"Nothing compares to the pure joy you'll feel when you've got used to your new life here – you have embarked on one of the best journeys of your life."

Rucsandra-Ioana Moldoveanu, Romania, 2023

"I've been able to interact with exceptional students from across the world, use world-class facilities in modern interactive study spaces and participate in exiting events which make for a life-changing experience. NTU offers support, including mental and physical health, the employability team is dedicated to helping students with placements and work, and the Global Lounge is the cherry on top! For me, NTU's assistance started when I landed at Heathrow, and it continues to this day."

Your career

Your NTU experience will be packed with opportunities and support that set you up for success in the UK and around the world.

Specialist employability support

Our Employability team offer tailored support throughout your studies. Get one-to-one advice, visit careers fairs and access our global employer networks.

Get recognition for the experiences and skills you gain with our Global Employability Award.

You can also get advice on working in the UK after you graduate.

Every NTU course has opportunities to gain work-like, practical skills and experience.

Top 5 for one-year work placements

Many courses (including postgraduate) offer a one-year placement giving you invaluable experience. We're in the top 5 UK universities for the number of undergraduate students on one-year placements (HESA 2021/22).

Shorter work placements and employer projects

Other courses offer shorter placements and projects. You'll work directly with employers, contribute your knowledge and help solve problems.

Develop your professional skills

Whatever your course you'll learn desirable skills like planning, communication, analysis, creativity, cooperation and problem-solving.

Visit ntu.ac.uk/job-ready to find out more.

The Graduate route visa is a great facilitator for international students. It allowed me to move from university straight into an administration role and later into a role in the legal field, where I work now.

The International Student Support team provides invaluable information and support through 1:1s and group meetings about the visa, before and after the application process.

THE Awards 2020

As an international student, you'll need to pay the Immigration Health Surcharge (IHS) as part of your visa application in order to be entitled to free healthcare through the National Health Service (NHS). Free healthcare includes:

- consulting a doctor (also known as a general practitioner or GP); and
- treatment in a hospital, including emergency treatment.

We strongly encourage you to register with a GP doctor soon after you arrive in Nottingham. You can do this online, or in person. We have medical centres on the City and Clifton campuses, and students at Brackenhurst campus register with the local medical centre in the nearby town of Southwell.

International student support team

Visit ntu.ac.uk/internationalsupport to find out more.

Student Services Centre, City campus

Our team is dedicated to the needs of international students. We are a specialist visa team and can advise on all aspects of visa application, including the Graduate route visa and working in the UK.

Did you know, you can get language support as a postgraduate or undergraduate student here, including academic writing. This is free of charge and delivered by our expert language teachers.

We also offer guidance on a range of issues, including:

- settling into student life, recognising cultural changes
- living in Nottingham, including advice on opening a UK bank account
- disability services
- health services, including NHS and mental health
- academic issues
- pastoral support

Our team are some of the very first people you'll meet when you arrive, as we run a series of welcome events and activities to help all international students settle into the University.

Advice for parents and family of international students

If a member of your family is considering studying with us, we are here to offer you advice and information to support them through that life-changing decision.

Our specialist Country Advisors in the International Office can give you, and your son or daughter, advice on any aspect of studying at NTU, so that you'll feel able to fully support them with their study plans.

You could also speak to one of our NTU Education Counsellors. These are external agencies based all over the world, with whom we have a very good relationship. They can give your family helpful advice on the application process, and they are best placed to advise on visa applications in your country.

Student support at NTU

We are very fortunate to have a dedicated International Student Support team here at the University. They can help with any problems and offer truly excellent services, including visa application advice (Student visa, Graduate route, and visa extension) and support with all aspects of settling into life as a student in Nottingham.

They are based on all campuses and are available to contact face-to-face, by email, or by making a one-to-one appointment.

"Before I progressed to NTU, I studied the foundation course at NTIC. I think it prepared me well for my university course. It gave me time to adapt to the teaching habits, learning atmosphere and living environment in the UK in advance. In my first year at the University, I think I adapted to NTU and life in the UK much better than other international students who had not done a preparation course."

Terry Tan, China
NTIC Foundation course, progressing to BSc Sports Science and Management

"Looking back, I can say my experience on the Foundation year at NTIC was the most fun year I have ever had! The sense of community was great, and it was very diverse and inclusive. It was very easy for me to feel part of the community, and I keep in touch with my NTIC friends."

Being part of NTIC made my transition to university much easier. They made my transition to university smooth; they provided great support and the team was very approachable and helpful during my transition to NTU."

Pre-sessional English for Academic Purposes (PEAP)

If you need help achieving our English language requirements, we may offer you a place on the condition that you successfully complete a PEAP course at the University before your course begins.

The length and cost of your PEAP course will depend on your current level of English. Our courses range from 6 to 15 weeks.

Our staff are very experienced and the course is designed to develop the academic English language and study skills needed to study at NTU.

