## A GREAT PLACE TO STUDY WATCH VIDEO

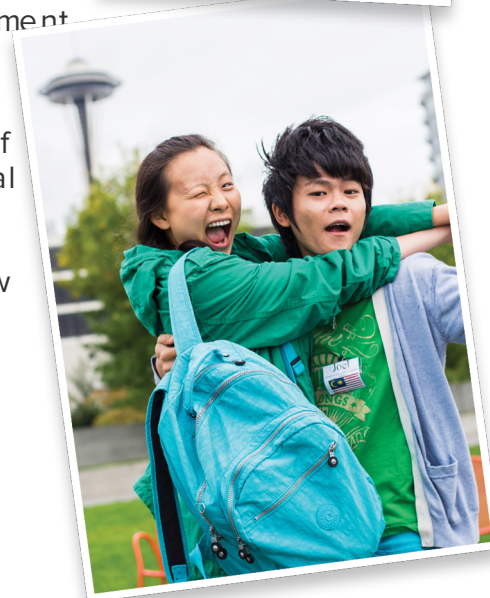

### Beautiful Campus

Green River College is a two-year public college in Washington State that offers more than 100 different degrees and certificates in academic and technical programs. The campus is located on 186 acres of forested land and is known for its beautiful park-like setting, and its safe, friendly and peaceful study environment.

### Close to Seattle

Seattle is about 45 minutes north of Green River. This major international city is home to Microsoft, Boeing, Amazon, and Starbucks Coffee. A trip to Seattle is included in the new student orientation each quarter.

### Student Population

Total students = 11,000+  
International students = 1,200  
Countries = 60+

1. A leader in university transfer
2. Recipient of prestigious Simon Award for Campus Internationalization
3. Individual advising to help you meet your goals
4. On campus student housing
5. Great programs including Intensive English and High School Completion
6. Peer mentoring and leadership development programs
7. Beautiful campus surrounded by forest and trees
8. University Transfer Pathway agreements with over 40 four-year universities
9. Active Student Life on campus
10. New modern buildings and facilities

## A LEADER IN UNIVERSITY TRANSFER

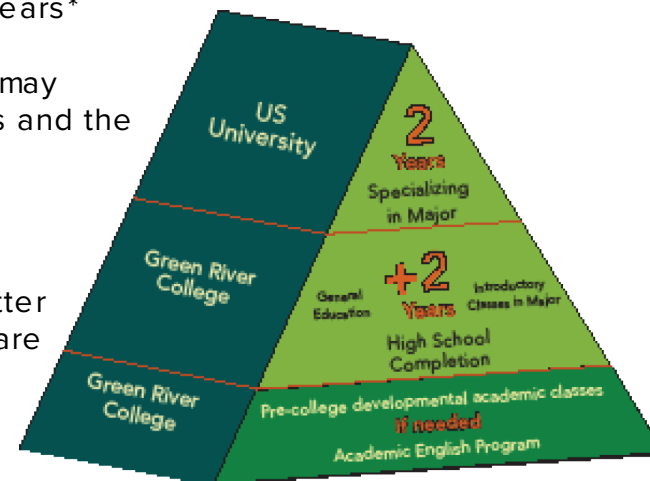

### Transfer to Top U.S. Universities

Through our 2+2 program, students take the first two years\* of their bachelor's degree at Green River.

\*Depending on assessment and placement, students may need to take non-transferable, developmental classes and the program may take longer than two years.

### University Transfer Pathways

Students can receive a University Transfer Pathway letter from one of more than 40 universities at the time they are admitted to Green River.

#### MORE INFORMATION

**Our students have been admitted to many top universities including:**

- Brown University
- California State University
- Cornell University
- Indiana University
- Johns Hopkins
- Purdue University
- UC Berkeley
- University of Pennsylvania
- University of Washington

#### AND MORE

**Chih-Chieh (Jamie) Chen**  
Taiwan

**Program of Study:** Business/  
Economics

**Transfer:** Columbia University

*“There were many advantages to studying at Green River College. However, the International Programs advising team stands out to be the most memorable. My advisor provided me with various assistance ranging from academics, encouragement in pursuing my goals, and even help in building my competency as a club president.”*

