAR 3

Project Management  
Engineering Analysis and Modelling  
Thermodynamics 2  
Stress Analysis  
Research Methods  
Design of Mechanical Systems  
Manufacturing Materials  
Fluid Mechanics 2

#### YEAR 2

Solid Mechanics  
Fluid Mechanics 1  
Mechanical Engineering Design  
Introduction to Engineering Materials  
Fundamentals of Electrical and Electronic Engineering  
Numerical Modelling of Mechanical Systems  
Thermodynamics 1  
Dynamics

#### YEAR 4

Research Project 1  
Professional Engineering Practice  
Mechanical Vibrations  
Finite Element Analysis  
Research Project 2  
Sustainable Energy Systems  
Advanced Engineering Design  
Advanced Engineering Analysis

**MASTER OF ENGINEERING**

vu.edu.au/courses/international/NMEN

	<b>COURSE CODE:</b> NMEN <b>CRICOS:</b> 084876G
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$19,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A degree equivalent to an Australian undergraduate degree or higher, in a similar discipline.
<b>ACCREDITATION:</b> Engineers Australia	

**COURSE DESCRIPTION**

Gain specialised skills in electrical power, telecommunications, or civil engineering, and aim for a top engineering career. The Master of Engineering prepares you for work in fast-growing industries, with a strong emphasis on real-world problem-solving and international trends. You'll acquire targeted skills through a combination of coursework, design exercises and research. You'll have the chance to develop and implement innovative telecommunication, power distribution or civil engineering solutions, with real-world applications.

**GRADUATE OUTCOMES**

On graduation you'll be able to prepare for a career in one of the following:

- ♦ power generation, transmission, distribution, management and control
- ♦ managing, designing and developing telecommunication network systems
- ♦ microelectronic and electronic design
- ♦ water-related government organisations and private firms.

**COMMON INTERDISCIPLINARY UNITS**

Select 48 credit points or four units from the following:

Principles of Project Management  
Project Planning and Control  
Project Management and People  
Project Stakeholder Management  
Project Risk Management  
Art and Practice of Leadership  
Work and Organisation Systems  
Strategic Management and Business Policy

**SPECIALISATIONS**

Telecommunications  
Electrical Power  
Civil Engineering

**RESEARCH UNITS**

Research Thesis 1  
Research Thesis 2

**MASTER OF PROJECT MANAGEMENT**

vu.edu.au/courses/international/NMPM

	<b>COURSE CODE:</b> NMPM <b>CRICOS:</b> 083306F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$17,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A degree in any discipline, equivalent to an Australian undergraduate degree or higher.
<b>ACCREDITATION:</b> Australian Institute of Project Management, Project Management Institute	

**COURSE DESCRIPTION**

Become a project manager in your chosen field. By incorporating work-based scenarios, project work and opportunities for research, this course equips you with advanced project management techniques which can be applied across various industries. Broaden your expertise and progress your career in areas such as engineering, construction, business, information technology, manufacturing and administration.

**GRADUATE OUTCOMES**

Gain employment managing projects in private business or the public sector working for companies such as Grocon, Leighton Contractors, Major Projects Victoria or for a project management consulting firm. This course is endorsed by the Australian Institute of Project Management (AIPM) and has been approved by the Project Management Institute.

**YEAR 1**

Project Governance  
Project Management and People  
Research Methods  
48 credit points from the electives list

**YEAR 2**

Principles of Project Management  
Project Planning and Control  
Research Projects Part A & B or Research Thesis 1  
48 credit points from the electives list:

**ELECTIVES**

Art and Practice of Leadership  
Work and Organisation Systems  
Managing Innovation and Entrepreneurship  
Organisation Change Management  
Project Program and Portfolio Management  
Project Management Practice  
Project Management and Information Technology  
Project Procurement Management  
Project Stakeholder Management  
Project Risk Management  
Project Investment Analysis  
Project Construction Management

“

VU, THE STUDENTS, AND, MOST IMPORTANTLY, MY LECTURERS, HAVE DEFINITELY PLAYED A MAJOR ROLE IN HELPING ME TO GET WHERE I AM TODAY. THEIR SUPPORT AND GUIDANCE THROUGHOUT MY UNDERGRADUATE DEGREE HAS DEFINITELY BEEN IMPORTANT.

”

**POOJA (KENYA)**

Reliability Engineer, Fortescue Metals Group  
Bachelor of Engineering (Honours) (Mechanical Engineering)

# HEALTH, PSYCHOLOGY & DERMAL SCIENCES

Do you dream of a career where you can help people and improve their health outcomes? With a VU qualification in health, you'll be ready to work in an essential industry where you can make a real difference.

We offer a range of health and allied health courses which include nursing, midwifery, paramedicine and osteopathy. We also offer courses in psychology, counselling and social work. Our course offerings also include public health, dermal therapy, nutrition and dietetics and biomedicine. Our courses cover a breadth of careers in health and are highly regarded in Australia and around the world.

Explore Health,  
Psychology &  
Dermal Sciences

## SIMULATION LABS

VU's state-of-the-art simulation and clinical skills laboratories allow you to practise and develop skills and confidence needed for placements. Using interactive mannequins, new technologies and simulating real-world environments, you are supported to learn by experienced practicing professionals.

## 50+ INDUSTRY PARTNERS

Develop an invaluable network of industry connections as you apply the skills you have developed during your course, in a clinical context. We have numerous partnerships with health and community organisations.

## CLINICAL EXPERIENCE

Placement opportunities allow you to gain hands-on experience and develop the skills required for registration as professionals in your field. Practical experience is also provided through the student-run health clinics in psychology, osteopathy and dermal therapy, as well as our community group education programs for nutrition and health.

“

**THE HIGH-TECH SIMULATION LABS AT VU ALSO GIVE STUDENTS THE HANDS-ON EXPERIENCE THEY NEED TO PRACTICE WITH CONFIDENCE FROM DAY ONE. WE EXPERIENCED ROUTINE NURSING PROCEDURES, REALISTIC SIMULATED EMERGENCIES, ETHICAL DILEMMAS AND CLIENT INTERVIEWING.**

”

**JOSHUA**  
Bachelor of Nursing

# HEALTH, PSYCHOLOGY & DERMAL SCIENCES

## BACHELOR OF NURSING

[vu.edu.au/courses/international/HBNB](http://vu.edu.au/courses/international/HBNB)

	<b>COURSE CODE:</b> HBNB <b>CRICOS:</b> 080229E
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$17,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, with study in biology, chemistry, maths or psychology. Students must complete a Police Records Check, a Working with Children Check and declare their health and immunisation status. Check ANMAC English language requirements for registration.
	<b>ACCREDITATION:</b> Australian Nursing & Midwifery Accreditation Council

### COURSE DESCRIPTION

Develop the skills required to work as a general or mental health nurse. This course ensures you have sound scientific knowledge and skills, as well as hands-on experience. You will participate in simulation learning using modern technology, practising your skills in a safe environment. You will graduate with 140 clinical simulation hours and over 800 professional practice hours through our clinical placement program.

#### YEAR 1

Professional Nurse or Midwife  
Anatomy and Physiology 1  
Foundations in Nursing 1  
Indigenous Health and Wellbeing  
Anatomy and Physiology 2  
Foundations in Nursing 2  
Primary Health Care Across the Lifespan  
Professional Experience Placement 1 Nursing

#### YEAR 2

Contemporary Nursing A  
Contemporary Nursing and Mental Health A  
Contemporary Nursing B  
Professional Experience Placement 2 Nursing

### GRADUATE OUTCOMES

You will graduate job-ready and eligible to register and work as a Division 1 Registered Nurse. This course is fully accredited by the Australian Nursing and Midwifery Accreditation Council. Career options include working in settings such as medical/surgical, mental health, emergency, orthopaedics, radiology, research, eye and ear, paediatric and residential care.

Contemporary Nursing and Mental Health B  
Professional Experience Placement 3 Nursing Mental Health  
Research and Evidence Based Practice  
Contemporary Nursing C

#### YEAR 3

Nursing in Specialty Areas  
Professional Experience Placement 4 Nursing  
Transition to Nursing Practice  
Nursing and Complex Care  
Nursing for Chronic Illness and Continuing Care  
Interprofessional Practice  
Consolidation of Nursing Practice

## BACHELOR OF MIDWIFERY/BACHELOR OF NURSING

[vu.edu.au/courses/international/HBMA](http://vu.edu.au/courses/international/HBMA)

	<b>COURSE CODE:</b> HBMA <b>CRICOS:</b> 105376F
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$17,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, with study in maths. Students must complete a Police Records Check, a Working with Children Check and declare their health and immunisation status. Check ANMAC English language requirements for registration.
	<b>ACCREDITATION:</b> Australian Nursing & Midwifery Accreditation Council

### COURSE DESCRIPTION

Prepare for a career supporting life and bringing new life into the world. Our double degree in midwifery and nursing gives you the knowledge and practical skills for two distinct, in-demand professions. Our state-of-the-art technology lets you participate in simulation learning, allowing you to practise your new skills in a safe environment. Video recording from fixed cameras will give you specific and immediate feedback to help you learn quickly. You'll also undertake many weeks of clinical practice, including care for individual women through pregnancy, childbirth, and post-birth.

#### YEAR 1

Anatomy and Physiology 1  
Professional Nurse or Midwife  
Foundations of Midwifery  
Foundations in Nursing 1  
Primary Health Care Across the Lifespan  
Anatomy and Physiology 2  
Fundamentals of Midwifery and Nursing  
Midwifery and Nursing Professional Practice Experience

### GRADUATE OUTCOMES

Registered midwives work in hospitals, group practices and the community sector in antenatal, birthing and postnatal units; nursing graduates work in general practice, acute care, aged care, rehabilitation, mental health, palliative care and health education. Many of our graduates hold nursing positions at Sunshine Hospital (Western Health) and the Royal Women's Hospital. When you graduate, you'll be eligible to register with the Nursing and Midwifery Board of Australia to practise as a nurse/midwife in the Australian healthcare system. You'll also meet the standards of midwifery and nursing practice to register with the Australian Health Practitioners Regulation Agency.

#### YEAR 2

Pathophysiology and Medications for Midwives  
Contemporary Nursing A  
Contemporary Nursing B  
Professional Experience Placement 2 Nursing  
Indigenous Health and Wellbeing  
Midwifery Care 1: Developing Midwifery Practice  
Midwifery Practice Experience 1  
Research and Evidence Based Practice

The full course structure is on the website.

## BACHELOR OF DERMAL SCIENCES

[vu.edu.au/courses/international/HBDS](http://vu.edu.au/courses/international/HBDS)

	<b>COURSE CODE:</b> HBDS <b>CRICOS:</b> 092158E
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$17,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate. Prior to placements, students must complete a Police Records Check and a Working with Children Check, and declare their health and immunisation status.
	<b>ACCREDITATION:</b> Australian Society of Dermal Clinicians

### COURSE DESCRIPTION

Develop knowledge in all areas of dermal science and the skills to perform safe and effective treatments. Procedures covered include laser and light-based treatments, resurfacing and lymphatic procedures. You will also learn how to provide pre- and post-operative care for clients who have undergone plastic, reconstructive and cosmetic procedures. An important component is clinical practice at our Dermal Clinic.

### GRADUATE OUTCOMES

The course is designed in collaboration with the Australian Society of Dermal Clinicians and graduates are eligible to apply for membership. Dermal therapists and clinicians can work independently or with reconstructive and aesthetic surgeons, dermatologists and general practitioners in clinics, medical practices, advanced beauty and cosmetic settings.

#### YEAR 1

Indigenous Health and Wellbeing  
Introduction to Dermal Sciences  
Communication and Dermal Services  
Anatomy and Physiology 1-2  
Introduction to Public Health and Wellness  
Introduction to Human Nutrition and Food  
Evidence and Research

#### YEAR 2

Dermal Studies and Philosophy  
Dermal Sciences 1-2  
Occupational Health and Safety in Dermal Practice  
Cognition in the Dermal Workplace  
Dermal Research Methods  
Laser Principles and Safety  
Legal and Ethical Dermal Practice

#### YEAR 3

Dermal Skills 1-2  
Dermal Clinic 1-2  
Skin Management 1  
Chemistry for Dermal Sciences  
Dermal Sciences 3-4

#### YEAR 4

Skin Management 2-3  
Dermal Skills 3-4  
Dermal Clinic 3-4  
Independent Project and Group Research 1-2

## BACHELOR OF BIOMEDICAL SCIENCE

[vu.edu.au/courses/international/HBBS](http://vu.edu.au/courses/international/HBBS)

	<b>COURSE CODE:</b> HBBS <b>CRICOS:</b> 092499F
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$16,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate with study in one of the following: biology, chemistry, health & human development, mathematics or physical education.

### COURSE DESCRIPTION

This degree provides you with an in-depth knowledge of how the human body functions, focusing on physiology, anatomy and cell biology. It provides you with a strong foundation in the medical sciences and advanced laboratory skills. Core study areas include physiology, anatomy, biochemistry, cell and molecular biology, immunology and genetics.

### GRADUATE OUTCOMES

Embark on a career in biomedical research, gain entry to postgraduate health courses including medicine, or work in forensic science, teaching or the pharmaceutical industry. Biomedical science graduates also gain employment with research organisations.

#### FIRST YEAR CORE UNITS

Biological Systems  
Mathematics and Statistics for Biomedicine  
Functional Anatomy of the Trunk  
Functional Anatomy of the Limbs  
Human Physiology 1-2  
Chemistry 1A-1B

#### MAJORS

Human Physiology  
Molecular Cell Biology

#### MINORS

Applied Research  
Anatomy & Integrated Physiology  
Molecular Cell Biology

**The full course structure is on the website.**

## BACHELOR OF HUMAN NUTRITION

[vu.edu.au/courses/international/HBNT](http://vu.edu.au/courses/international/HBNT)

	<b>COURSE CODE:</b> HBNT <b>CRICOS:</b> 096482E
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$15,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including biology, chemistry, health & human development, mathematics or physical education.

### COURSE DESCRIPTION

Contribute to a more equitable world through better food production and supply. Start with a solid foundation in nutrition, food and related sciences and move on to specialisations in human nutrition and food science. In final year, you will acquire further specialist knowledge and skills in human nutrition. You have the option of studying a minor in biomedical nutrition, public health nutrition or exercise and nutrition.

### COLLEGE CORE UNITS

Human Physiology 1  
Human Physiology 2  
Chemistry 1A  
Chemistry 1B

### PROFESSIONAL CORE UNITS

Medical Microbiology and Immunity  
Research Methods  
Research Project  
Properties of Food  
Interpersonal Skills and Communication  
Family Health and Nutrition Through the Lifespan  
Diet & Disease  
Community & Public Health Nutrition  
Nutrition Communication & Education

### GRADUATE OUTCOMES

Career options include roles in government programs, humanitarian assistance, international development work, hospital and aged care services, food processing industries, or food safety. Graduates seeking to become accredited dietitians must complete a postgraduate program accredited by the Dietitians Association of Australia.

