# CAREER & INDUSTRY EXPERIENCE

At Western, we understand the importance of employability and practical learning for our students. That's why all our degrees are designed to ensure you are work-ready and set up for career success. We offer support to help you enhance your employability skills and gain practical experience. Some of our initiatives include:

→ **Career Services:** guidance, workshops, and resources to get you career ready. You can access advice live with a Careers Education Consultant via our virtual Careers Q&A sessions.

→ **Industry and Employability Programs** that help you engage in a variety of experiences that enhance your technical and people skills. These programs allow you to get your foot in the door, test the waters, apply learning, network and develop competitive applications. Programs include Career Activate, Graduate Recruitment Accelerator (GRA), Industry Experience programs, Women in STEM Education (WiSE) and our unique Skills Enhancement Program.

## WESTERN SYDNEY IS AT THE EPICENTRE OF THE INFRASTRUCTURE AND JOBS BOOM

Over 30% of Australia's top 500 businesses now have an office in Western Sydney, and with our many industry accredited courses and work placement opportunities, Western graduates are set for success.

## CHAT WITH OUR AMBASSADORS

Connect with a student ambassador who can answer all your questions about what life at Western is really like.

They can share their experiences and help you with everything from scholarships to accommodation.
