

Who We Are

Study in Greece connects people, ideas, and institutions through higher education. As the official organisation for the international promotion of Greek universities, we support students and partners worldwide in discovering Greece's higher education landscape, academic offerings, and cultural heritage.

Study in Greece

Where academia was born –
and your future takes shape!

What We Do

- Promote Greece as a global study and research destination
- Support international students at every stage of their academic journey
- Coordinate study abroad and exchange programmes
- Connect Greek universities with international partners
- Showcase Greece's academic and cultural strength
- Engage the Greek diaspora and global academic community

Open your academic path to the world through Greece!

Why Greece?

High-quality education & affordability

Academic excellence without the financial burden

Graduate employability & international competitiveness

Preparing graduates to compete, connect, and succeed globally

Student life that balances study, culture, and wellbeing

A safe and vibrant environment designed for both academic focus and life experiences

At the crossroads of Europe, Asia, and Africa, Greece offers students more than a degree – it offers perspective, connection, and inspiration.