Introduction to Human Nutrition and Food  
Food Components  
Nutrition, Society and Communication

### MINORS

Food Science  
Biomedical Nutrition  
Public Health Nutrition  
Analytical Chemistry  
Exercise and Nutrition

**The full course structure is on the website.**

## BACHELOR OF HEALTH SCIENCE

[vu.edu.au/courses/international/HBHL](http://vu.edu.au/courses/international/HBHL)

	<b>COURSE CODE:</b> HBHL <b>CRICOS:</b> 092156G
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$17,600 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Choose a rewarding career in public health, health services or community development with a Bachelor of Health Science from VU. You'll study core bioscience, research and public health topics. In your second year, choose a health science or biomedical specialisation in line with your career goals.

### FIRST YEAR CORE UNITS

Indigenous Health and Wellbeing  
Anatomy and Physiology 1  
Anatomy and Physiology 2  
Professional Communication  
Introduction to Public Health and Wellness  
Evidence and Health 1  
Australian Health and Social Care Systems and Policy  
Introduction to Human Nutrition and Food

### MAJORS

Public Health  
Indigenous Health

### GRADUATE OUTCOMES

You will graduate with the skills and knowledge to work for government health programs, community organisations, pharmaceutical industries, professional associations, health foundations, health administration, public health research programs, or non-government organisations.

### MINORS

Bioscience  
Health and Nutrition  
Health (Sport Science Minor)  
Indigenous Health

**The full course structure is on the website.**

## BACHELOR OF PARAMEDICINE

[vu.edu.au/courses/international/HBPD](http://vu.edu.au/courses/international/HBPD)

	<b>COURSE CODE:</b> HBPD <b>CRICOS:</b> 092160M
	<b>LOCATION</b> St Albans
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$16,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, preferably with study in biology, physics or mathematics; or a diploma or higher equivalent to Australian diploma. Students are required to get a Police Records Check, Working with Children Check, medical/vaccine checks and to undergo a physical test.
	<b>ACCREDITATION:</b> The Council of Ambulance Authorities

### COURSE DESCRIPTION

This course is held in high regard by the industry because of its scenario-based assessments and 360 hours of clinical placements, combined with theory. Our state-of-the-art facilities include clinical practice rooms, self-learning laboratories, lifelike mannequin technology and medical simulation suites. You will gain practical experience as a real paramedic with a clinical supervisor from Ambulance Victoria.

### GRADUATE OUTCOMES

This course is accredited by the Council of Ambulance Authorities. A Bachelor of Paramedicine from an accredited university, such as VU, is the only qualification accepted by Ambulance Victoria. You could also gain employment with ambulance services worldwide. Job titles include air ambulance paramedic and MICA paramedic.

#### YEAR 1

Anatomy and Physiology 1-2  
Foundations of Professional Paramedic Practice  
Paramedic Clinical Practice 1-2  
Pre-Hospital Ethical and Legal Issues  
Principles of Drug Actions for Health Professionals  
Australian Health and Social Care Systems and Policy

#### YEAR 2

Introduction to Research Methods  
Clinical Practice 3-4  
Paramedic Clinical Science 1 (Medical Emergencies 1)  
Social Epidemiology  
Paramedic Clinical Science 2 (Trauma)  
Paramedic Clinical Science 3 (Medical Emergencies 2)  
Evidence-Based Practice

#### YEAR 3

Paramedic Clinical Science 4 (Mental Health and Mental Illness)  
Paramedic Clinical Practice 5  
Paramedic Clinical Science 5 (Special Populations)  
Select one unit from the following:  
Health Promotion  
Career and Professional Development  
Pinnacle Venture  
Paramedic Health and Wellbeing  
Major Incidents  
Paramedic Clinical Practice 6 - Extended Practice

#### SELECT ONE UNIT FROM THE FOLLOWING:

Health Program Planning and Evaluation  
Career and Professional Development  
Pinnacle Venture  
Interprofessional Practice

## BACHELOR OF SCIENCE (OSTEOPATHY) & MASTER OF HEALTH SCIENCE (OSTEOPATHY)

[vu.edu.au/courses/international/HCOP](http://vu.edu.au/courses/international/HCOP)

	<b>COURSE CODE:</b> HCOP <b>CRICOS:</b> 103517C
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 4.5 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$16,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate with studies in chemistry, biology, physics or maths. Students also need a Police Records Check.
	<b>ACCREDITATION:</b> Osteopathy Australia

### COURSE DESCRIPTION

You will study anatomy, osteopathic principles and techniques, physiology, pathology, population health and evidence-based practice. Osteopathic treatments include soft-tissue techniques, joint manipulation, joint mobilisation, exercise rehabilitation and general healthcare advice. You'll gain work experience through extensive clinical practice. This perfect mix of scientific study and hands-on practice will have you job-ready when you graduate.

### GRADUATE OUTCOMES

You'll be qualified for a career as a practising osteopath after completing both the degree and the Master of Health Science (Osteopathy). You will be able to work in a variety of healthcare settings including hospitals, private practice clinics, maternal health centres and community organisations. You can gain registration as an osteopath in all Australian states and in New Zealand.

#### YEAR 1

Biomedical Science for Osteopathy 1-4  
Clinical Skills 1-2  
Professional Communication  
Evidence and Research

Patient and Health System 2  
Clinical Skills 5-6  
Introduction to Clinical Practice

#### YEAR 2

Biomedical Science for Osteopathy 5-7  
Patient and Health System 1  
Clinical Skills 3-4  
Evidence Based Practice for Osteopathy  
Clinical Skills 4A

#### MASTERS UNITS

##### YEAR 1

Patient, Practitioner and Health System 7-8  
Evidence for Practice 7-8  
Advanced Clinical Theory and Skills 1-2  
Clinical Practice 1-2

##### YEAR 2

Patient, Practitioner and Health System 9  
Evidence for Practice 9  
Advanced Clinical Theory and Skills 3  
Clinical Practice 3

#### YEAR 3

Biomedical Science for Osteopathy 8-9  
Evidence Based Practice for Osteopathy 2-3

## BACHELOR OF BIOMEDICAL AND EXERCISE SCIENCE

[vu.edu.au/courses/international/HBES](http://vu.edu.au/courses/international/HBES)

	<b>COURSE CODE:</b> HBES <b>CRICOS:</b> 096481F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$16,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate with study in one of the following: biology, chemistry, health & human development, mathematics or physical education.

### COURSE DESCRIPTION

This dual-disciplinary degree integrates biomedical science and exercise science into a compelling new area of study in physical activity, sport and health research. It includes the fundamentals of anatomy and physiology, biochemistry, biomechanics and kinesiology, psychology, how the structure and function of the body is influenced by exercise and how it is impacted by disease. You will learn to apply theoretical knowledge and analytical techniques to a range of practical and clinical scenarios including learning in industry, workplace and community settings. You will also develop a solid foundation in designing research methodologies and performing analytical research by participating in active research as a team member.

### GRADUATE OUTCOMES

Graduates can enter professional settings within the medical, public health and sporting sectors, often choosing to work in scientific, research and sporting science organisations. Alternatively, graduates may undertake further study in the fields of clinical exercise science, sports science, biomedical science, dietetics or education.

#### YEAR 1

Biomechanics  
Functional Anatomy of the Trunk  
Functional Anatomy of the Limbs  
Human Physiology 1  
Human Physiology 2  
Chemistry 1A  
Chemistry 1B  
Exercise and Sport Psychology

#### YEAR 2

Exercise Interventions for Healthy Populations  
Rehabilitation Anatomy  
Pathophysiology 1  
Medical Biochemistry  
Sports Biomechanics  
Motor Learning  
Pathophysiology 2  
Cardiorespiratory and Renal Physiology

The full course structure is on the website.

## BACHELOR OF PSYCHOLOGICAL STUDIES

[vu.edu.au/courses/international/ABPA](http://vu.edu.au/courses/international/ABPA)

	<b>COURSE CODE:</b> ABPA <b>CRICOS:</b> 071141K
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$15,500 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Australian Psychology Accreditation Council	

### COURSE DESCRIPTION

Understand human behaviour – how we reason, react and relate – through studies in psychology, one of VU's most popular subjects. In this course you'll learn about people's motivations, thought processes and interactions, which will prepare you for a career in areas including community services, marketing or teaching.

### GRADUATE OUTCOMES

Our Bachelor of Psychological Studies is accredited by the Australian Psychological Accreditation Council. Prepare for a career as a counsellor, welfare worker, community worker, researcher, policy maker or market researcher. With a postgraduate qualification, graduates can become registered psychologists.

#### YEAR 1

Introduction to Sociology  
Psychology 1A  
Psychology 1B  
Organisational Skills 1  
Foundations of Psychological Research  
Foundations of Social Science Research  
Introduction to Public Health and Wellness  
Interpersonal Skills and Communication

#### YEAR 2

Psychology 2A  
Qualitative Social Research Methods 1  
Developmental Psychology  
12 credit points of Minor studies  
Psychology 2B  
Quantitative Social Research Methods 1  
12 credit points of Psychology Elective studies  
12 credit points of Minor studies

#### YEAR 3

Fieldwork  
Research Methods in Psychology  
History, Theories and Practice of Psychology  
12 credit points of Minor studies  
Psychological Issues in the Workplace  
Clinical Aspects of Psychology  
12 credit points of Psychology Elective studies  
12 credit points of Minor studies

#### PSYCHOLOGY ELECTIVES

Counselling Theory and Practice  
Group Behaviour  
Organisations and Work  
Psychobiology  
Psychoanalysis  
Cognitive Psychology  
Relationship and Family Wellbeing

The full course structure is on the website.

## BACHELOR OF PSYCHOLOGY (HONOURS)

[vu.edu.au/courses/international/ABPC](http://vu.edu.au/courses/international/ABPC)

<b>C</b>	<b>COURSE CODE:</b> ABPC <b>CRICOS:</b> 077996C
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 4 years
<b>2023 INTAKES</b>	February, August
<b>\$</b>	<b>2023 FEES</b> A\$15,500 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Australian Psychology Accreditation Council	

### COURSE DESCRIPTION

Understand human behaviour, motivation and relationships. You'll graduate with an in-depth knowledge of human emotion and behaviour, and understand why we think and behave the way we do – and why this differs from one individual to the next. The course includes a fieldwork unit, giving you the opportunity to gain practical experience.

### GRADUATE OUTCOMES

Graduates can apply for provisional registration as a psychologist and can find employment in human resources, welfare, community services, marketing and market research. If you'd like to become a registered psychologist, you'll need further training at the masters and doctoral level.

#### YEAR 1

Introduction to Sociology  
Psychology 1A-1B  
Organisational Skills 1  
Foundations of Psychological Research  
Foundations of Social Science Research  
Introduction to Public Health and Wellness  
Interpersonal Skills and Communication

#### YEAR 2

Psychology 2A-2B  
Interpersonal Skills 2  
Qualitative Social Research Methods 1  
Developmental Psychology  
Organisational Skills 2  
Quantitative Social Research Methods 1  
12 credit points of Psychology Elective studies

#### YEAR 3

Fieldwork  
Research Methods in Psychology  
History, Theories and Practice of Psychology  
Social Research Methods  
Clinical Aspects of Psychology  
Psychological Issues in the Workplace  
Independent Research Project  
12 credit points of Psychology Elective Studies

#### YEAR 4

Research Thesis  
Social Research Methods in Context  
Professional Orientation (Psychological Assessment)  
Psychological Interventions  
Psychology in Practice  
Extended Research Thesis

The full course structure is on the website.

“

HONESTLY, EVERYTHING THAT I LEARNT DURING MY STUDIES HAS BEEN EXTREMELY IMPORTANT TO PERFORM MY DUTIES. THE MASTERS TRAINED ME ACADEMICALLY, LEGALLY, ETHICALLY AND CULTURALLY TO BE ABLE TO EXCEL IN THESE JOBS.

”

“Another thing that is also extremely important in the industry is having the endorsement of a professional body. In my case, after I graduated, I qualified for membership with the Australian Counselling Association which is another door the degree opens for graduates.”

**LAURA (COLOMBIA)**  
Master of Counselling

## MASTER OF COUNSELLING

[vu.edu.au/courses/international/AMPE](http://vu.edu.au/courses/international/AMPE)

	<b>COURSE CODE:</b> AMPE <b>CRICOS:</b> 042907J
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$15,200 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 6.5 in Reading & Writing and 7.5 in Speaking & Listening)
	<b>ADMISSIONS CRITERIA</b> Completion of an Australian bachelor degree or equivalent in any discipline. You will need to provide academic and/or professional references and may be required to attend a selection interview and provide samples of your work.
<b>ACCREDITATION:</b> Australian Counselling Association	

### COURSE DESCRIPTION

Develop an understanding of the theory and practice of counselling, including interventions and therapies. You'll gain experience in adult, child and adolescent counselling, practical skills through industry-based learning and placements, as well as insights on issues including depression, anxiety, grief, loss and addictions.

### GRADUATE OUTCOMES

This course is accredited by the Australian Counselling Association, Australia's largest single registration body for counsellors and psychotherapists. This course leads to careers in counselling, multicultural services, family support, community work, palliative care, refugee services and youth work.

#### YEAR 1

Principles and Practice of Cognitive Behaviour  
Trauma-informed Counselling  
Individual Awareness  
Theories and Techniques of Counselling  
Child and Adolescent: Theories and Techniques of Counselling  
Applied Techniques of Counselling  
Social and Ethical Issues in Counselling  
Research Methods in Counselling

#### YEAR 2

Advanced Counselling Interventions  
Counselling for Addictions  
Practicum 3  
Practicum 4  
Minor Thesis (Part A)  
Minor Thesis (Part B)

## MASTER OF GLOBAL PUBLIC HEALTH

[vu.edu.au/courses/international/HMGP](http://vu.edu.au/courses/international/HMGP)

	<b>COURSE CODE:</b> HMGP <b>CRICOS:</b> 107823E
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$16,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> Completion of an Australian bachelor degree or equivalent in any discipline.

### COURSE DESCRIPTION

Contribute to health improvements worldwide, and make a real difference to individuals and communities. This course focuses on sustainability and the impact of human behaviour upon the natural world in diverse communities — from both an Australian and international perspective. You will have the capabilities that the global marketplace demands for a challenging and rewarding career in public health, emergencies, and development.

### GRADUATE OUTCOMES

Graduates can pursue global work opportunities within national, state, and local governments, the United Nations and other international health organisations (WHO, UNICEF, International Coalition for Aging and Physical Activity), non-profit organisations, academic institutions, and research institutions.