Your tutors will give you the support you need so that you're well prepared for assessments and your follow-on degree course.

Accredited by the

for the teaching
of English in the UK

Visit ntu.ac.uk/peap to find out more.

More than just an language course

- You'll make substantial gains in language development in a short time.
- Everything you learn will be relevant to your studies.
- Learning takes place through collaborative tasks in small groups.
- You'll become more confident and familiar with the 'NTU way of doing things'.

What our students say

"I had an IELTS grade 6 and experience of IELTS preparation English classes. Confidently, I can say that PEAP was better, and a totally different experience compared with my local English classes.

It was like a university preparation class that not only increased my academic English skills but also helped me to be more familiar with the university tasks and the environment. I made friendships which helped me to not feel alone and met lovely people.

The best bits about the course were friendly environment, fantastic student support system, kind and knowledgeable tutors."

University Language Programme

Learn a language for free while you study.

That's right! As a student at NTU, you can learn a new language or improve your existing language skills whether you're an absolute beginner, already have some skills, or are at an advanced level. It's no extra cost. You pay a small refundable deposit which you get back after you finish the course.

Study for 2 hours a week or more – it's up to you.

Why ULP?

- Language skills are a great addition to your CV.
- Relax and make friends outside your degree. You'll practise with students and staff from across the University, and members of the public.
- Language learning facilitates critical thinking, asking about differences, looking for equivalents in your first language and culture.
- It can also help with finding work after graduation – a certified level of proficiency can help to distinguish you from other applicants.

Choose from French, Spanish, Chinese, Japanese, Arabic, German or Italian.

Visit ntu.ac.uk/ulp to find out more.

Learning with the best

You'll enjoy the highest standards of teaching during your studies. Our lecturers have extensive experience in industry, research and the professions, so you can be sure that our teaching is of the highest quality in the UK.

You'll learn so much about the theory and the practice of your subject. You'll also benefit from inspirational guest lecturers and speakers who'll bring your subject to life.

Whatever course you do, you'll find new and exciting ideas. And you'll develop your confidence further by getting practical experience.

You are valued

Our teachers really value international students like you, for the contributions you make, and for the challenges, fresh ideas and new perspectives you bring to our courses.

Facilities and resources

We've invested over £450 million in our facilities and campuses in the last 15 years and we continue to invest heavily. You'll enjoy inspiring spaces and first-class learning and teaching facilities at NTU.

Whatever subject you're studying, you'll have access to a huge range of facilities and resources for your specialist subject area.

Here are just some of the other facilities you'll enjoy.

Your home away from home

Being happy where you're living is such an important part of your student experience. That's why we have a fantastic choice of accommodation available for you, and it's really important to start your research early.

We offer a huge range of both University and private accommodation to suit every budget. All our accommodation is high quality, modern, and meets high safety standards. And it is located in convenient locations on – or close to – campus.

We can offer flexible accommodation contracts, perfect if you're a Pre-sessional English (PEAP) student or if you're starting a Masters in January.

Staying in NTU accommodation, you can count on:

Safety and security

A choice of en suite or shared facilities

Great locations on or close to campus

Free Wi-Fi, and your utility bills included in your rent

Easy access to all our support services

Visit ntu.ac.uk/accommodation to start your research.

While deciding what sort of accommodation you want, you may want to consider:

- sharing an apartment or a house with other students;
- having an en-suite bathroom or shared facilities;
- the cost, and whether utility bills (such as electricity and gas) are included;
- the length of the contract (university contracts include the Christmas and Easter holidays).

Our accommodation team works very closely with **private accommodation providers** in Nottingham to create more accommodation options for NTU students. **Visit ntu.ac.uk/private** to find out more. Many of our international students take up these opportunities.

Explore Nottingham

Nottingham's a great city to be a student. There are over 70,000 students living here from all over the world. Over 39,000 of these are studying at NTU!

Students are attracted to Nottingham for a variety of reasons. The cost of living is very reasonable and it's a friendly, welcoming, and diverse student city.

Another great feature of Nottingham is that everything's really close. Unlike in bigger cities like London, for example, you can easily walk from NTU's City Campus to the shops and attractions in just a few minutes. And the regular buses and trams mean you can quickly reach other parts of Nottingham too.

Home to sport

Whatever sport you're interested in, as a participant or a spectator, you'll find it here. We're home to world-famous sporting venues, such as the Trent Bridge cricket ground and Premier League football at City Ground home of Nottingham Forest.

A breath of fresh air

Over 20% of Nottingham city is devoted to green spaces, such as public parks and gardens. You can easily go for a relaxing walk or cycle. You'll also have easy access to beautiful green countryside – the world-famous Peak District, for example, or the iconic Wollaton Hall Park.

Shopping heaven

If you like shopping, you'll love Nottingham! It's a big city shopping experience in a compact city centre. From Primark and Zara, to Urban Outfitters and Dr Martens, you'll find high street brands for every budget.