# HIGH SCHOOL COMPLETION

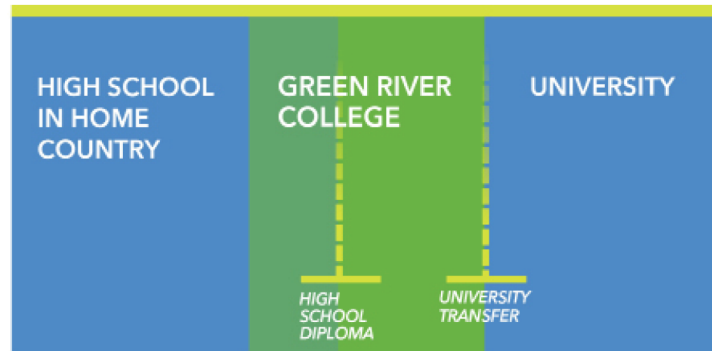

## For Highly Motivated Students

**Save Time and Money:** Get a Washington State High School Diploma plus earn transferable university credits at the same time.

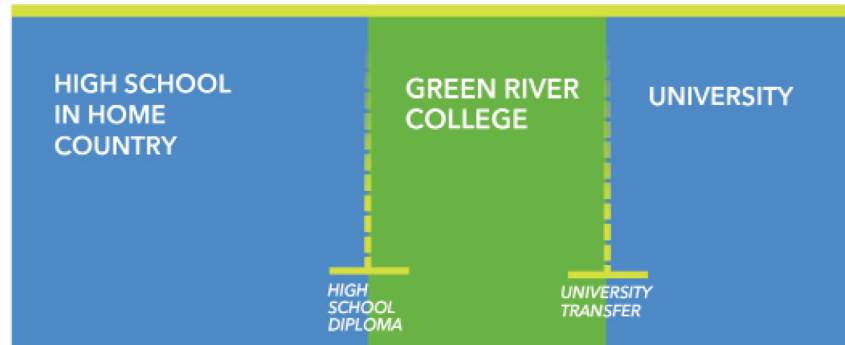

**Earn Dual Degrees:** Earn two degrees for the price and time of one. Graduate in just two years with a high school diploma plus a university transfer associate degree.\*

**Fast Track:** Enter college before finishing high school and graduate from university at least one year earlier than your high school classmates.

**Competitive Advantage:** Apply to top universities, including the University of California schools, as a transfer student and skip the SAT and ACT tests.

**FINISH SOONER!**  
Get your Bachelor Degree in less time for less money!

*"Hearing about the High School Completion program in the US, I was eager to skip 2 years of high school by attending Green River College."*

**Claudia Jennifer**  
Indonesia  
**Transferred:** UC Berkeley  
**Major:** Applied Mathematics

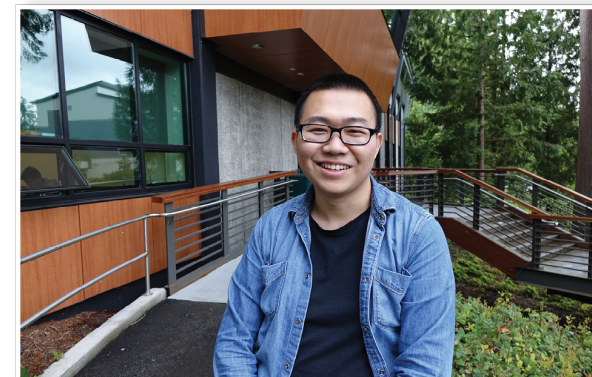

# INTENSIVE ENGLISH

## The Intensive English Program (IEP) provides strong academic English and study skills preparation for students entering a college or university

- 20 instructional hours of class per week (summer varies)
- 3 lower levels focus on Grammar, Writing, Reading, Listening and Speaking: Basic, Intermediate, and High Intermediate (depending on student performance, each level could take less than a quarter)
- 2 upper levels focus on academic English and study skills: Academic Bridge Prep with a 2-credit class and Academic Bridge with a 5-credit transfer class (each level takes one quarter to complete)
- Graduates of IEP qualify to take academic classes without TOEFL or IELTS

### AND MORE

**Jiacheng Liu (Tyler)**  
China  
**Program of Study:** Electrical Engineering  
**Transfer:** UCLA

*"Green River College offers a great program that is open to every level of student. You can start from Intensive English classes and transfer to a top university."*

## Gap Year/Study Abroad

Gap Year/Study Abroad at Green River provides an opportunity for students to study in the U.S. between secondary education and university. Depending upon the courses taken and the policies of the receiving university, some of these courses may be transferable.