#### YEAR 1

Foundations of Public Health  
Contemporary Global Health Challenges  
Epidemiology and Biostatistics 1  
Contemporary Public Health Practice  
Culture and Society in Public Health  
Epidemiology and Biostatistics 2  
Health Promotion and Community Development  
Elective unit

#### YEAR 2

Sustainability in Healthcare  
Public Health Communication in a Digital World  
Professional Project OR Minor Thesis

#### ELECTIVES

Transnational Gender Issues and Human Rights  
Nutrition for Global Health  
Global Food Systems and Food Security  
Concepts in Humanitarian Assistance  
Behavioural Aspects of Active Living  
Planetary Health: A Place-Based Approach  
Making a Healthy Planet: A Transdisciplinary Transformation

# IT & COMPUTERS

If your dream is to build a career in the fast-growing field of information technology (IT), VU will prepare you for career success. We'll get you ready for a career as an IT professional with the latest skills across a broad range of fields – from fighting cybercrime to web or app design, consultancy and systems administration.

Our industry partners work with VU educators, developing curriculum and embedding real-world scenarios in projects and coursework, so you are prepared for professional challenges in the industry.

Explore IT & Computers

## INDUSTRY CONNECTIONS

Our partnerships with high-profile organisations prepare you for work: you'll build experience and industry connections in Work Integrated Learning placements and take on real-world challenges in practical course units – brought from industry to the classroom.

## LEADERS IN SAP

When you study with us, you'll get practical experience in the latest SAP solutions, and enter the workforce ready to support and implement the most up-to-date version of SAP.

## 5-STAR EXPERIENCE

Study at a university that has a 5-star experience rating in undergraduate Computing & IT (*Good Universities Guide 2020/21*).

“

**IF YOU NEED HELP WITH LESSONS OR ASSIGNMENTS, YOUR LECTURERS ARE THERE FOR YOU – BECAUSE WHILE THEY'RE INDUSTRY EXPERTS, THEY'RE VERY APPROACHABLE.**

## DIPLOMA OF INFORMATION TECHNOLOGY

[vu.edu.au/courses/international/VDIT](http://vu.edu.au/courses/international/VDIT)

	<b>COURSE CODE:</b> VDIT <b>CRICOS:</b> 07776D
	<b>LOCATION</b> Footscray Nicholson
	<b>DURATION</b> 1 year
	<b>2023 INTAKES</b> February, April, August, October
	<b>2023 FEES</b> A\$14,300 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 5.5 (no band less than 5.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 qualification.

### COURSE DESCRIPTION

This course helps you prepare for a degree with targeted support and tuition, enabling you to enhance your professional communication and academic writing skills. You'll also learn skills in networking (Cisco), designing databases, writing programs in Python, connecting databases to dynamic websites, scheduling ICT development using Microsoft Project, and using Linux.

### GRADUATE OUTCOMES

Successful completion of the diploma leads to the second year of our Bachelor of Information Technology. You will also be qualified for entry-level work in the IT industry, including roles in computer and network support, website development and database support.

### UNITS

- VIT1101 Web Development and CMS
- VIT1102 Introduction to Programming
- VIT1103 Communication and Information Management
- VIT1104 Computer Networks
- VIT1201 Introduction to Database Systems
- VIT1202 Operating Systems
- VIT1203 Introduction to Project Management
- VIT1204 Web Application and Server Management

### PATHWAYS

## BACHELOR OF INFORMATION TECHNOLOGY

[vu.edu.au/courses/international/NBIT](http://vu.edu.au/courses/international/NBIT)

	<b>COURSE CODE:</b> NBIT <b>CRICOS:</b> 071997F
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, April, August, October
	<b>2023 FEES</b> A\$16,100 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.
<b>ACCREDITATION:</b> Australian Computer Society	

### COURSE DESCRIPTION

Develop key information technology (IT) skills to expand your career options. Focus on areas of high demand: web and mobile application development, network and system computing, ICT management, software development and network management. This course includes Android and iOS app development, as well as training in Cisco routing and switching, IPSecure, Amazon cloud servers and Microsoft Active Directory network management.

### GRADUATE OUTCOMES

This course will prepare you for roles including software analyst, web designer, mobile app developer, data centre administrator, system security consultant, webmaster and data analyst in sectors including government, banking and finance, retail, education, health, media, logistics and manufacturing. Graduates can attain professional membership with the Australian Computer Society.

### YEAR 1

- Web Development and CMS
- Introduction to Programming
- Communication and Information Management
- Computer Networks
- Introduction to Database Systems
- Operating Systems
- Introduction to Project Management
- Web Application and Server Management

### MAJORS

- Web and Mobile Application Development
- Network and System Computing

### MINORS

- Software Development
- Network Management
- ICT Management
- The Entrepreneurial Mindset

### COMPULSORY MINORS

- Graduating Core

The full course structure is on the website.

## BACHELOR OF CYBER SECURITY

[vu.edu.au/courses/international/NBCS](http://vu.edu.au/courses/international/NBCS)

	<b>COURSE CODE:</b> NBCS <b>CRICOS:</b> 103891C
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, April, August, October
	<b>2023 FEES</b> A\$16,100 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.

### COURSE DESCRIPTION

Gain in-demand skills to protect data and information systems from hackers in this internationally recognised degree. You'll learn essential skills in cyber threat detection and risk management, including: cyber security technologies; ethical hacking and digital forensic data collection; vulnerability analysis and control; enterprise security; cyber security regulation; policies and laws; software development; and network design.

#### YEAR 1

Web Development and CMS  
Introduction to Programming  
Communication and Information Management  
Computer Networks  
Introduction to Database Systems  
Operating Systems  
Introduction to Project Management  
Web Application and Server Management

#### YEAR 2

Digital Forensics and Ethical Hacking  
Cyber Security Essentials  
Server Administration and Management  
Introduction to ICT Management  
Cyber Law Policy and Professional Ethics

### GRADUATE OUTCOMES

Graduating from this course will prepare you for a variety of cyber security or IT careers, such as cyber security specialist, cyber security consultant, cloud security engineer, network security engineer, and mobile and web applications developer.

Data Privacy and Cyber Physical Systems Security  
Big Data  
Networking Technologies

#### YEAR 3

Enterprise Network Management  
Security Operations and Vulnerability Analysis  
Applied Project 1  
ICT Business Analytics and Data Visualisation  
Virtualisation in Computing  
Data Analytics for Cyber Security  
Small IT Business  
Applied Project 2

## BACHELOR OF DATA SCIENCE

[vu.edu.au/courses/international/NBDS](http://vu.edu.au/courses/international/NBDS)

	<b>COURSE CODE:</b> NBDS <b>CRICOS:</b> 108667D
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$16,100 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, including mathematics.

### COURSE DESCRIPTION

With market information and technology evolving at great speed, skilled professionals are needed to transform data into actionable insights for business. The Bachelor of Data Science is designed to meet this demand, equipping you with high-level understanding of predictive models and the related technology. Throughout your study, you will learn how to wrangle, analyse, visualise, predict, and find insights into data to solve a host of real-world problems.

#### YEAR 1

Web Development and CMS  
Introduction to Programming  
Communication and Information Management  
Computer Networks  
Introduction to Database Systems  
Operating Systems  
Introduction to Project Management  
Web Application and Server Management

#### YEAR 2

Object Oriented Programming  
Cloud Application Development  
Fundamentals of Data Science  
Introduction to ICT Management

### GRADUATE OUTCOMES

Graduating from this course will prepare you to pursue careers in the following roles:

- ♦ data scientist or data analyst
- ♦ business analyst or market research analyst
- ♦ machine learning engineer or scientist
- ♦ statistician
- ♦ business intelligence (BI) specialist.

IT Profession and Ethics  
Software Engineering  
Big Data  
Machine Learning and Data Mining

#### YEAR 3

Online Business System Development  
Predictive Analysis  
Applied Project 1  
ICT Business Analytics and Data Visualisation  
Mobile Application Development  
Data Analytics and Cyber Security  
Advanced Data Science  
Applied Project 2

“

**MY AMBITION IS VERY SIMPLE – TO DO WHAT I LOVE. I LOVE PROGRAMMING AND I WANT TO EXCEL AT IT, TO A GREATER EXTENT. I WOULD CERTAINLY RECOMMEND VU TO OTHER STUDENTS. IT CAN BRING OUT THE BEST IN YOU.**

”

**RENUKA (NEPAL)**  
Bachelor of Information Technology

## MASTER OF APPLIED INFORMATION TECHNOLOGY

[vu.edu.au/courses/international/NMIT](http://vu.edu.au/courses/international/NMIT)

<b>C</b>	<b>COURSE CODE:</b> NMIT <b>CRICOS:</b> 083307E
<b>L</b>	<b>LOCATION</b> City Campus (City Tower)
<b>D</b>	<b>DURATION</b> 2 years
<b>I</b>	<b>2023 INTAKES</b> February, August
<b>\$</b>	<b>2023 FEES</b> A\$16,400 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
<b>✓</b>	<b>ADMISSIONS CRITERIA</b> A degree equivalent to an Australian undergraduate degree or higher in a similar discipline.
<b>ACCREDITATION:</b> Australian Computer Society	

### COURSE DESCRIPTION

Build on your computing skills, preparing for senior IT roles. We focus on solving real-world problems in cloud computing, cybersecurity, advanced programming, software engineering, wireless and mobile networking, mobile applications, data analytics and project management. Take part in an industry placement program and complete an industry project.

### CORE UNITS

Principles of Project Management  
Project Management and Information Technology  
Fundamentals of Cyber Security  
Enterprise Security Management  
Networking Systems  
Database Analysis and Design  
Advanced Object Oriented Programming  
Introduction to Research  
Cloud Security  
Advanced Project

Select one of the following options:

Option 1  
Research Project Part A  
Research Project Part B  
Plus 48 credit points of Elective units

### GRADUATE OUTCOMES

Graduates can attain professional membership of the Australian Computer Society. Potential careers include cutting-edge IT roles in cloud computing, data mining and sensor networks as well as software development and engineering, ICT training, business intelligence, networking, data warehousing and project management.

Option 2  
Research Thesis 1  
Research Thesis 2  
Plus 24 credit points of Elective units

### ELECTIVE UNITS

Fundamentals of Project Management  
Project Planning and Control  
Project Stakeholder Management  
Project Risk Management  
Cybersecurity Law, Regulation and Policy  
Mobile Applications  
Data Warehousing and Mining  
Mobile Network Design

# LAW & CRIMINOLOGY

At the College of Law and Justice at VU, you will gain practical legal experience and build valuable industry connections while you study.

In the heart of Melbourne's legal district at our City Campus (City Tower), you will learn from experienced legal practitioners and adjunct professors. You will have access to our moot court and a world-class law library, and study alongside the College's dedicated research group, focused on current-day legal, criminology and policy issues facing the community, legal profession, government, the criminal justice system and regulators.

Explore Law & Criminology

## CLINICAL LEGAL INTERNSHIP PROGRAM

As a student of law and justice at VU, you'll have access to unique court internships, with some of Australia's leading lawyers, judges and barristers. This includes the rare opportunity to shadow a judge at the County Court, and placements with the Prosecutions Divisions at Victoria Police and WEstjustice through our clinical education program.

## INTERVIEWING AND ADVOCACY

Study with us, and gain practical experience interviewing clients and in-court presentation skills in our core practical skills units within your law degree. As a student of criminology you will have the opportunity to study crime in society, along with the pros and cons of traditional responses to crime and alternative ways of achieving justice. Topics studied include victimology, digital criminology, corporate crime and crime across borders.

## STUDY EXCHANGE AND TOURS

Gain a global view of what's possible as a lawyer, with study exchange programs at Stetson University College of Law, (USA), Berlin School of Economics and Law (Germany) and Leeds Beckett University (UK).

Participate in a study tour, studying the criminal justice system in India.

“

**MY INTERNSHIP AT WESTJUSTICE IS A 150-HOUR PLACEMENT, WHICH COUNTS TOWARDS MY DEGREE. I'VE SAT IN ON CLIENT PHONE CALLS AND BAIL HEARINGS, DRAFTED DOCUMENTS, BECOMING FAMILIAR WITH BRIEFS AND CLIENTS, AND PROFESSIONAL WORK CULTURE. IT HAS GIVEN ME EXACTLY THE KIND OF EXPERIENCE AND CONFIDENCE EMPLOYERS ARE LOOKING FOR IN THE LEGAL PROFESSION.**

”

RAWAN  
Bachelor of Laws

# LAW & CRIMINOLOGY

## BACHELOR OF LAWS

[vu.edu.au/courses/international/BLAW](http://vu.edu.au/courses/international/BLAW)

	<b>COURSE CODE:</b> BLAW <b>CRICOS:</b> 040190B
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$15,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSION REQUIREMENT</b> A secondary school qualification equivalent to an Australian Year 12 certificate. Entry requires a completed supplementary form.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board	

### COURSE DESCRIPTION

Gain a broad perspective on legal practice and specialist academic and professional skills in advocacy, ethical judgement, communication, legal research and writing, interviewing and negotiation. Take advantage of our moot program, which simulates court room proceedings, and gain real-world experience of the justice system with our industry partners.

#### YEAR 1

Australian Legal System in Context  
Contracts 1  
Legal Research Methods  
Torts  
Criminal Law  
Criminal Investigation, Procedure and Sentencing  
Legal Writing and Drafting  
Legal Interpretation

#### YEAR 2

Real Property Law  
Corporations Law  
Constitutional Law  
Commercial Law  
24 credit points of law electives  
24 credit points of non-law electives

### GRADUATE OUTCOMES

You could work as a lawyer or in legal practice in areas including criminal law, family law, commercial law and business. Many of our graduates choose to work in community legal centres providing legal access to disadvantaged groups, and in not-for-profit organisations. Roles include solicitor, lawyer, policy adviser, legal adviser or human rights advocate.

#### YEAR 3

Australian Administrative Law  
Equity and Trusts  
Lawyers' Ethics and Professional Responsibility  
60 credit points of law electives

#### YEAR 4

Evidence  
Internships and Law Practice  
Interviewing and Advocacy  
Civil Procedure  
24 credit points of law electives  
24 credit points of non-law electives

**The full course structure is on the website.**

## BACHELOR OF LAWS (GRADUATE ENTRY)

[vu.edu.au/courses/international/BLGE](http://vu.edu.au/courses/international/BLGE)

	<b>COURSE CODE:</b> BLGE <b>CRICOS:</b> 041647K		<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August		<b>2023 FEES</b> A\$15,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)		<b>ADMISSIONS CRITERIA</b> An undergraduate degree with a distinction (70% or above) average in the final year. Entry requires a completed supplementary form.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board			

### COURSE DESCRIPTION

This course is available to bachelor degree graduates from any discipline. As well as exploring legal practice and ethics, this course covers all major areas of law including contracts, torts, property, constitutional, criminal and corporate. You will develop valuable skills in negotiation, mediation, legal drafting, statutory interpretation and preparing for court appearances. When you graduate, you'll have satisfied the academic requirements for admission to legal practice in Victoria. Admission as an Australian lawyer can be obtained after successful completion of the practical legal training requirements.

