IFEANYI, NIGERIA

Location: London

Famous for landmarks such as Buckingham Palace, Westminster Abbey, London Bridge and Big Ben. London is simply inspiring.

As London is the centre of all things British, London has something for everyone. The best part is, that many attractions are free of charge, so no matter what your budget, London will never cease to surprise you.

Museums & Galleries

With the majority of museums in London free to enter, there are many cultural adventures to be had on the weekend. We recommend visiting The Natural History Museum and the British Museum for a look into the distant past, whilst a trip to the National Portrait Gallery or Tate Modern may satisfy any art enthusiasts.

Sport

Football is an important part of British culture, and in London, you are never far from a stadium. If you believe in supporting the local team, West Ham United play from the Olympic Park (a very short distance from campus).

The Queen Elizabeth Olympic Park is home to British Swimming and is also a great day out.

Historic Homes, Parks & Gardens

From St James Park with its beautiful lake to Kew Gardens, there is plenty of flora and fauna to enjoy in the city. Home to two palaces and a royal prison, London has much to offer. You might even spot a member of the Royal Family who live in South Kensington and are known for visiting the local shops and restaurants.

“My favourite place is Victoria Park. I love parks, so when I go there, I walk around and I see the view of the lake, the swans and the ducks.”
