Real graduates, real stories

"UNSW College provided the same courses as UNSW first year. However, they were delivered in 12 weeks instead of 10. This allowed me to have more time to adapt to the new environment and teaching style. But at the same time, I was educated with the same material and learning outcomes. I was well prepared in the electrical fundamentals course, and this helped me to succeed in many later courses."

Megan Michelle Wong, China

Diploma in Engineering at UNSW College*

*Graduate of UNSW Diploma in Engineering, now known as UNSW College Diploma of Engineering. Please see back page for more details.

Megan's pathway

Diploma in Engineering at UNSW College

Bachelor of Engineering (Electrical) at UNSW Sydney

Rail Graduate Engineer at WSP

"UNSW College really felt like the perfect stepping stone for me. It's not just that it's right next to UNSW Sydney; a lot of our classes were actually held on the university campus, so from the beginning, you're part of that environment. You get a real feel for what it's like to study at UNSW and be around university students every day."

Mahesh Shashindran, Malaysia

Foundation Studies in International Studies stream* at UNSW College

*Graduate of Foundation Studies in International Studies, now known as Foundation Studies Program (Standard/Standard Plus) in Arts & Social Sciences. Please see back page for more details.

Mahesh's pathway

Foundation Studies at UNSW College

Bachelor of Criminology & Criminal Justice/Law at UNSW Sydney*

Lawyer at Kailash Lawyers & Consultants*

*All law graduates in Australia must complete Practical Legal Training (PLT) and be admitted to legal practice in order to practise as a lawyer.

Mentor AI

Mentor AI has won

**2024 English Australia
Award for Innovation.**

Sponsored by ETS TOEFL.

**Learning English takes time and practice,
but with the right support, you can improve faster
and with more confidence.**

That's where Mentor AI comes in. Developed by our Academic English team at UNSW College, this innovative tool provides real-time feedback and a personalised approach to learning – so you can refine your skills in a way that works for you.

"The Academic English programs really helped me with developing my study skills. I learnt about the best way to format notes in lectures and how to succeed at my current undergraduate degree at UNSW Sydney."

Meiwei Chen, China
Academic English Programs

Current student at UNSW Sydney

*Graduate of UNSW Global, now known as UNSW College.
Please see back page for more details.

Your UNSW College life

Make yourself at home and be part of a thriving global community. At UNSW College, you will discover countless opportunities to explore, grow, and connect.

Be part of the UNSW Sydney family from day one

As a UNSW College student, you'll have access to the UNSW Sydney campus, including:

- a variety of accommodation options
- cafés and restaurants.

Take advantage of on-campus health and wellness services, including:

- medical clinic, dentist, and optometrist
- physiotherapist
- free, confidential psychological support
- the Village Green
- state-of-the-art sporting and fitness equipment.

When it's time to hit the books, you'll have access to UNSW Sydney's renowned libraries, modern study areas and peaceful outdoor spaces.

Find the perfect place to focus and study, no matter your mood or study style.

Study on campus

Whether you're relaxing in the Student Common Room, collaborating with others in the Student Hub, or finding a quiet spot in the courtyard, there's a space for everyone to focus and connect.

- **Small classes**
With a maximum of 20 students in every class, you'll receive the personalised attention and support you need to succeed.
- **Personalised support**
Access to weekly tutor consultations.
- **University-level education**
Our programs are co-developed with UNSW Sydney to provide outstanding preparation for your degree.
- **Expert teachers**
Learn from university-level educators who are renowned in their fields, many of whom also teach at UNSW Sydney.

Support for success

At UNSW College, we're here to support you every step of the way. Our Student Experience team is ready to help you manage life at university.

Your pathway to progress

The right start at UNSW College

Support from day one

When you arrive, our support teams will help you settle in. You'll have access to learning and wellbeing support, academic assistance, and orientation and engagement activities to help you start strong. Plus, if you need it, we can also arrange a pick-up service from the airport on your behalf (at an additional cost).

Buddy Program

To help you feel right at home, you will be automatically allocated to a Buddy group led by a current student who will guide you through your first weeks on campus, offering advice, support, and a friendly face. Look out for a notification to join your group before your program starts. You will have a support network before you set foot on campus.

Your orientation on campus

Orientation is a must for all new students. It's your essential introduction to studying at UNSW College. You'll get access to helpful resources, meet your teachers and support leaders, and take part in activities to kick-start your university experience. You'll also enjoy a campus tour and lunch with your new classmates.

Welcome Week

Get ready for a week full of activities and social events to help you connect with fellow students. Enjoy planned events and start building your social calendar!

How to apply

Step 1 – Choose your degree

Choose your UNSW Sydney degree, so you can work out which program you will study with us. For more information, learn more at unswcollege.edu.au/study/progression-to-unsw-sydney. To use our handy pathway finder tool, learn more at unswcollege.edu.au/study/pathway-finder

Step 2 – Check entry requirements

Choose a UNSW College course or program based on the below entry requirements.

For more information about entry requirements, scan the QR code

Step 3 – Prepare your documents

You will need certified copies of the following:

- Academic qualifications (translated into English)
- Evidence of English language proficiency (if applicable)
- Proof of identity; this may take the form of one of the following documents:
 - Current passport with photo page (for students who are outside of Australia at the time of application)
 - Current passport and visa (for students who are already in Australia and/or who already have a current visa for Australia)
 - Birth certificate (only for students who were born in Australia and currently reside in Australia)

Step 4 – Apply online

Scan the QR code below to apply online

Step 5 – Accept your offer

If your application is successful, you will receive a Letter of Offer with instructions on how to accept your offer and pay your deposit or fees.

Step 6 – Apply for your visa

Once you accept your offer, you will receive a CoE - Confirmation of Enrolment (applies to international students only). The CoE is required by the Department of Home Affairs for the purpose of applying for a student visa. For more information on how to apply for student visa, learn more at immi.homeaffairs.gov.au/visas/getting-a-visa/visa-finder/study

Step 7 – Attend orientation and start your studies

It is compulsory to attend the orientation, as it includes resources, events and information sessions designed to get you ready and set up for day one of your journey with UNSW College. You will receive information about your orientation session by email. More information about orientation is available at unswcollege.edu.au/experience/orientation

For more information on how to apply, learn more at unswcollege.edu.au/apply/how-to-apply

Note: If you're under 18 years old, you will need additional documents. Learn more at unswcollege.edu.au/experience/under-18-care

Evolution of our Diplomas

UNSW College's Diploma programs have evolved to better serve our students while maintaining the same high standards of academic excellence and direct pathways to UNSW Sydney. Previously delivered on behalf of UNSW Sydney, these programs are now offered by UNSW College under updated names.

Diploma in Architecture → Diploma of Architecture
Diploma in Business → Diploma of Business
Diploma in Science → Diploma of Science
Diploma in Computer Science → Diploma of Computer Science
Diploma in Media and Communication → Diploma of Media and Communications
Diploma in Engineering → Diploma of Engineering

The testimonials featured in this guide reflect the experiences of students who have completed pathway programs at UNSW College, including both current Diplomas and their predecessors.