## BACHELOR OF CRIMINOLOGY/ BACHELOR OF PSYCHOLOGICAL STUDIES

[vu.edu.au/courses/international/LBCP](http://vu.edu.au/courses/international/LBCP)

	<b>COURSE CODE:</b> LBCP <b>CRICOS:</b> 102921K		<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, August		<b>2023 FEES</b> A\$15,800 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)		<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board			

### COURSE DESCRIPTION

Drawing on key themes in criminology and psychology, you'll gain the expertise needed to understand and solve real problems in the community. You'll study important subject areas such as: policing and offending; criminal justice system; human rights; corporate crime; victims, justice and the law; history, theories and practice of psychology; research methods in psychology; and clinical aspects of psychology. Through completion of the accredited psychology major, you'll gain a strong understanding of human behaviour and emotions to complement your knowledge of criminal behaviour and motivations.

## BACHELOR OF CRIMINOLOGY

[vu.edu.au/courses/international/LBCR](http://vu.edu.au/courses/international/LBCR)

	<b>COURSE CODE:</b> LBCR <b>CRICOS:</b> 102415F
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$14,300 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board	

### COURSE DESCRIPTION

Develop an understanding of the motivation behind criminal acts and gain the knowledge and skills needed to help police, legal, and social-welfare organisations address the causes and results of criminal behaviour. You will study areas including policing and offending, law, crime and forensic investigations. Your strong foundation in law subjects will help you work effectively within the legal system.

### GRADUATE OUTCOMES

Your qualification will be widely recognised in areas including forensic work, police work, community legal settings, legal aid, paralegal work, youth justice, correctional services and community services.

#### YEAR 1

Applied Human Rights  
Australian Legal System in Context  
Legal Research Methods  
Introduction to Criminology  
Policing and Offending  
Criminal Law  
Criminal Investigation, Procedure and Sentencing  
Legal Interpretation

#### YEAR 2

Criminal Justice Systems 2  
Sociology of Law  
Corporate Crime  
History of Criminal Law and Trials  
Contemporary Issues in Criminology  
24 credit points Minor 1 Units 1-2  
12 credit points Minor 2 Unit 1

#### YEAR 3

Victims, Justice and the Law  
Crime Research and Methods  
Research Project  
24 credit points Minor 1 Units 3-4  
36 credit points Minor 2 Units 2-4

#### MINORS

Human Rights  
Interpersonal Skills and Conflict Resolution  
Psychology  
International Security  
Comparative Criminal Justice and Human Rights

## BACHELOR OF LAWS/BACHELOR OF CRIMINOLOGY

[vu.edu.au/courses/international/LBLC](http://vu.edu.au/courses/international/LBLC)

	<b>COURSE CODE:</b> LBLC <b>CRICOS:</b> 102416E
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 4.5 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$15,200 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board	

### COURSE DESCRIPTION

Launch a career investigating and prosecuting crime, or defending the criminally accused, with a law and criminology degree from VU. Our Bachelor of Laws/Bachelor of Criminology will give you broad knowledge of the causes and consequences of crime. You'll gain expertise in criminal investigation, sentencing, and security, at national and international levels. You will also develop practical skills in investigating and providing strategic advice in relation to crime and crime management.

### GRADUATE OUTCOMES

The Bachelor of Laws/Bachelor of Criminology satisfies the academic requirements to become an Australian lawyer, as required by the Victorian Legal Admissions Board. In order to become an Australian Lawyer, you'll also need to complete practical legal training or an equivalent.

#### YEAR 1

Australian Legal System in Context  
Contracts 1  
Legal Research Methods  
Torts  
Introduction to Criminology  
Policing and Offending  
Criminal Law  
Criminal Investigation, Procedure and Sentencing

#### YEAR 2

Criminal Justice Systems 2  
Corporate Crime  
History of Criminal Law and Trials  
Legal Writing and Drafting  
Legal Interpretation

Corporations Law  
Constitutional Law  
Privacy and Media Law

#### YEAR 3

Sociology of Law  
Real Property Law  
Contemporary Issues in Criminology  
Crime Across Borders  
Commercial Law  
Equity and Trusts  
Lawyers' Ethics and Professional Responsibility  
12 credit points of Law Elective studies

**The full course structure is on the website.**

## BACHELOR OF CRIMINAL JUSTICE

[vu.edu.au/courses/international/ABCJ](http://vu.edu.au/courses/international/ABCJ)

	<b>COURSE CODE:</b> ABCJ <b>CRICOS:</b> 088599C
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board	

### COURSE DESCRIPTION

Gain in-depth knowledge of our justice systems and develop a holistic understanding of community justice. You will study the law and restorative justice models and learn the contributing factors to why people interact with the legal system. You will learn in a dynamic classroom environment that tests your ideas, builds your practical skills and strengthens your foundational knowledge. You will also undertake an industry placement.

#### YEAR 1

Young People in a Global Community  
Aboriginal Traditions and Policy  
Applied Human Rights  
Criminal Justice Systems  
Youth and Community Contexts  
Working in Human Services Organisations  
Policing and Offending  
Australian Legal System in Context

#### YEAR 2

Holistic Practice With Young People  
Project Design and Implementation  
Change and Community Justice  
Criminal Justice Systems 2  
Ethics

### GRADUATE OUTCOMES

You will graduate work-ready in areas that support the legal system, including prisons, police, corrections, the courts and youth justice. Possible job titles include community justice worker, customs or immigration officer, police officer, correctional officer or court administrator.

Young People with All Abilities  
Young People and Substance Use  
History of Criminal Law and Trials

#### YEAR 3

Professional Culture and Collaboration  
Research in the Community  
Sociology of Law  
Supporting Young People in Dual Diagnosis Settings  
Working with Young People with Complex Issues  
Professional Practice 2  
Rights, Advocacy and Discrimination

## GRADUATE DIPLOMA IN MIGRATION LAW

[vu.edu.au/courses/international/LGML](http://vu.edu.au/courses/international/LGML)

	<b>COURSE CODE:</b> LGML <b>CRICOS:</b> 096290B
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 1 year
	<b>2023 INTAKES</b> February, July
	<b>2023 FEES</b> A\$17,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> An Australian undergraduate degree or equivalent in any discipline.
<b>ACCREDITATION:</b> Victorian Legal Admissions Board, Migration Agents Registration Authority	

### COURSE DESCRIPTION

VU is Australia's leading migration law education provider, with the longest-running program nationwide. Through applied research and study, you will gain practical knowledge and skills in migration law and policy expertise, legal research and drafting skills, submission writing techniques, professional and interpersonal communication skills, as well as knowledge about the migrant experience and human rights issues.

#### YEAR 1

Practitioner Legal Skills for Australian Migration Law  
Australian Migration Law  
Australia's Visa System 1  
Australia's Visa System 2  
Visa Compliance and Cancellation  
Migration Review Mechanisms  
Applied Migration Law  
Managing a Migration Agent Business

### GRADUATE OUTCOMES

The Graduate Diploma in Migration Law is designed for prospective migration agents, including legal practitioners, HR migration specialists and government workers. By completing the Graduate Diploma in Migration Law and the prescribed external capstone exam, you will be eligible for registration as a migration agent with the Office of the Migration Agents Registration Authority.

# SPORT & EXERCISE SCIENCE

Kick off an exciting career in sport and exercise science, physical education, outdoor recreation, sport management and more, at a university ranked 9th in the world for sport science (Global Ranking of Sport Science Schools and Departments, 2021).

At VU, you can achieve your goals through industry-embedded learning in some of Australia – and the world’s – most elite sporting bodies.

Build connections within the industry and be empowered by teaching staff who are also highly regarded coaches, advisers and sports professionals.

Explore Sport & Exercise Science

## 9<sup>TH</sup> IN THE WORLD FOR SPORT SCIENCE

In 2021, VU was ranked 9 in the world in the ShanghaiRanking’s Global Ranking of Sport Science Schools and Departments.

## 300+ PARTNERSHIPS

VU has more than 300 partnerships and affiliations with elite and community sports organisations, including FIFA, Western Bulldogs, Melbourne Victory Football Club, and the Australian Institute of Sport.

## WORLD-CLASS FACILITIES

\$68 million sport and exercise science facilities at Footscray Park Campus, including an exercise science lab that can simulate everything from extreme climates to extreme altitudes. Our special Altitude Hotel and \$8 million sport and recreation learning centre at VU Whitten Oval was achieved through our partnership with the Western Bulldogs.

**ALMOST ALL OF OUR CLASSES INVOLVE A PRACTICAL COMPONENT. WHETHER IT’S RUNNING A VO2 MAX TEST OR A FULL BIOMECHANICAL ANALYSIS, RUNNING A KIDS’ COACHING SESSION, OR WATCHING A GAME AND ANALYSING PERFORMANCE – HANDS-ON IS A GREAT WAY TO LEARN.**

**BRADY**  
Bachelor of Sports Science

## BACHELOR OF SPORT MANAGEMENT

[vu.edu.au/courses/international/SBSM](http://vu.edu.au/courses/international/SBSM)

	<b>COURSE CODE:</b> SBSM <b>CRICOS:</b> 084881M
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$17,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Build a career in the sport, recreation and outdoor adventure industries. Learn sports management techniques and their application in planning, human resource management, finance, leadership, marketing and performance evaluation. You will benefit from our extensive industry partnerships and our placement program ensures you will develop professional connections before you even graduate.

### YEAR 1

Introduction to Marketing  
Management and Organisation Behaviour  
Introduction to Adventure Environments  
Introduction to Sport and Active Recreation  
Foundations of Sport and Active Recreation  
Community Building for Sport and Active Recreation  
Financial Management for Sport and Active Recreation  
Human Resources for Sport and Active Recreation

### YEARS 2 & 3 MAJORS

Outdoor Recreation Leadership  
Sport and Active Communities

### GRADUATE OUTCOMES

When you graduate, you will be ready to manage professional sports organisations, community sports programs, major sporting events and sporting facilities. You'll also have the skills to manage social development projects, outdoor adventure activities and active recreation experiences.

### COMPULSORY MINOR

Professional Development in Sport and Outdoor Recreation

### MINORS

Adventure Sports  
Games and Sports  
Health (Sport Science Minor)  
Outdoor Recreation Leadership  
Sport and Active Communities  
Sport Coaching

## BACHELOR OF SPORT MANAGEMENT/BACHELOR OF BUSINESS

[vu.edu.au/courses/international/SBSB](http://vu.edu.au/courses/international/SBSB)

	<b>COURSE CODE:</b> SBSB <b>CRICOS:</b> 084880A
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$16,400 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Aim for an exciting career in sport or business with this double degree, which prepares you for management, training and operational roles. We teach important skills in policy, planning and strategy, team management, player welfare and support, gym and exercise program administration, and coordination of community-based activity programs. You'll also gain valuable work experience and industry contacts through our placement program.

### YEAR 1 CORE UNITS

Integrated Business Challenge  
Management and Organisation Behaviour  
Introduction to Sport and Active Recreation  
Foundations of Sport and Active Recreation  
Accounting for Decision Making  
Information Systems for Business  
Introduction to Marketing  
Human Resources for Sport and Active Recreation

### GRADUATE OUTCOMES

You'll graduate ready to plan, organise and lead activities at the elite and community level. Your understanding of planning, finance, marketing and people management will prepare you for a range of careers in business, sporting organisations, local government, or outdoor adventure.

### YEAR 2

Business Statistics  
Business Law  
Economic Principles  
Community Building for Sport and Active Recreation  
Ethics in Sport Management and Active Recreation

The full course structure is on the website.

## BACHELOR OF EXERCISE SCIENCE (CLINICAL PRACTICE)

[vu.edu.au/courses/international/ABHE](http://vu.edu.au/courses/international/ABHE)

	<b>COURSE CODE:</b> ABHE <b>CRICOS:</b> 084834G
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$17,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.
<b>ACCREDITATION:</b> Exercise and Sports Science Australia	

### COURSE DESCRIPTION

This course focuses on using exercise for rehabilitation. It covers biomechanics, clinical exercise, pathophysiology, nutrition and diet, and motor learning. You'll develop a solid understanding of the science that underpins sport and exercise. You'll work with new ideas and technologies, and gain knowledge and skills for a professional career in clinical exercise physiology, rehabilitation, sport science or human movement.

### GRADUATE OUTCOMES

Join a group of VU graduates known to be strong performers in the sports industry due to their practical experience. This course will allow you to gain employment in a range of roles including exercise physiologist, personal trainer, sport scientist, strength and conditioning coach, or sport nutritionist.

#### YEAR 1

Structural Kinesiology  
Research Methods for Exercise Professionals  
Human Growth and Lifespan Development  
Resistance Training  
Biomechanics  
Human Physiology  
Exercise Physiology  
Exercise and Sport Psychology

Advanced Exercise Physiology  
Advanced Biomechanics  
Clinical Exercise Practice 1  
Applied Exercise Psychology  
Motor Control  
Functional Anatomy of the Head and Back  
Pathophysiology 1  
Exercise, Health and Disease  
Sport and Exercise Science Capstone  
Corrective Exercise Prescription and Injury Management  
Advanced Training and Conditioning

#### YEARS 2 & 3

Nutrition and Diet for Exercise and Physical Education  
Exercise Interventions for Healthy Populations  
Motor Learning  
Advanced Resistance Training  
Functional Kinesiology

## BACHELOR OF EXERCISE SCIENCE (SPORT PRACTICE)

[vu.edu.au/courses/international/ABHD](http://vu.edu.au/courses/international/ABHD)

	<b>COURSE CODE:</b> ABHD <b>CRICOS:</b> 084833G
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$17,000 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate or higher. A Police Records Check and a Working with Children Check are required prior to placements.
<b>ACCREDITATION:</b> Exercise and Sports Science Australia	

### COURSE DESCRIPTION

Learn from world-leading experts in sport studies and enjoy access to state-of-the-art facilities. This course covers biological and social sciences, with a focus on sports physiology and biomechanics. You will build a solid understanding of the science that underpins sports and exercise. You will benefit from our industry connections, with professional placements and industry networking opportunities.

### GRADUATE OUTCOMES

Our graduates find employment at elite sport organisations, leisure centres, community service organisations and even start their own businesses. Pursue a career in exercise physiology, personal fitness training, community fitness and health services, sports data analysis, performance coaching, athlete talent identification and development, and sports nutrition.