We've got iconic labels, too – Vivienne Westwood, Paul Smith and Diesel all have homes here, and our students love the independent vintage and charity shops in the Creative Quarter.

Visit ntu.ac.uk/nottingham to find out more.

Arts, culture and heritage

Whether you're into art galleries, music, cinema or theatre you'll find it all in Nottingham, home to the legendary Robin Hood.

New tastes

Worried about not liking British food? No problem! There's a great range of international food stores here in Nottingham – you can become an expert cook in no time. There are also a lot of supermarkets, restaurants, and tea and coffee shops. You'll be surprised, 'British' food is a mix of food from all over the world, and it's pretty good!

International Scholarships

We award many scholarships to international students who have offers to study at NTU. These are highly prestigious, competitive awards, worth up to half of your tuition fee. Our scholars have gone on to become strong and highly valued ambassadors for the University.

All scholarships available are listed on our website, with application advice and deadlines.

If you're progressing from one of our partner universities, you may be eligible for a partner progression discount. You can still apply for a scholarship, but you won't be awarded both – the higher amount would be deducted from your tuition fees.

“How did I feel when I won an NTU scholarship?”

I was overwhelmed with joy and excitement. This has opened new opportunities to finally achieve my dreams of becoming an engineer. And it has reduced some of the financial constraints significantly for my family and I.”

Tremaine Maskall, Belize

“My parents were very excited and surprised when they knew I got the scholarship. They said I was so lucky, and they appreciated NTU for providing me with the scholarship.”

Wen Shou-Yu, Taiwan

Last year we
awarded
1,092
scholarships
to students
from
65
countries.

"We are all different. Writing about our dreams and accolades in a motivational letter is challenging. Do not be afraid to brag about your achievements, take pride in who you are and show just how big you can dream."

"I felt satisfaction when I was awarded a scholarship and this was fundamental for me to take the decision to move here. It's not hard to apply, my main advice is to find your motivation and just apply."

Nicolas Nieto, Colombia

Benefits of an NTU scholarship

A scholarship brings many benefits, including:

- a formal recognition of your achievements;
- a reduction on your tuition fees;
- access to a new friendly community for networking and socialising.

Application advice

You'll need an offer to study at NTU in order to apply. Remember to:

- ☒ be yourself – this is all about you;
- ☒ spend good time on your application;
- ☒ express your interests and your achievements;
- ☒ believe in yourself – nobody thinks they are good enough until they apply.

“For me, a scholarship is more about the value of the education I get. A lot of people around the world do not have that chance.

I remember phoning my mum and dad – it was my father’s dream for me to study abroad – both were screaming: ‘Yeah! He got the scholarship!’ ”

Rezhyar Hamad Ameen, Iraq

Tuition fees and making payments

We publish our fees on our website – please check your course web page at **ntu.ac.uk/courses** or **ntu.ac.uk/internationalfees** for this information.

International payments

NTU's international bank transfer platform is **Convera**.

This service offers you and your family the opportunity to securely send transfers for paying your advanced payment (deposit) and your tuition/accommodation fees in your local currency.

Student living costs

Living in Nottingham as a student is cheaper than in bigger UK cities, such as Manchester, Birmingham, or London. You may find that the cost of goods and services in the UK is quite different to your own country.

How much you spend of course depends on your own lifestyle, but here is an approximate guide to what you can expect to pay as a student at NTU.

If you plan to study at Confetti London visit **confetti.ac.uk/london** for advice on costs and accommodation.

Visit **ntu.ac.uk/managing-money** for more advice.

Budgeting

There are many ways to save money while you're here – using your student card for discounts in shops and on transport, for example.

Some of our international students choose to work part-time to get some extra income while gaining valuable experience.

Your daily, weekly and monthly costs will mostly be for your accommodation, food, entertainment and bills. It's important to be prepared and to budget carefully – you'll find more advice on our website.

Approximate costs of studying in Nottingham per month:

 **Accommodation: £400 - £1,173**

 **Groceries from supermarket: £116**

 **Socialising (eating out with friends): £59**

 **Travel: £54**

 **Clothes: £35**

 **Gym membership: £20**

 **Course materials (books): £17**

Based on *National Student Money Survey 2022*

You will need to bring enough money to cover your living costs at least equivalent to the £1,023 per month required for visa application purposes (£1,334 for London Confetti campus).

Visit ntu.ac.uk/managing-money for more info.

Entry requirements

We accept qualifications from all over the world. Visit our website for a guide on how your qualifications match our entry criteria.

We always recommend that you also check the entry requirements on the web page of the course you want to study. Some courses have additional requirements, such as a portfolio of work, or relevant experience.

English language entry requirements

You'll need to show that your language skills are strong enough for intensive academic study if English is not your first language.

Visit [ntu.ac.uk/englishlanguage](https://www.ntu.ac.uk/englishlanguage) for your options; this includes a list of the English language tests we accept.

Our courses are popular and some may close early - make sure you apply as soon as you can!