#### YEAR 1

Structural Kinesiology  
Research Methods for Exercise Professionals  
Human Growth and Lifespan Development  
Resistance Training  
Biomechanics  
Human Physiology  
Exercise Physiology  
Exercise and Sport Psychology

Functional Kinesiology  
Advanced Exercise Physiology  
Advanced Biomechanics  
Sport Physiology  
Clinical Exercise Practice 1  
Social Dimensions of Sport and Exercise  
Applied Exercise Psychology  
Motor Control  
Professional Ethics  
Advanced Training and Conditioning  
Exercise, Health and Disease

#### YEARS 2 & 3

Nutrition and Diet for Exercise and Physical Education  
Exercise Interventions for Healthy Populations  
Sports Biomechanics  
Motor Learning  
Advanced Resistance Training

## BACHELOR OF PHYSICAL EDUCATION AND SPORT SCIENCE

vu.edu.au/courses/international/SBPH

<b>C</b>	<b>COURSE CODE:</b> SBPH <b>CRICOS:</b> 088601C
<b>L</b>	<b>LOCATION</b> Footscray Park
<b>D</b>	<b>DURATION</b> 3 years
<b>2023 INTAKES</b>	February, August
<b>2023 FEES</b>	A\$16,400 per semester
<b>E</b>	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
<b>✓</b>	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate, or higher. A Police Records Check and Working with Children Check are required prior to placements.

### COURSE DESCRIPTION

Turn your passion for physical activity and sport, and your ability to inspire others, into a lifelong career. In our top-rated physical education and sport science program you will study a range of subjects across disciplines such as games and sports, skill acquisition, motor development, inclusive physical activity, anatomy, kinesiology, health, exercise physiology, biomechanics, individual fitness activities, aquatics, athletics and nutrition.

### GRADUATE OUTCOMES

Graduates of this course can pursue careers in fields such as physical education, sport science, fitness, health, exercise rehabilitation and coaching.

### YEAR 1

Structural Kinesiology  
Biomechanics  
Human Physiology  
Exercise Physiology  
Exercise and Sport Psychology  
Introduction to Adventure Environments  
Inclusion and Diversity in Physical Activity  
Aquatic and Athletic Movement Activities

### PROFESSIONAL CORE UNITS

Nutrition and Diet for Exercise and Physical Education  
Motor Learning  
Sport and Social Analysis  
Social Dimensions of Sport and Exercise  
Sexuality and Relationships  
Social Bases of Health: Global Perspectives  
Rhythmic and Expressive Movement  
Major and Minor Games  
Growth and Motor Development  
Games and Sports  
Perspectives on Physical Education  
Sport Ethics

The full course structure is on the website.

“

THE UNIVERSITY'S STRONG FOCUS ON PRACTICAL LEARNING IS EXCELLENT. THE PRACTICAL NATURE OF THE EDUCATION AT VU EQUIPPED ME WITH THE SKILLS TO WORK WITH ATHLETES AND GENERAL POPULATIONS ALIKE.

## MASTER OF CLINICAL EXERCISE SCIENCE AND REHABILITATION

[vu.edu.au/courses/international/AMEP](http://vu.edu.au/courses/international/AMEP)

	<b>COURSE CODE:</b> AMEP <b>CRICOS:</b> 077582C
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 1.5 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$16,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
	<b>ADMISSIONS CRITERIA</b> Completion of an Australian Bachelor degree (or equivalent) in a similar discipline and Exercise and Sport Science Australia (ESSA) accreditation as an Exercise Scientist (AES), or eligibility for Exercise Scientist accreditation.
<b>ACCREDITATION:</b> Exercise and Sports Science Australia	

### COURSE DESCRIPTION

Become an accredited exercise physiologist. You will learn to assess and prescribe exercise and physical activity for people with chronic conditions or complex care needs. Our program follows a strong evidence-based approach to the scope of practice of clinical exercise physiology. To consolidate your theoretical learning, you will gain significant practical experience during clinical placements.

### GRADUATE OUTCOMES

This course will prepare you to work with people who have musculoskeletal injuries, neurological conditions, metabolic conditions, cardiovascular conditions and various comorbidities. You will be eligible for accreditation as an exercise physiologist and could work in a range of settings including hospitals, community health centres, sports clinics and rehabilitation clinics.

### UNITS

Exercise Assessments and Interventions for Cardiorespiratory Conditions  
Exercise Assessments and Interventions for Metabolic Conditions and Cancer  
Exercise and Mental Health  
Case Management for Clinical Exercise  
Clinical Exercise Practice  
Exercise Assessments and Interventions for Musculoskeletal Conditions  
Exercise Assessments and Interventions for Neurological Conditions  
Occupational Health and Exercise Rehabilitation  
Advanced Case Management and Practice  
Applied Sports Statistics

### ELECTIVES

Enhancing Muscular Performance  
Behavioural Aspects of Active Living

### OR

Minor Thesis

## MASTER OF SPORT BUSINESS

[vu.edu.au/courses/international/SMB5](http://vu.edu.au/courses/international/SMB5)

	<b>COURSE CODE:</b> SMB5 <b>CRICOS:</b> 103438B
	<b>LOCATION</b> City Campus (City Tower)
	<b>DURATION</b> 1.5 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$20,300 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> Completion of an Australian bachelor degree or equivalent in a similar discipline, or higher.

### COURSE DESCRIPTION

Gain the professional and personal skills to succeed in the global sport business industry with a Master of Sport Business from VU. This course prepares you for the pressures and complexity of contemporary sport management by combining cutting-edge theory with intensive case analysis and best-practice strategic management. You undertake professional-level research, study abroad through our partnership with the Real Madrid Graduate School Universidad Europea in Spain and gain industry experience to ensure you are a highly competent and confident graduate.

### GRADUATE OUTCOMES

As a graduate of the Master of Sport Business, you will be suited to a range of management and leadership roles in the global sport industry. You will be equipped to add to the public value of the sport industry through working in sport integrity, partnerships, marketing, economics, strategic management, facilities and events, and many other opportunities locally and globally.

### UNITS

Current Issues and Trends in Sport  
Research Methods and Applied Statistics  
Industry Engagement  
Sport Integrity and Ethics  
Learning to Lead People in High Performance Teams  
Strategic Sport Marketing  
Strategic Planning and Management for Sport Business  
Sport Facility and Event Management

### SPECIALISATIONS

Minor Thesis  
Applied Research  
Management

“

SINCE I'M AN ATHLETE, STUDYING UNDER THE BLOCK MODEL HELPS ME TO CONCENTRATE ON MY STUDIES AND SPORTS AT THE SAME TIME. ## BACHELOR OF SOCIAL WORK

[vu.edu.au/courses/international/ABSW](http://vu.edu.au/courses/international/ABSW)

	<b>COURSE CODE:</b> ABSW <b>CRICOS:</b> 077997B
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 4 years
	<b>2023 INTAKES</b> February
	<b>2023 FEES</b> A\$14,300 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 7.0 (no band less than 7.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Australian Association of Social Workers	

### COURSE DESCRIPTION

Improve people's lives by addressing social problems, human rights issues and social justice concerns. This course will give you an in-depth understanding of interpersonal and group work, community development, policy analysis, social research and social action. You will gain the skills and knowledge to develop the potential of individuals, groups and communities and you'll have the opportunity to apply these insights during two placements.

### GRADUATE OUTCOMES

VU's Bachelor of Social Work is accredited by the Australian Association of Social Workers (AASW), the professional body representing social workers in Australia. It is an entry qualification into the social work profession and has been determined to meet the Australian Social Work Education and Accreditation Standards. Graduates typically find employment with not-for-profit or charitable organisations, as well as the community and government sectors. Roles include social worker, youth worker or community health centre counsellor.

### YEAR 1

Introduction to Sociology  
Aboriginal Traditions and Policy  
Applied Human Rights  
Working in Human Services Organisations  
Introduction to Social Work  
Foundations of Social Science Research  
Introduction to Public Health and Wellness  
Interpersonal Skills and Communication

Skills for Social Work Direct Practice  
Social Work Practice: Legal Context

### YEAR 3

Introduction to Social Policy  
Professional Practice  
Working with Individuals and Families  
Social Research 2  
Young People with All Abilities

### YEAR 2

Groupwork Theory and Practice  
Social Welfare: History and Current Context  
Human Development in Social Context  
Critical Social Work Theories  
Social Work Theories  
Social Work and Trauma Informed Care

### YEAR 4

Understanding and Responding to Family Violence  
Health and Mental Health: Practice and Policy  
Advanced Professional Practice  
Social Work Advocacy: Scope, Research and Design  
Social Work Advocacy: Social Change in Action

## BACHELOR OF YOUTH WORK

[vu.edu.au/courses/international/ABYW](http://vu.edu.au/courses/international/ABYW)

	<b>COURSE CODE:</b> ABYW <b>CRICOS:</b> 074356D
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.
<b>ACCREDITATION:</b> Youth Workers Association	

### COURSE DESCRIPTION

Make a difference to the lives of disadvantaged young people. This degree is the largest in Australia and it is delivered by experts in the field. You will receive expert guidance from specialist youth sociologists and workers from the disability, legal care and community development sectors. You will also undertake professional work placements.

### GRADUATE OUTCOMES

This course is accredited by the Youth Workers' Association in Victoria. You will graduate with a solid professional foundation for working with young people, specialist knowledge to support disadvantaged groups and clarity on the services available to teenagers and young adults, as well as practical management and leadership skills.

### YEAR 1

Youth Work Practice  
Youth Work Practice 2  
Young People in a Global Community  
Aboriginal History and Political Movements  
Applied Human Rights  
Principles of Youth Participation  
Youth and Community Contexts  
Youth and Community Programs

### YEAR 3

Youth Policy and Civics  
Professional Culture and Collaboration  
Research in the Community  
Supporting Young People in Dual Diagnosis Settings  
Working with Young People with Complex Issues  
Professional Practice 2  
Digital Life & Learning

### YEAR 2

Ethics and Youth Work Practice  
Holistic Practice with Young People  
Professional Practice 1  
Youth Policy, Civics and Culture  
Change and Community Justice  
Young People with All Abilities  
Young People and Substance Use  
Rights, Advocacy and Discrimination

## BACHELOR OF COMMUNITY DEVELOPMENT

[vu.edu.au/courses/international/ABCD](http://vu.edu.au/courses/international/ABCD)

	<b>COURSE CODE:</b> ABCD <b>CRICOS:</b> 088782D
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 3 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$13,100 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.0 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A secondary school qualification equivalent to an Australian Year 12 certificate.

### COURSE DESCRIPTION

Develop the skills to become an effective community worker. You will make communities stronger and be an advocate for change. This course focuses on practical skills and includes extensive placements in community development organisations. You have the option of studying abroad with one of our overseas partners, giving you the opportunity to broaden your worldview and build your capacity as a community worker.

### GRADUATE OUTCOMES

When you graduate, you will be ready to work in the not-for-profit, community or government sectors. Job titles include community development/liaison officer, project coordinator, advocacy campaigner, policy officer, international aid worker and researcher.

#### YEAR 1

Young People in a Global Community

Research in the Community  
Conflict Resolution in Groups and Communities  
Rights, Advocacy and Discrimination  
Professional Practice 2  
24 credit points from one minor

#### YEAR 2

Holistic Practice with Young People  
Professional Practice 1  
Management in Non-Government Organisations  
Project Design and Implementation  
Change and Community Justice  
Criminal Justice Systems 2  
24 credit points from one minor

#### MINORS

Gender Studies  
International Development  
Student Welfare  
Aboriginal Yulendj (Knowledge) and Community  
Political Science

## MASTER OF INTERNATIONAL COMMUNITY DEVELOPMENT

[vu.edu.au/courses/international/AMCD](http://vu.edu.au/courses/international/AMCD)

	<b>COURSE CODE:</b> AMCD <b>CRICOS:</b> 083312G
	<b>LOCATION</b> Footscray Park
	<b>DURATION</b> 2 years
	<b>2023 INTAKES</b> February, August
	<b>2023 FEES</b> A\$13,700 per semester
	<b>ENGLISH REQUIREMENT</b> IELTS (or equiv.) overall 6.5 (no band less than 6.0)
	<b>ADMISSIONS CRITERIA</b> A degree equivalent to an Australian undergraduate degree or higher. Students must submit a 500-word written statement addressing their interest in doing the course and career aspirations in community development practice and management.

### COURSE DESCRIPTION

Become a leader in social change, human rights and sustainable development. Study community development project design and management, globalisation and social movements, geopolitical impacts on the governance of international organisations, conflict resolution and peace building. VU is one of the few universities in Australia to offer regional and contextual studies in Latin America, Africa and Asia.

### GRADUATE OUTCOMES

Graduates gain employment in areas such as human rights, humanitarian aid and development work. Careers include consultant, adviser or project manager in the government or community sector, or with organisations including the Australian Red Cross, Save the Children and the Asylum Seeker Resource Centre.

#### YEAR 1

Research Methods  
Community Development: Theory and Practice  
Community Development: Project Planning and Management  
Transnational Gender Issues and Human Rights  
Building Capacity and Mobilising Civil Society  
Conflict Resolution in Groups and Communities  
24 credit points of elective studies

#### OPTION B - Research Thesis

Research Thesis (Part 1)  
Research Thesis (Part 2)  
48 credit points of Elective studies

#### YEAR 2

OPTION A - Community-based Research  
Community-Based Research (Part 1)  
Community-Based Research (Part 2)  
48 credit points of Elective studies OR

#### ELECTIVES

Interpreting 'Asia' and the 'Pacific'  
Engaging Communities for Sustainability  
Migration, Culture and Identity  
Management in Non-Government Organisations  
Regional and International Organisations and Policy  
Study Tour  
Post-Colonial and Indigenous Approaches to Learning and Teaching in the 21 Century  
Foundations of Public Health  
Global Food Systems and Food Security  
Concepts in Humanitarian Assistance

VHH2005 Contracts, Risk and Business Law  
VHH2006 Information Systems for Management  
VHH2007 Economic Principles for Management  
VHH2008 Statistical Analysis for Management

### PATHWAYS

# RESEARCH

VU Research supports all aspects of the University's research activity. It includes the Institute for Sustainable Industries and Liveable Cities and the Institute for Health and Sport.

## Institute for Sustainable Industries and Liveable Cities (ISILC)

ISILC collaborates with industry and community to create liveable cities and sustainable industry practice through new technologies, social equity and cohesion, improved environmental outcomes and policy development. The research of 170 academic staff and 350 research students is underpinned by a dynamic intellectual environment and world-class facilities.

Areas of excellence include:

- ♦ applied informatics, mathematics and artificial intelligence
- ♦ applied economics (energy policy, health and education policy and regional development)
- ♦ power systems and renewable energy integration
- ♦ construction research
- ♦ fire (modelling and experimental)
- ♦ education and youth engagement
- ♦ early childhood education
- ♦ countering violent extremism
- ♦ food processing and chemistry
- ♦ history and creative writing, including Irish studies
- ♦ supply chain management
- ♦ tourism and the visitor economy
- ♦ ESG - Environment, Social Governance
- ♦ business analytics
- ♦ water treatment and water resource management
- ♦ sensor development, control systems and telecommunications
- ♦ law.

## Centre of Policy Studies (CoPS)

CoPS specialises in Computable General Equilibrium (CGE) modelling. The Centre undertakes academic/contract research and software development, conducts training courses in CGE modelling and offers student supervision. It also undertakes economic-modelling research for governments and businesses in many parts of the world. CoPS has created Australia's best known large-scale economic models, ORANI, MMRF and TERM, now developed for over 25 countries worldwide.

## Centre for International Research on Education Systems (CIRES)

CIRES investigates the origins and consequences of low achievement in education. CIRES researchers are recognised internationally for their work on student and school outcomes. They have conducted projects in every state and territory in Australia and every sector of education and training, and increasingly with researchers, schools and systems internationally.

## The Institute for Health and Sport (IHES)

IHES addresses problems of local, national and global relevance. IHES has more than 120 research staff and 200 research students, and is supported by world-class research infrastructure.

Areas of excellence include:

- ♦ exercise science (genetics, epigenetics, metabolism)
- ♦ active living and public health
- ♦ muscle health and disease
- ♦ physical activity and mental health
- ♦ chronic disease (cancer, cardiovascular, autoimmunity)
- ♦ biomedical sciences
- ♦ biomechanics, gait and intelligent technologies
- ♦ psychology, cyberpsychology and community psychology
- ♦ health promotion and impact
- ♦ nursing, community and public health
- ♦ sports analytics, development, training and technology
- ♦ sport performance, participation and business.

[vu.edu.au/graduate-research](https://vu.edu.au/graduate-research)

[vu.edu.au/research](https://vu.edu.au/research)

VU is committed to Place-Based Planetary Health. Our whole-of-university commitment prioritises planetary health in our teaching, university practice, partnerships, and in research. Place-Based Planetary Health research finds sustainable solutions that are locally anchored, to challenges impacting the wellbeing of people, communities, country, and environment; recognising that the wellbeing of all is dependent on the wellbeing of our planet.

In 2020, the Planetary Health Alliance (PHA) welcomed VU as its newest member. The PHA was launched with the support of the Rockefeller Foundation in 2016 and is based at Harvard University.

# RESEARCH

With state-of-the-art facilities and an outstanding research profile ranking world-class or above by the Australian Government, VU is the ideal place to commence your research career. Complete a doctoral or research masters degree in one of our flagship areas and achieve your career goals.

## Doctor of Philosophy

We offer two Doctor of Philosophy (PhD) programs, and on successful completion of either program, you can use the title “doctor”. Students commence their doctoral research under the guidance of an experienced supervisor.

### PHD (INTEGRATED)

The PhD (Integrated) supports candidates who do not have research experience but have a masters degree by coursework. Students undertake five advanced coursework units in their first year. They will also complete a Year 1 Thesis, which is integrated into the larger doctoral program of research, and will complete the course in the standard four years.

### PHD

The PhD program has been designed for applicants who have a four-year undergraduate degree which included a research component; a masters by coursework and a minor thesis; or a masters by research.

## Research Masters Degrees

Our research masters degrees recognise your prior qualifications and your disciplinary expertise, meaning your program is tailored to your skills and career aspirations.

**70%**

**OF RESEARCH AT WORLD STANDARD OR HIGHER\***

**150+**

**GLOBAL RESEARCH PARTNERS**

## Research Support

You will have access to quality supervision, mentoring, English language support and research training. We have a comprehensive orientation program and a range of seminars, workshops and research events. Our Researcher Professional Development Program focuses on database searches; literature reviews; research design, methods and analysis; ethics and integrity; commercialisation and intellectual property; presentations; academic; and writing for journals, industry and your thesis.

## International Focus

Our research activities have a global reach. We work with universities, government, industry and other organisations around the world to facilitate researcher and student exchange, foster international research collaborations and create global research networks.

## Entrance Requirements

All research degrees require:

- a minimum of 70% in your qualifying degree (equivalent to an Australian degree with a minimum of 70%)
- English language proficiency (IELTS) based on an academic test module of 6.5 overall (no band less than 6.0).

Network and share your research through the following events and activities:

- Visualise Your Thesis
- Three Minute Thesis
- forums with the Dean of Graduate Research and other research leaders
- social events in conjunction with our student associations.

MyVU Plan is a platform to document your professional development during your research degree to help you achieve your career aspirations.

**PROFESSOR VASSO APOSTOLOPOULOS**

Pro Vice-Chancellor, Research Partnerships  
Group Leader – Immunology and Translational Research

Professor Vasso Apostolopoulos is a world-renowned researcher who has been recognised with over 100 awards. In response to the COVID-19 pandemic, Vasso and her team at VU are focusing on developing a vaccine to treat the virus.

Her areas of expertise include immunology, x-ray crystallography, medicinal chemistry, cellular biology and molecular biology. Professor Apostolopoulos was the first in the world to develop the concept of immunotherapy for cancer in the early 1990s. It is now used by hundreds of labs around the world to boost specific immune cells and program them to kill cancer cells.

Using immunotherapy, Professor Apostolopoulos has developed vaccines for breast cancer and ovarian cancer. Committed to the wide-ranging benefits of immunotherapy, Professor Apostolopoulos has applied this approach to other diseases including a vaccine for multiple sclerosis. She is also working on a vaccine for type 1 diabetes.

## MASTER OF APPLIED RESEARCH

[vu.edu.au/courses/international/URAR](http://vu.edu.au/courses/international/URAR) | [vu.edu.au/courses/international/URAP](http://vu.edu.au/courses/international/URAP)

 <b>URAR (099052C)</b> Institute for Health and Sport

# CAMPUSES

## ◆ CITY CAMPUS (CITY TOWER)

The new VU City Campus (City Tower), opened in early 2022, embodies the university campus of the future. It houses a state-of-the-art, 32-level building in the heart of Melbourne's central business district (CBD) and legal precinct.

The campus is home to courses in business, law, health, beauty, education and English language.

With industry partners located on our doorstep and on campus, and contributing to the design of our courses, you will benefit from networks, practical experience and real-world expertise from day one.

Learn more about the City Campus (City Tower) and plan your journey

## ◆ FOOTSCRAY NICHOLSON CAMPUS

A few minutes walk from Footscray Station, this relaxed and friendly campus is home to VU Polytechnic courses in hospitality and event management, logistics, library and information services, early childhood, education support, business and legal practice.

Footscray Nicholson Campus has childcare facilities and a recreation centre. It also houses our award-winning student-run restaurant for hospitality students, VenU.

Plan your journey to Footscray Nicholson

## ◆ FOOTSCRAY PARK CAMPUS

Footscray Park Campus is next to parklands along the Maribyrnong River, opposite the Flemington Racecourse and is a short walk from Footscray Station (only two stops from Southern Cross Station). This state-of-the-art campus has restaurants and cafés, learning commons, world-class sports science facilities, and a pool and gym.

Study areas offered at Footscray Park include sport, youth and community work, science, engineering and education.

See a 360° Campus tour, and plan your journey

VU City Campus (City Tower)

## ST ALBANS CAMPUS

Our St Albans Campus is a hub for health and nutrition research, with simulated nursing, midwifery and paramedicine labs. This campus also includes state-of-the-art Cisco cybersecurity centre, where students participate in cyber simulations.

Set in a landscape of native grasses and gum trees, you'll find a gym, and student-staffed nutrition and osteopathy clinics on site and open to the public.

There's plenty of parking available, and the campus is easy to reach by public transport.

Learn more about the St Albans Campus and plan your journey

## SUNSHINE CAMPUS

The learning hub for our building and construction trade courses.

Launched in 2020, the state-of-the-art Sunshine Skills Hub at VU Polytechnic includes a health and community services centre of excellence as well as an innovation and incubation space, along with a learning commons and café.

Learn more about the Sunshine Campus and plan your journey

## WERRIBEE CAMPUS

Located in the fastest-growing area of Melbourne, our Werribee Campus is a part of a modern technology precinct.

Werribee Campus has specialised facilities for teaching and research, including major research centres for water treatment, food science, biomedical science and fire safety.

At this campus, you can study courses in mental health, community services, early childhood education, health, trades, and sport.

Learn more about the Werribee Campus and plan your journey

# JOB SKILLS & EMPLOYMENT

VU offers many experiences to help you graduate as a well-prepared job seeker. With course content informed by industry practice and a focus on entrepreneurial thinking, our courses are structured to help you make a successful transition to your career. Opportunities to develop your professional skills include industry projects, placements with industry partners, professional mentoring and hands-on learning in high-tech labs and creative studios.

## VU Employ

VU Employ is a service that provides advice and support along every step of your career journey – from crafting your résumé for casual employment to exploring your graduate career options. VU Employ makes sure you have the skills, experience, confidence and knowledge needed to be job and career-ready.

[vu.edu.au/vu-employ](https://vu.edu.au/vu-employ)

## Talent Connect Mentoring

This program carefully matches you with a mentor to guide you in the transition from university to work. Through a series of online mentoring sessions, you can gain advice and support regarding your employability skills, career direction, networking and applications. You can also attend career readiness masterclasses.

[vu.edu.au/talent-connect](https://vu.edu.au/talent-connect)

## LEAD Program

Our LEAD program is a free, interactive and engaging leadership program for VU students. It is designed to help you become a more effective leader, build important workplace skills and enhance your employability. Take part in our series of leadership workshops and activities throughout your studies. Once you have completed the requirements, the LEAD program will be included on your VU transcript.

[vu.edu.au/lead2change](https://vu.edu.au/lead2change)

## Work While You Study

An Australian student visa (subclass 500) allows you to work in Australia. To address workforce shortages, student visa work hours have been temporarily relaxed. Students will be able to work before their course of study commences. They will also be able to work more than 40 hours a fortnight in any sector of the economy.

At the time of publication of this course guide (September 2022), these temporary measures remain in place until further notice. We strongly advise you to keep up to date about any changes to your visa conditions, including work rights (including the number of hours you are permitted to work). [homeaffairs.gov.au/visas](https://homeaffairs.gov.au/visas)

## Work After Graduation

There are two options available to you if you wish to work in Australia after graduation, under the Temporary Graduate visa (subclass 485) Post-Study Work and Graduate Work.

The Post-Study Work stream is for international students who have recently graduated from an Australian institution, in any discipline. The Graduate Work stream is for international students who have recently graduated with skills and qualifications that are relevant to specific high demand occupations in Australia. Both visas let you live, study and work in Australia temporarily.

[homeaffairs.gov.au/Trav/Stud/Post](https://homeaffairs.gov.au/Trav/Stud/Post)

# STUDENT LIFE

At VU, being a student is about more than just study. We have events, clubs and volunteering opportunities to help make your time at VU unforgettable.

VU is a welcoming and inclusive community. Our students were born in 120 different countries, speak over 170 languages and are part of more than 90 different cultures. Joining one of over 60 student clubs or groups is a great way to become part of the VU community and make friends for life.

The fun starts with orientation and O-Fest. We hold orientation sessions specifically for international students about living in Melbourne and getting the most from your VU experience. At O-Fest, you will meet other students, enjoy performances and games, go on campus tours and learn about more of the social and recreational activities at VU.

# STUDENT SERVICES

We want you to achieve your best and to enjoy all the benefits of an international education. To help this happen, we provide a range of support services to help you with your transition to life in Melbourne, your studies and your day-to-day needs.

## Airport Pick-Up

When you first arrive in Melbourne, we can welcome you at the airport and take you to your accommodation. This free service is available if you register your request at least 10 days before your arrival. You will be greeted in the arrivals hall at Melbourne Airport.

[vu.edu.au/airport-reception](http://vu.edu.au/airport-reception)

## International Support

Adjusting to a new culture and environment is both exciting and challenging. We can help you understand what's required of you as an international student, and of the opportunities and support available. We can show you how to adjust to a new culture and environment, make new friends and succeed in your studies. This includes pre-departure information, help resolving visa issues, accommodation advice and suggestions on social activities.

[vu.edu.au/international-support](http://vu.edu.au/international-support)

## VUHQ

VUHQ is the name of our student service centres and your first point of contact for assistance, advice and support. Located at every campus, VUHQ's friendly student advisers provide personalised advice, and can connect you with the services you need to succeed at VU.

[vu.edu.au/vuhq](http://vu.edu.au/vuhq)

## Learning Hubs

You can get advice and support on your university work and career goals in person at our Learning Hubs, and through our 24/7 online service, Learning Hub Tutoring.

We offer daily drop-in sessions and practical workshops dedicated to writing, maths, business, careers, and research support, with further help available via Student Mentor drop-ins and study spaces. Learning Hubs are located at most campuses.

[vu.edu.au/learning-hubs](http://vu.edu.au/learning-hubs)

## Disability Services

VU provides advice and assistance for students with a health condition or disability that impacts their study. The condition may be permanent, ongoing, or temporary. Students are invited to attend a confidential meeting with an Accessibility Liaison Officer, who will talk to you about support services available.

[vu.edu.au/disability](http://vu.edu.au/disability)

## Counselling Services

Adjusting to university life can be difficult. Free and confidential support is available to help you develop practical skills to better manage your time, money and personal matters so you can make the most of your studies and university life. If required, we can also link you to community organisations for assistance with cultural issues, consumer rights, legal issues and women's support services.

[vu.edu.au/welfare](http://vu.edu.au/welfare)

## Digital Experience

A leader in educational technology, we offer a seamless digital experience. As well as more than 150 student computer labs across our campuses, our desktop and application virtualisation system means that all on-campus services and applications are accessible on any device with Internet, anywhere in the world. Our on-campus cybersecurity program also helps you to protect yourself from cybercrime, and we use latest Geofencing technology to offer one-touch security and first-aid assistance.

[vu.edu.au/IT-services](http://vu.edu.au/IT-services)

## Download the VU App

The award-winning VU App offers everything you need to navigate your student life, including:

- ♦ unit content, assessments, results, exams, timetable and teacher communication
- ♦ fees and enrolments
- ♦ your Learning Hub account with skill development and career-readiness programs
- ♦ interactive campus maps
- ♦ your digital ID student card
- ♦ IT services and Student Life activities.

[vu.edu.au/vu-app](http://vu.edu.au/vu-app)

# SAFETY & SECURITY

Melbourne is one of the world's most liveable cities and one of the safest to live, work and study in. Melbourne is in the top 10 of The Economist Intelligence Unit's Safe City Index. At VU, the safety of our students and staff is paramount. Australia is also ranked the safest country in the world for women, according to the 2019 Global Wealth Migration Review.

## Orientation Information

Our Orientation events feature information sessions from Melbourne's police, fire and ambulance services. International students receive current advice and emergency contact information. You will receive personal safety tips and access to the VU Safe app.

## Shuttle Buses

Make use of our free shuttle buses connecting the Footscray and St Albans campuses to their nearest railway stations.

[vu.edu.au/facilities-services](http://vu.edu.au/facilities-services)

## VU Security

VU Security is responsible for security services across all VU campuses. Our emergency contact centre is staffed 24 hours a day, 7 days a week. You can request a security escort, report an incident or seek emergency assistance on campus.

[vu.edu.au/security](http://vu.edu.au/security)

## VU Safe Mobile App

VU Safe is the free, official safety app of VU. It's packed with all the information, tools and features to keep you safe on campus. It includes an emergency alert that allows VU Security to see your location, as well as safety notifications, a tool to request a security escort and a virtual safe walk function. You can download the app for free for iOS and Android.

[vu.edu.au/safety-app](http://vu.edu.au/safety-app)

# STUDENT CLUBS & VOLUNTEERING

Make friends and learn new skills while you build your résumé. Join one of our clubs, volunteer for student roles or become a student mentor. We have more than 60 clubs to choose from, or you could even start a new club.

## Make Friends from Home

The first social gatherings for many new students are with students from their home country. Our student clubs will help you connect with other students and celebrate your culture. They include the African Society, the Chinese Student & Scholar Society, the Greek Society, the Indian Club, the Indonesian Students Association, the VU Lankan Club, the Malaysian Association and VU Pakistan.

## VU International Student Association (ISA)

ISA is the main group representing international students at VU and provides guidance and advice when students need it most. It organises events and activities for international students including a snow trip, Iftar dinner and Holi festival. The association also provides practical advice on academic and career opportunities.

## Other Clubs & Societies

Find people who share your interests or learn something new. Our student clubs and societies cover a wide range of interests – from women in science and engineering to screen media, fashion, films, philosophy, politics and religion. We also have clubs for cheerleading, gaming, cricket, soccer, martial arts, swimming, football, badminton, cycling, hockey, snow sports and volleyball. You will meet people, learn new skills and have fun with your peers.

[vu.edu.au/clubs](http://vu.edu.au/clubs)

## VU Student Union (VUSU)

VUSU is the peak body representing and supporting all students at VU. It organises a range of activities including orientation events, an annual ball, mental health training and a series of festivals. VUSU also organises forums to discuss students' views and issues.

[vustudentunion.com](http://vustudentunion.com)

Members of VU's International Student Association

“

BEING A STUDENT MENTOR HAS AWARDED ME THE OPPORTUNITY TO FEEL CONNECTED TO MY UNIVERSITY IN QUITE A PERSONALLY PROFOUND WAY. IT'S A GREAT FEELING TO KNOW I CAN PLAY A PART IN MAKING A FELLOW STUDENTS' JOURNEY JUST A LITTLE BIT EASIER THROUGH SHARING WHAT HAS AIDED ME IN MY OWN ACADEMIC PURSUIT. AS STUDENT MENTORS WE BELIEVE, YOUR WIN IS OUR WIN. YOU THRIVE, WE THRIVE. THAT'S COMMUNITY.

”

Joy

Bachelor of Psychological Studies  
(Honours)

## Volunteer with VU Vollies

The VU Vollies program provides students with volunteering opportunities on campus and in the local community. It's a great way for you to make new friends, learn new skills, improve your English and make a positive impact. You can help organise and host student festivals, welcome guests, and assist with events in the local area. Our graduates credit the program with improving their communication and leadership skills. The Vollies program will appear on your VU Extra Transcript once you volunteer for more than 30 hours.

[vu.edu.au/vu-vollies](http://vu.edu.au/vu-vollies)

## Become a Student Mentor

VU offers experienced and successful students the opportunity to become student mentors. You will receive training in the role, develop your leadership and communication skills and help fellow students adjust to university life and meet their academic goals.

[vu.edu.au/student-mentors](http://vu.edu.au/student-mentors)

## Become a Student Ambassador

The VU Student Ambassador program provides opportunities for students to develop communication and networking skills through paid activities. If selected for the program, you will attend key events, meet with people from across the University and the community, and speak on behalf of VU.

[vu.edu.au/student-ambassadors](http://vu.edu.au/student-ambassadors)

## VU Extra Transcript

VU Extra Transcript is an official document provided to graduates along with their academic transcript to highlight extracurricular and voluntary activities in approved programs. These activities are automatically added to the document at the end of the course. VU Extra-approved programs include the LEAD Program, International Host Program, VU Vollies Program, as well as many more.

[vu.edu.au/academic-records](http://vu.edu.au/academic-records)

# ACCOMMODATION

VU offers safe, modern, friendly and fully furnished on-campus student accommodation. It's the perfect home away from home.

## UniLodge Victoria University

VU offers guaranteed accommodation to new and continuing international students, in partnership with UniLodge. This purpose-built, 537-bed student accommodation complex is safe, secure and affordable. It features high-tech study rooms, gourmet kitchens, dining rooms and TV lounges, a barista café, convenience store and rooftop garden, as well as a basketball half-court, BBQ, pool table and table tennis table. There's also a cinema room with access to Foxtel services, gaming consoles and media players.

UniLodge is next to our Footscray Park Campus. It's just a short walk from our Footscray Nicholson Campus and the Footscray Railway Station, which is a 12-minute trip to the centre of Melbourne.

UniLodge features fully-furnished twin-share studio apartments from A\$150 per week, as well as two and six-bedroom apartments. Unlimited WiFi, membership to our Residential Life Program, and all utilities are included in the cost. It's the perfect option for students wanting to make friends in a safe and supportive environment, while enjoying the convenience of being close to our key campuses.

[vu.edu.au/accommodation-guarantee](http://vu.edu.au/accommodation-guarantee)

## Under 18s

We offer a safe, secure and friendly place to live and study. Our trained staff have police and working with children checks, and offer a special orientation program, single gender apartments, and regular communication with parents or guardians of under 18 students. Students must be at least 17 years of age to stay at UniLodge Victoria University.

## Life at UniLodge

Watch the video to find out what our students love about UniLodge at Victoria University!

ROOM TYPE	ANNUAL COST (52 WEEKS)*
Studio twin-share	From A\$150 per week
6 bedroom multi-share	From A\$199 per week
2 bedroom regular	From A\$263 per week
Studio regular	From A\$289 per week
Studio deluxe	From A\$315 per week

\*These rates are for 2023 and are per person/per week in Australian Dollars. Rates include WiFi, all furniture including bed, desk, study chair, shelves, wardrobe, lounge TV, ceiling fans, hydronic heating, microwave, electric cooktop, full fridge, and secure swipe card access.

## Other Accommodation Options

If you prefer to rent privately, options include:

- Homestays – live with a local family in their home for a minimum of four weeks. VU’s preferred homestay provider is the Australian Homestay Network.
- Share houses – rent a room in a house and share facilities
- Private rentals – houses, flats, units and apartments, usually unfurnished
- Short-stay – hotels, hostels and private rooms give you somewhere to stay while you look for longer-term options.

[homestaynetwork.org/vu](http://homestaynetwork.org/vu)

[realestate.com.au/rent](http://realestate.com.au/rent)

## VU Student Housing Service

Once you arrive in Australia, our student housing service can provide:

- access to the VU student housing database – a free online guide with a list of property vacancies
- a student housing guide with tips, checklists and links
- information about moving in, staying, and moving out of your rental property
- rental information in multiple languages
- support with housing issues.

We recommend booking accommodation before you arrive in Australia, at least for the first few weeks. An inspection should be conducted before agreeing to a long-term private rental or share house arrangement.

# FEES & LIVING COSTS

Before you start your studies, it's a great idea to prepare a budget based on your lifestyle and accommodation choices.

To help you prepare for life in Melbourne, here is an indication of some of the costs you may incur. This is an approximate guide only and does not take into account your budget and spending habits.

## Tuition Fees

Your tuition fees will be outlined in your offer letter. You will need to pay a tuition fee deposit to accept your offer. After you commence your course, you will be invoiced for each unit (subject) before it starts. Tuition fees vary by course and may change.

## Study Costs

You might need to buy equipment, textbooks or clothing such as a uniform, for some courses. These costs are separate from your tuition fees. Allow approximately A\$650 for books and stationery each year, plus any compulsory equipment or uniforms.

Other possible study costs include:

- ♦ travel to work placements
- ♦ graduation ceremony costs
- ♦ library expenses (printing/scanning/photocopying).

## Living Costs

As a condition of your student visa you must have enough money to pay the costs of your stay, including your travel and living expenses.

As of August 2022, the 12-month living costs set by the Australian Government are:

- ♦ student or guardian – A\$21,041
- ♦ accompanying partner or spouse – A\$7362
- ♦ accompanying child – A\$3152.

[studyinaustralia.gov.au](http://studyinaustralia.gov.au)

## Accommodation

- ♦ Hostels and guesthouses – \$90 to \$150 per week
- ♦ Shared rental – \$95 to \$215 per week
- ♦ On-campus at UniLodge Victoria University – \$150 to \$378 per week
- ♦ Homestay – \$235 to \$325 per week
- ♦ Rental – \$185 to \$440 per week.

## Other Living Expenses

- ♦ Groceries and eating out – \$140 to \$280 per week
- ♦ Gas and electricity – \$10 to \$20 per week
- ♦ Phone and Internet – \$15 to \$30 per week
- ♦ Car (after purchase) – \$150 to \$260 per week
- ♦ Entertainment – \$80 to \$150 per week.

[studyinaustralia.gov.au](http://studyinaustralia.gov.au)

The *Insider Guides'* Cost of Living Calculator is another useful way to help estimate your costs in Australia.

[insiderguides.com.au/cost-of-living](http://insiderguides.com.au/cost-of-living)

## Health Insurance

You must have Overseas Student Health Cover (OSHC) to obtain a student visa. Victoria University can arrange your OSHC for you, which gives you extra benefits over any policy that you can purchase directly. If you would like us to organise cover for you, it will be purchased through Medibank, our preferred supplier. Medibank exclusively offers Comprehensive OSHC to their education partners, and cannot be purchased through other channels. It meets the student visa requirements for all course types and provides a range of added value services that cannot be purchased separately, and are above the Australian Federal Government's minimum requirements.

[medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc/](http://medibank.com.au/overseas-health-insurance/oshc/comprehensive-oshc/)

[vu.edu.au/health-cover](http://vu.edu.au/health-cover)

## Schooling for Children

If you have children aged between 5 and 18 years accompanying you to Australia, they must attend school, in accordance with the Victorian Government Schools International Student Program. Your children may be exempt from school fees at government schools if you:

- are a postgraduate research student enrolled in a doctoral (PhD) or masters by research course, and you have a subclass 500 visa: or
- receive a fully-funded award or scholarship from the Australian Government.

[study.vic.gov.au](http://study.vic.gov.au)

## Transport Costs

Our campuses are easily accessible using Melbourne's public transport network.

As an international student you may be eligible for an iUSEpass, which saves you 50% on an annual travel card, or myki. The annual cost of the iUSEpass is A\$897 or around A\$17 a week. You can use your iUSEpass for all your travel in Melbourne, even if you're just going out with friends.

Students at the Footscray Park Campus

# ENGLISH LANGUAGE REQUIREMENTS

You need to provide evidence that you have completed an approved English language test or meet another recognised type of English language proficiency, usually no more than two years prior to commencing your studies at VU. Where you have more than one proof of English proficiency, only the most recent qualification and score will be considered. English language requirements are outlined in the following table:

Examination method	Certificate, Diploma and Advanced Diploma. International Foundation	Associate and Bachelor Degree	Postgraduate (including research)
IELTS (Academic Module): Overall score (no band less than)	5.5 (5.0)	6.0 (6.0)	6.5 (6.0)
TOEFL Internet: Test score (no section score less than)	55 (Listening 9, Speaking 16, Reading 10, Writing 18)	67 (Listening 12, Speaking 18, Reading 15, Writing 21)	79 (Listening 19, Speaking 19, Reading 18, Writing 22)
VU English	EAP 4	EAP 5	EAP 6
Pearson Test of English (PTE): Overall score (no section score less than)	42 (40)	50 (50)	58 (50)
C1 Advanced: (formerly Cambridge English): Advanced - CAE)	162 (154)	169 (169)	176 (169)
B2 First (formerly Cambridge English: First (FCE)): Overall score (no band less than)	162 (154)	169 (169)	N/A

## COURSES WITH HIGHER ENGLISH LANGUAGE REQUIREMENTS

Some VU courses require higher English language proficiency to gain entry.

Course title	Course code	IELTS (Academic module) result	Minimum individual band scores				VU English
			Listening	Reading	Writing	Speaking	
Diploma of Education Studies	EDES	6.0	6.0	6.0	6.0	6.0	EAP 5
Bachelor of Early Childhood Education	EBEC	6.5	6.0	6.0	6.0	6.0	EAP 6

Bachelor of Midwifery/Bachelor of Nursing	HBMA	7.0	7.0	7.0	7.0	7.0	N/A
Bachelor of Laws (Graduate Entry)	BLGE	6.5	6.0	6.0	6.0	6.0	EAP 6
Bachelor of Laws	BLAW	6.5	6.0	6.0	6.0	6.0	EAP 6
Bachelor of Social Work	ABSW	7.0	7.0	7.0	7.0	7.0	EAP 6*
Master of Clinical Exercise Science and Rehabilitation	AMEP	7.0	7.0	7.0	7.0	7.0	EAP 6*

\* with score 70% or above

## RECOGNITION OF PRIOR ENGLISH LANGUAGE STUDIES

If you have completed some or all of your academic study in English, we may recognise your prior English language studies for entry into a course.

To qualify for recognition of prior studies in an English language medium, you need to have achieved one of the scores or qualifications listed below, and have achieved this score or qualification within the expected duration.

Courses that have higher English language entry requirements may require a higher achievement level than those listed, or may require a compulsory English language test.

Each application will be assessed on a case-by-case basis and VU reserves the right to ask for English language proficiency test results.

For the latest VU English language admissions requirements visit [policy.vu.edu.au/document/view.php?id=435](https://policy.vu.edu.au/document/view.php?id=435)

## DIPLOMAS AND ADVANCED DIPLOMAS

Qualification	Requirements
General Certificate of Education (GCE A Levels)	A grade of C (or better) in the subject: English Language.
International Baccalaureate	A minimum of 3 in English (Standard Level).
Australian University Foundation Program	Completion of a recognised foundation program where English is the medium of instruction and assessment (with a pass in approved English subjects), and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Secondary schooling or tertiary studies in an English-speaking country (overseas)	Satisfactory completion of two years' (full-time) academic study, completed in the minimum duration, in an accredited institution in the medium of English, and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Australian Qualifications Framework qualification (AQF)	Satisfactory completion of one year full-time academic study in an AQF qualification (completed in the standard duration excluding approved intermission) and having completed these studies not more than two years prior to commencing studies at VU. <sup>^</sup>
Senior Secondary School (in Australia)	Australian Year 12 Certificate, Victorian Certificate of Education (VCE) Units 3 and 4 in English with a study score of 20 or EAL with a study score of 25 (or interstate equivalent) or completion of Victorian Certificate of Applied Learning (VCAL).

## BACHELOR DEGREES

Qualification	Requirements
General Certificate of Education (GCE A Levels)	<ul style="list-style-type: none"> <li>A grade of C in the following:</li> <li>AS Level subjects: General Paper, English Language; or</li> <li>A Level subject: English Language</li> </ul>
International Baccalaureate	A minimum of 4 in English (Standard Level) or a minimum of 3 in English (Higher Level).
Australian University Foundation Program	Completion of a recognised foundation program where English is the medium of instruction and assessment (with a minimum grade of 60% in all English subjects). <sup>^</sup>
Australian Qualifications Framework qualification (AQF)	Satisfactory completion of one year of full-time study (Certificate IV or higher) completed in the standard duration, excluding approved intermission and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Secondary schooling or tertiary studies in an English-speaking country (overseas)	<p>Satisfactory completion of two years' senior secondary schooling OR two years' (full-time) academic study in a tertiary institution in an English-speaking country where English was the language of instruction and assessment for the whole institution, and having completed these studies no more than two years prior to commencing studies at VU.</p> <p>Where studies were completed more than two but less than five years prior to application, the applicant will be eligible to have their language proficiency accepted without testing if they completed their entire secondary schooling OR two years' (full-time) academic study in a tertiary institution in the English speaking country where English was the language of instruction and assessment for the whole institution.<sup>^</sup></p>
Australian Senior Secondary School Certificate	Victorian Certificate of Education (VCE) Units 3 and 4 in English with a study score of 20 or EAL with a study score of 25 (or interstate equivalent) or Victorian Certificate of Applied Learning - senior (VCAL).

# ENGLISH LANGUAGE REQUIREMENTS

## POSTGRADUATE COURSES

Qualification	Requirements
Postgraduate Australian Qualifications Framework qualification (AQF)	Successful completion of at least one year of full-time academic study completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Undergraduate Australian Qualifications Framework qualification (AQF)	Successful completion of at least two years of full-time academic study completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU. <sup>^</sup>
Study at an accredited institution in an English speaking country where English is the language of instruction, completed no more than two years prior to enrolment at VU.	Successful completion of at least two years' full-time academic study (at undergraduate degree level) completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU.  Successful completion of at least one years' full-time academic study (at Masters degree level or higher) completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU.
Study at an institution within a non-English speaking country, but where English is the medium of instruction and assessment for the whole institution, completed no more than two years prior to enrolment at VU.	Successful completion of at least two years' full-time academic study (at undergraduate degree level or higher) completed in the standard duration, excluding approved intermission, and having completed these studies no more than two years prior to commencing studies at VU.

### <sup>^</sup>Recognition may apply if:

- the qualification was delivered in Australia or in a specified English-speaking country (Canada – excluding Quebec, Fiji, Republic of Ireland, Kenya, New Zealand, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, United Kingdom, United States of America - excluding Puerto Rico, and Zambia);
- the AQF qualification is delivered at a registered training organisation and listed on [aqf.edu.au](http://aqf.edu.au) and [training.gov.au](http://training.gov.au);
- the course applied for does not have a higher English language proficiency requirement than the requirements outlined;
- the qualification was completed in the minimum duration. Time limitations apply to these qualifications.

Applications that do not meet the above requirements may be considered on a case-by-case basis, providing:

- the most recent studies were of at least two years in duration;
- were conducted solely in English (language of instruction and assessment); and
- were completed no more than two years prior to commencement of studies at Victoria University.

Each application will be assessed on a case-by-case basis and Victoria University reserves the right to request further evidence.

Time limits may apply to English language requirements.

### Additional requirements

In some cases you may be required to provide additional information to be eligible for entry into a specific course.

Check the entry requirements for specific courses in this guide and ensure you submit this with your application.

# ENTRANCE REQUIREMENTS

For entry into our foundation, diploma, undergraduate and postgraduate courses

Meeting the minimum admission requirements means you are eligible to apply for our courses but does not guarantee you entry into the course. Some courses receive more applications than the number of places available and may require additional selection criteria such as minimum age, prerequisites, personal statement, interview or audition, which are considered together with your academic qualifications.

Check the minimum academic requirements for entry into our foundation, diploma, bachelor (undergraduate) and postgraduate (coursework and research) courses according to the qualifications in your country. If your qualification is not listed and you would like to know if you meet the minimum entry requirements, you can submit an online enquiry by visiting [eaams.vu.edu.au/enquiry](http://eaams.vu.edu.au/enquiry)

<b>SINGAPORE</b>			
Singapore Cambridge O Levels	Foundation Studies (Standard)	Completed with a minimum grade of	D in 5 academic subjects
	Foundation Studies (Extended)	Completed with a minimum grade of	D in 4 academic subjects
Singapore Cambridge A Levels	Foundation Studies (Standard)	Completed with a pass in at least	2 subjects (H2 Level)
	Foundation Studies (Extended)	Completed with a pass in at least	1 subject (H2 Level)
	Diploma	Completed with a minimum grade of	D in 1 subject (H2 Level) and D in 2 subjects (H1 Level) or D in 2 subjects (H2 Level)
	Bachelor courses	Completed with an overall result of at least	8 <sup>13</sup>
Bachelor degree	Masters (by Coursework)	Completed with a degree classification of	Second Class Honours Lower Division
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Completed with a degree classification (as awarded on degree certificate) of	Second Class Honours Upper Division
<b>SRI LANKA</b>			
Sri Lankan O Levels	Foundation Studies (Standard)	Completed with a grade of	C in 2 academic subjects and S in 3 academic subjects
	Foundation Studies (Extended)	Completed with a grade of	C in 1 academic subject and S in 3 academic subjects
Sri Lankan A Levels	Foundation Studies (Standard)	Completed with a grade of	S in 3 academic subjects
	Foundation Studies (Extended)	Completed with a grade of	S in 2 academic subjects
	Diploma	Completed with a grade of	C in 1 academic subject and S in 2 academic subjects (CSS)
	Bachelor courses	Completed with an overall score of	9 (CCC) <sup>14</sup>
Diploma, Higher Diploma or Associate Degree	Bachelor courses	Completed with a GPA of	2.3 (out of 4)
Bachelor degree	Masters (by Coursework)	Completed with an overall average of	55%
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Complete a degree classification (as awarded on degree certificate) of	First Class Pass (70%)
		Completed with a GPA (as reflected on transcript) of	3.3 (out of 4)

# ENTRANCE REQUIREMENTS

Highest qualification	VU course	Level of completion	Result
<b>TAIWAN</b>			
Senior High School Leaving Certificate	Diploma	Completed with an overall average of at least	65%
	Bachelor Courses	Completed with an overall average of at least	70%
Bachelor degree	Masters (by Coursework)	Completed with an overall average of at least	60%
<b>THAILAND</b>			
Matayom 6 (Certificate of Secondary Education)	Diploma	Completed with a GPA of	2 (out of 4)
	Bachelor courses	Completed with a GPA of	2.5 (out of 4)
Bachelor degree	Masters (by Coursework)	Completed with a GPA of	2.5 (out of 4)
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Completed with a GPA (reflected on the transcript) of	3.3 (out of 4)
<b>TURKEY</b>			
Devlet Lise Diploması (High School Diploma)	Diploma	Completed with an overall average of	55% or 3.0 (out of 5)
Bachelor degree	Bachelor Courses	Completed (the first year) with an overall average of	60%
	Masters (by Coursework)	Completed with an overall average of at least	60%
<b>VIETNAM</b>			
Year 11	Foundation Studies (Standard)	Completed with an overall average of	6 (out of 10)
Bang Tot Nghiep Pho Thong Trung Hoc (Secondary School Graduation Certificate)	Diploma	Completed with an overall average of	6.5 (out of 10)
	Bachelor courses	Completed with an overall average of	8 (out of 10)
Bang Tot Nghiep Cao Dang	Bachelor courses	Completed with an overall average of	7 (out of 10)
Cu Nhan Cao Dang	Bachelor courses	Completed with an overall average of	7 (out of 10)
Bang Tot Nghiep Dai Hoc (Bachelor degree)	Bachelor courses	Completed (the first year) with an overall average of	6.5 (out of 10)
	Masters (by Coursework)	Completed with an overall average of	6 (out of 10)
Masters degree with thesis or admissible degree	Doctor of Philosophy and research doctorates	Completed with an overall average (in all subjects) of	7 (out of 10)

- Marks are calculated as a total of 3 Advanced Level subjects in the same academic year, where the mark of A\*/A=5, B=4, C=3 D=2 and E=1. Any prerequisite subjects require a C or above. The qualification must be awarded by an approved examining board.
- Successful completion of the National Examination is required.
- The province the examination was completed in and the stream of subjects undertaken are relevant to the score required.
- Where 60 is the passing mark.
- Average of a minimum of 4 core academic subjects (excluding local language).
- Average of a minimum of 4 core academic subjects (excluding local language). Qualifications are assessed on an individual basis.
- Academic requirements may vary depending on the institution at which the qualification was obtained.

- Successful completion of the National Examination is also required. Overall average of academic subjects and examinations as shown on the final transcript.
- Grade calculation is based on a total of 3 Subject Grade Points (SGP) of the academic subjects only where A = 4, A- = 3.67, B+ = 3.33, B = 3, B- = 2.67, C+ = 2.33, C = 2, C- = 1.67, D+ = 1.33, D = 1 and F=0.
- Calculation of grade is based on an average of the best five subjects (maximum of two languages can be included) where A1 = 1, A2 = 2, B3 = 3, B4 = 4, B5 = 5, B6 = 6, C7 = 7, C8 = 8 and F = 0.
- Marks are calculated as a total of 3 Advanced Level subjects where A\*/A=5, B=4, C=3, D=2 and E=1 in the same academic year. Any prerequisite subjects require a C or above.
- Average is calculated on a 1-5 scale with 1 being the highest grade. On a 1-4 scale, 4 is the highest grade.

- Marks are calculated from 3 H2 level subjects where A=5, B=4, C=3, D=2 and E=1. H1 subject marks are calculated as half points where A=2.5, B=2, C=1.5, D=1 and E=0.5. Any prerequisite subjects require a C or above.

- Total score of a maximum of the best 3 A Level subjects taken in one examination sitting, where A=5, B=4, C=3 and S=1. Any prerequisite subjects require a C or above.

Qualification standards displayed are indicative only and achieving one of these levels does not guarantee a place in a VU course. VU reserves the right to adjust these at any time. Where the highest qualification referred to is a bachelor or master's degree, meeting the entrance requirement does not waive the requirement for the entry degree to be assessed as comparable to an Australian bachelor degree or higher. Some courses, such as Bachelor of Laws and Master's (by Research), require academic results that are higher than results stated. Please refer to [vu.edu.au/study-at-vu/how-to-apply/international-applicants/entry-requirements](http://vu.edu.au/study-at-vu/how-to-apply/international-applicants/entry-requirements)

**NOTE:** \*Information and fees listed above are for international students commencing a course in 2023. Fees are subject to approval and may change. For some courses, equipment and clothing is required at an additional cost to the course fees listed in this guide, and we recommend you check the website. ^^Intakes are February/April (1), August/October (2) and October/November (3). Check course page for full intake details as some courses also have an April and/or September/October intake. ^^IELTS requirement is based on academic test module (overall score, no band less than). \*All research fees are indicative and depend on field of research studied. \*\*Limited places - quota applies. Meeting the minimum entry requirement does not guarantee entry. †For entries listed as "Web", please check website. ‡For non-student visa holders only. Entry requirements, fees, and CRICOS information in this guide are for courses at VU campuses in Melbourne only.

# HOW TO APPLY

## 1. Choose Your Course

More information about all our international courses is available at [vu.edu.au](http://vu.edu.au). It includes information specifically for international students. Check the entrance requirements and the course details.

[vu.edu.au/courses/international](http://vu.edu.au/courses/international)

## 2. Collect Supporting Documents

Gather the documents required to support your application. Providing the correct documents when you apply will ensure your application is processed promptly.

This may include:

- ♦ signed International Declaration Form
- ♦ a certified copy of the identity pages in your passport
- ♦ evidence of English language proficiency
- ♦ certified copies of your academic transcripts and graduation certificates
- ♦ Statement of Purpose
- ♦ curriculum vitae (CV)/résumé
- ♦ Advanced Standing or Recognition of Prior Learning forms

## 3. Apply Online

Go to [eaams.vu.edu.au](http://eaams.vu.edu.au) to apply and attach the supporting documents.

The online system also allows you to:

- ♦ check your application status
- ♦ respond to University comments and requests
- ♦ accept your offer.

Check the information you enter, and the signature you sign documents with matches the copy of it in your passport.

## 4. Accept Your Offer

Log in to your VU account to check your application status. If you have a conditional offer it means you need to provide more information. Once you receive a full offer you need to:

- ♦ sign your International Student Written Agreement
- ♦ pay your tuition fee deposit.

Make sure your full name and signature match your passport. Once we have processed your acceptance, we will send you a Confirmation of Enrolment (CoE) that you need to apply for a student visa.

## 5. Arrange a Student Visa

Australia's Department of Home Affairs issues student visas. Student visa processing times can vary, so you should accept your offer as early as possible to have as much time as possible to apply for your visa. As at September 2022, there may be a significant delay in the assessment of your student visa application. We strongly recommend that you accept your offer as early as possible to allow for as much time as possible for your visa to be processed.

For more information, go to [homeaffairs.gov.au/visas](http://homeaffairs.gov.au/visas).

## 6. Enrol Online

You can enrol online before you arrive in Australia if you are studying a higher education diploma, bachelor or postgraduate (coursework) program. You can also arrange your timetable, check results, access emails and view tuition fees online. If you are studying a foundation, English language, TAFE or research program, you will enrol in person.

## EDUCATION AGENTS

You may wish to apply through a VU-approved education agent. Some agents may charge a fee for their services, so ask what the costs are before making an appointment. VU may require you to apply through an agent. If we require this, we will ask you to appoint an agent if you apply directly to us. To find a VU-registered agent near you, visit [eap.ascentone.com/vu](http://eap.ascentone.com/vu)
